

PERSONAL, SOCIAL, HEALTH EDUCATION

Personal, social and health education including citizenship is taught throughout the school as a discrete subject and woven into our assembly themes, owl group activities and curriculum drivers. We invite visitors in to school and use our community to enhance the curriculum. We use the Gloucestershire Healthy Living and Learning Review to help structure our curriculum. The review is organised under five headings:

- 1a. School Ethos
- 1b. Promoting Health and Wellbeing
2. Teaching and Learning about Health and Wellbeing
3. Healthy Eating
4. Physical Health and Wellbeing
5. Emotional Health and Wellbeing
