Monday 24th April 2017

Dear Year 3 Parents and Guardians

Year 3's Summer topic will be called Time Travellers. This topic will be based upon our English and History work. In English, we will be reading and basing our work upon 'Wolf Brother' by Michelle Paver and 'Stone Age Boy' by Satoshi Kitamura. We will be looking at developing our writing skills, shape poetry and lots of organisational skills that we can use in our writing. We will also be looking to link our Design and Technology to Wolf Brother. The children will take part in a Stone and Iron Age Day. Details will be sent out closer to the time.

The children will be studying the UK and Land uses in their Geography lessons. In Mathematics the children will continue looking at Fractions, begin to look at Geometry and Shape and Data and Statistics. In Science the children will be learning all about Light. In Summer 2 the children will undertake various different investigations recapping all of the topics they have covered this year.

In R.E we will be studying Judaism, with a particular focus on their festivals.

Homework will continue to be given to children on a weekly basis. The children will receive spellings on a Friday which will be tested the following Friday. Children will continue to be expected to read a minimum of 4 times a week and be practising their times tables regularly.

This term our PE will be focusing on striking and fielding and athletics. This will take part on a Monday and Thursday but please provide your child with a kit every day as timetabling may change. We will be doing all of our PE outside, so please provide your child with: shorts, t-shirt, jumper, tracksuit bottoms, trainers and a pair of white socks.

We are looking forwards to our learning this term and hope you are too.

Thank you for your continued support.

Mr Marchment, Mrs Kempster and Mrs Anderson.
