20 Oct	Last day of Term 1 – 3.15pm finish		

Come and have a look around the new building

We are aware that some parents have not had the opportunity to look around the new Key Stage 2 building and indeed the other changes to school. We would therefore like to welcome you to have an informal look around on Friday 22 September from 2.45pm. Children can then be picked up as normal at 3.15pm that day. We will in due course have a more formal opening of the building and will let you know when that will happen.

All Reception Parents and new families to the school

Further to our note in the newsletter last week, unfortunately we have to re-arrange the coffee morning from Tuesday next week to **Thursday 28 September from 9am until 10am**. Please feel free to drop in to meet some of our team.

Year 6 – Reminder

Mr Richards the Head at Cleeve School will be coming to talk to parents on 20 September at 6pm. It really is a great opportunity to meet Mr Richards and chat to him if you have any questions. Year 6 children can attend if they would like to.

New to Reception Parents Phonics Evening

Also a reminder to new Reception parents to please come along at 6pm to get an insight into how the phonics are taught at Grangefield.

Year 6 - Cross-curricular Learning

In English this week Year 6 have been studying the life and work of Mary Anning from Lyme Regis and have used our Geography skills to locate where she lives. We have also been researching facts about fossils in Science and creating observational drawings of various different fossils in Art. Year 6 have thoroughly enjoyed their week of learning.

The fantastic artwork below is by Milly F, Hollye and Ted.

Haiku

Year 3 have been having great fun learning and performing Haiku Poetry.

Clubs

Mr Allard sent out a letter in children's book bags earlier this week with details of sports clubs this term. If your child wishes to take part in a sports club, please complete the form and return it as soon as possible.

Road Safety

Please can we encourage all parents and children to use the paths around the front of the school when coming and leaving. We are conscious that on some occasions the paths have been blocked however in this eventuality please can you stick to the path as closely as possible. The children should dismount from their bikes and scooters when they reach the gates and walk them to the bike sheds. Similarly, when they get their bikes/scooters at the end of the day, they should walk to the gates where they can then get on to ride/scoot home. Please can all pedestrians use the paths and NOT walk across the car park or on the road outside the gates. We request this for everyone's safety.

Coats and Uniform

The weather this week has been very changeable; please can you make sure that all children have a waterproof coat at school. We never know when we might need them. Can I take this opportunity to say how lovely it is to see the children in their uniforms looking so smart. Well done!

Have a good weekend.

Mrs Lewis
