E-Safety

It has been brought to our attention that some parents have posted photos/video of yesterday’s dance festival on social media. As the organisers instructed at the beginning of the event, sharing photos of your own child is acceptable, however sharing photos of other children isn’t, due to issues of safeguarding and personal preference. May we respectfully ask that parents remove any photos/video that contains children other than their own. Thank you for your cooperation.

Big Build update

This week the builders have been working on the gullies and the drainage in the new car park. Once that has been completed, work can start on the base coat tarmac. The steels are being put into the hall extension to form the opening for the hall and new kitchen extension. Over in the new main block, the brick and block work is continuing up to the wall plate.

K’nex Challenge

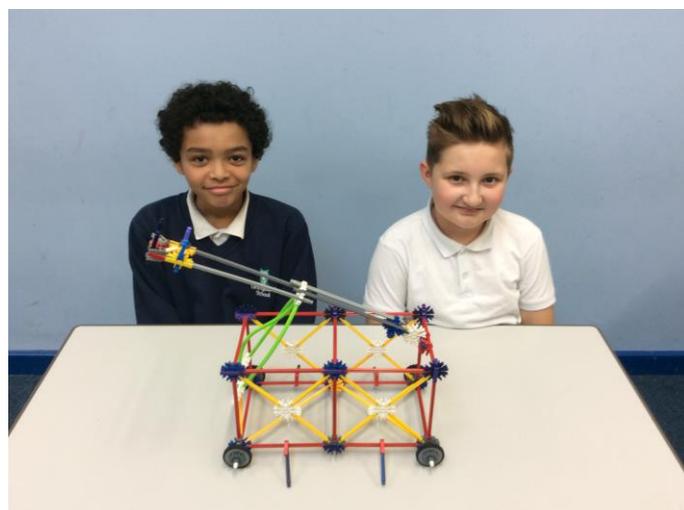

On Friday 3 March, Year 6 competed in the K’nex challenge, where the whole class had to build a vehicle that could rescue people from a burning building. The vehicle had to reach two grey rods high and be strong. The children had one hour to complete the task. Miss Follis and Mrs Phillips judged the designs and the awards were given as follows:

- Winners – McCarthy and Kaydon
- Team Work – Scarlett and Dolly
- Creativity – Josh and Ethan
- Problem solving – Isabella and Anisha

Well done to everyone and particularly McCarthy and Kaydon who now go on to represent Grangefield at the County Final on Wednesday 26 April. More pictures of the K’nex Challenge can be found on our website under galleries curriculum and events or the Y6 page.

Wildlife Quiz Grangefield vs Isbourne Valley by Dolly and Sam

On Friday 3 March Dolly, Jessie, Josh and Sam successfully made it through the first round of the Gloucestershire Wildlife Quiz. We worked hard and tried our best to achieve an outstanding score of 26-20 to Grangefield. First of all, we paired with our teammates and answered detailed questions on different species. Further into the quiz we got to meet some peculiar animals and plants that we had memorised with the help of Mrs Kempster (our lifesaver). We are very proud of ourselves and look forward to the next round.

Well done to the last weeks Super Achievers who have each earned a certificate and 10 Owl Merits for their Owl Group

Clubs

There will be no school led clubs next week due to the races. Unless you have heard otherwise, Tennis, Andy Tucker Football and Rugby Ken's class will still run as normal.

SPLAAT

We had an assembly on Monday where we unveiled the lovely sign that was made by Speller Metcalfe to highlight the need to keep safe around the school site. Well done to the artists who drew the pictures that were chosen for the poster.

Sport Kit

If your child represents the school in a competition and wears school sports kit, it is really important that it is washed and returned as soon as possible. We have a very busy time of year with lots of competitions going on throughout the week and we do not have enough spare kits to go round. Thank you for your support.

Community

- We have had a concern brought to our attention by a member of the public who was nearly knocked over by a child on a scooter on their way to school. Please be aware that the roads and pavements near the school are also used by other members of the public.
- There are two drop in events taking place at Bishops Cleeve Parish Council Offices. The drop in events are aimed to inform, promote, engage and consult the local community in Bishops Cleeve.
