

Hermione Granger

by Emilia

Appearance

Hermione Granger has dark brown chocolate eyes which always have a sparkle. Her hair is chestnut brown and turns golden in the sun. She has peachy coloured skin and she is 4'11" tall. Also she weighs 1 stone. You will usually see her wearing jeans, a t-shirt, a jacket and sometimes a skirt with robes for school.

Special features

Nearly every spell can be done by Hermione who always gets them right.

Family

Family is a big deal for Hermione, because she lives with her parents and they are muggles (people who don't do magic). Getting called mud blood by Draco, Crab and Goyle is very annoying for her. (Mud blood means you weren't born in a wizard family)

Likes

The Hogwarts star for spells. Hermione likes lots of things which include her friends Hagrid, Harry, Ron her cat, Crochets. As well she likes chocolate frogs, wizard draughts and the books Magical Me.

Dislikes

There are not a lot of things Hermione dislikes but the things she despises are Draco Malfoy, Crab, Goyle, Voldemort, wizard chess, Bertie Botts every flavour of beans and Ron's Rat!
