Action Plan 2014-2015

Focus: PE	Manager: A Allard Supported by D Palmer
Background	Responsible to SMT/C&SComm
<ul style="list-style-type: none"> • This action plan maps out/outlines development in PE looking at content and progression of children's learning. It identifies how the school will use the Primary PE and Sport Premium to fund CPD for teaching staff and high quality coaching for the children. We want to further develop a rich, varied and inclusive school sport offer as an extension to the curriculum involving opportunities for all pupils to take part in school sport through clubs and competitions with a particular focus on developing this aspect of sport throughout Foundation and KS1. We also want to develop confidence and competence within all members of staff to deliver high quality PE with the quality of all lessons to be good or outstanding. • Creative curriculum Key Ofsted points.

<u>Monitoring & Assessment procedures.</u> To assess the outcomes of teaching & learning in PE by: <ul style="list-style-type: none"> • Observations of PE lessons to monitor progress and progression throughout the school. • Monitoring progression of PE skills being taught throughout the school. • Collect evidence from staff about their strengths and weaknesses in teaching PE. 	Observations (autumn, spring summer) across whole school to show that children are engaged and motivated within physical activities. Focus on skills progression. Children's learning and the outcome of skills gained is of appropriate challenge/ support according to ability. Planning reflects the needs of all children, supports LA children and stretches the G&T. Create questionnaire for all staff to complete SSN CPD Audit	45 mins per observation	By Term 2,4 & 6	Allocated time to observe Allocated time to monitor	AA AA AA	No observations due to embedding of new Scheme of Work and change to curriculum. AA to observe future lessons across EYFS, KS1 and KS2. Observation and feedback also to be part of future CPD End of Unit Assessment recorded by Class teachers and monitored by AA (PE Folder). Data is used to identify areas where class/individuals need support. Assessment is currently evolving with a working document being created to cover all aspects of the P.E. curriculum in Ks2. Baseline Assessment document taken from Lancashire SOW used through Ks1 to assess FMS. Assessment documents to be embedded from Sept 15'. (PE Folder) EYFS ELG - Physical Development Assessment included from VM (P.E. Folder) used to identify G&T and LA trend before children complete base line in Y1. Planning supported by new S.O.W (P.E. Folder) - This ensures NC is taught - teachers reported more confidence knowing that the planning is there to support them/ work load manageable. Completed prior to School Sports Network meeting (10/10/15) Current CPD feedback (ongoing) Staff have received CPD linked to feedback from Audit - Positive impact on staff competence and confidence evidence in Staff CPD feedback form (PE Folder)

						<p><u>Primary PE and Sport Premium Funding</u></p> <p>Develop facilities and resources to successfully teach 'Outdoor and Adventurous Activities' throughout the year groups. In particular install a permanent orienteering course around the school grounds. This will allow high quality orienteering sessions to be held during lessons, create a resource in order to offer an after school club and orienteering competitions/tournaments against other schools. £4000 (DP following up) - No required after discussion with SNN and introduction of Lancashire S.O.W. decided this was not suitable</p> <p>New school kits home and away (£600) Impact of new kits has continued to raise the profile of the school and has boosted the children's confidence when representing the school as they felt smart. Although not directly funded by the P.E. funding children stated in the pupil voice survey that they really like the new P.E. Kit, 'especially the badge of the kits' (Pupil Voice PE Folder)</p> <p>Improve our summer sport and sports hall PE by developing the line markings on the field and in the hall to enable high quality athletics, rounders and badminton to take place during lessons, after school clubs and improve sports day. Also £500 This has supported the growth and range of traditional sports. Parents and Children have been very positive about the impact of the new 200m track and think 'Sport Day is great!' Sports Funding used to develop PE Working Wall in Hall Purchase equipment to enable all children to have better resourced lessons and quality of equipment. £500 Impact improvement in teaching - equipment available to support lessons</p> <p>Contingency fund - disposables and breakables - equipment needing to be replaced. £200 Badges order after larger than expected increase in awards Summer Term £75</p>
