Big Pedal

A huge thank you to everyone who has taken part so far in the Big Pedal. We are thrilled that the bike sheds were completed in time for us this week. We are currently 40th out of 603 schools – which is absolutely amazing! Congratulations to Marley for being the first Golden Lock winner! Keep a look out for the Golden Lock as there are more prizes to be won. The Big Pedal continues next week so keep Pedalling!

Bikers Breakfast

We hope that everyone who attended our bikers breakfast enjoyed the experience. It was wonderful to see so many children coming to school on their bikes or scooters and enjoying a communal breakfast. Thank you to Tesco and the Co-Op who provided the food and fruit.

It's 'Out of This World' in Year 2

Year 2's topic this term has been 'Out of this World' and this week the children have made space buggies. They have learnt how axles work, designed their buggies and used a range of tools and joined materials in different ways. We are very pleased with what they have produced. There are more photos on Year 2's page on our website.

Big Build update

The builders are now digging out the mud ready to put in the ramp for the new building. All the steels have now been put into the hall extension. Work will now carry on with the sub-structure and drainage to the hall extension. As you can see the car park work is still ongoing, but the route for the new cycle way has been completed.

Red Nose Day

Thank you for all your support today on Red Nose Day. The children have certainly had lots of fun. We will let you know how much we have raised next week. Please remember we have a cake sale tonight after school.

General

- Whilst we are very pleased that people have been riding to school on their bikes, we have to point out that we received a phone call from someone who lives in the Holt who had had a near miss from a parent on a bike earlier this week. Can you please be careful on the pavements when there are no cycle paths.
- If anyone has lost any money please call into the school office.
