Our Big Build

We wanted to share some pictures of the build this week as lots has been happening and it’s hard to see all the work from the road. The PE cupboard has been knocked down at the back of the hall and the playground was blocked off in preparation for the crane. I’m sure you all saw the crane, it is hard to miss and it has been lifting concrete planks from the lorries onto the top of the sub structure of the new building. Meanwhile, work is still progressing on what will be the new staff carpark. More next week.

Foundations for the new building

Grangefield Music Evening – 30 March – 6.30pm start

On 30 March we will be holding a music evening where our budding musicians will showcase their talents and our choir will also be performing. If your child has music lessons outside school and would like to take part, please email admin@grangefield.gloucs.sch.uk.

Year 4

In Year four our aim is to become independent learners with a growth mindset. As part of this, to start the new year we have created a Challenge Tree. Each child has set themselves a challenge for the year. Some challenges are academic, some are to develop our physical skills and some are looking to boost our confidence or participation. Mrs Newitt has challenged herself to learn to do the splits! We will certainly be looking forward to watching that Mrs Newitt!

Reception children Hearing and vision screening

This is taking place on 2 May 2017, if you do not wish your child to be screened please phone 0300 421 8225. Parents will be informed of the screening results.
