

Daisy

My name is Daisy. I have crystal blue eyes that sparkle in the sunlight and ruby red lips. Normally, my mum puts my hair up in pretty braids at the back of my head. The best thing I like about it is that she ties purple ribbons on. People say that the colour of my hair is toffee brown but I disagree, it is more caramel brown! For the age of 10 I am very small!! And light!! Most of the time I wear my leopard print onesie because it is the only thing that covers my legs. I am conscious of this because when I was younger, I scared my legs in a car crash which is why I don't want to show them.

Everyone says that I'm very pale, lily white they say, however I have got rather rosy cheeks.

Unfortunately my Mum doesn't let me grow my nails, she cuts them really short! The best thing in the whole wide world is teddy bears, chocolate and sleep-over parties (I adore them). The worst thing in the whole wide world is chloe and anchovies (I despise them!)

All I've got for a family is my Mum and Dad and Lilly (something went wrong with her ears when she was a baby and she now can't talk or hear. It is all very sad!)
