### Year 6 – DT Day – report by Matthew

On Wednesday this week Year 6 had a DT workshop designing a cereal box. When we first came in we discussed what a USP and product communicator was and why they are important. After that we discussed why packing is useful to identify products and how we all know varieties of crisps from their packaging. We then got onto designing our own cereal boxes. We had to think about all the things that would make this particular product the one to buy by designing an eye catching and recognisable box. It was an enjoyable and exciting day that everyone loved. More pictures can be found on our Year 6 web page.

Thank you to Mr Bunting

### Walk to School Week

Thank you to everyone who has taken part this week, especially those who ventured out in the awful weather! We will submit our numbers to the county and will let you know how we've fared next week. Hopefully, those who have taken part have enjoyed the experience and will continue to walk (scoot/cycle) to school. We would love to see more children walking to school, reducing the congestion on the roads and making the entrance to school safer. We hope you can continue to support us.

### FOGs Corner

A huge THANK YOU to everyone who donated a bottle for our Summer Fair - you were extremely generous as we received nearly 200 bottles. Next Friday 26 May we are collecting items for our Luxury Hampers and we want to take this opportunity to thank you in advance for your donations. Children can wear their own clothes as a thank you. Basically, from the items you bring in, we will make up luxury hampers for our stall at the fair. This is our most popular stall and raises a significant amount of money. It's your items in the hampers which make them so appealing, so thank you for your thoughtful donations. A list of hamper items per class is listed below:

Class	Hamper Item
Reception	Bubble bath or shower gel
Year 1	Chocolates
Year 2	Biscuits
Year 3	Cream for hands or body
Year 4	Savouries/nibbles
Year 5	Deli items, pickles or preserves
Year 6	Bottles (small bottles of wine or prosecco are ideal)

Well done to Super Achievers from 31 March who have each earned a certificate and 10 Owl Merits for their Owl Group	
Reception	Patrik, Finley, Logan and Poppy
Year 1	Jake, Jacob, Emily and Harry
Year 2	Leo, Jakob and Phoebe
Year 3	Sophia and Harvey
Year 4	Jake and Toby
Year 5	Bob and whole of Year 5
Year 6	Whole of Year 6 for completing SATS

In addition, the children will bring home 10 raffle tickets next Friday to sell during the half term holidays. We have acquired some awesome prizes this year and a full list will be displayed on the notice board in due course. The list will be updated each week to show the new prizes added.

Parents can also follow FOGs page on facebook to see updates on everything to do with the fair. Thank you so much.

## **Year 2**

Well done to Year 2 who have worked extremely hard completing their SATS this week. They took it in all in their stride and are a credit to you and the school. In the afternoons they have been making various tasty treats for an end of week picnic, which sadly will have to be held in the classroom due to the weather, but they will still have lots of fun.

## **Spanish Club**

Calling anyone who would like to learn Spanish. Our Spanish Club is on Monday after school and we have spaces. All children are welcome, we have great fun playing different games which help children learn and have fun at the same time. We will even play outside as well if the weather lets us. Thanks, Mrs Munoz

## **Parking**

We have received a complaint from a local resident about parking on the corner of Charlecote Corner off The Highgrove. They have also taken a picture of the car as the car was blocking one side of the road. Please do be mindful of parking, child safety is our priority.

## **Reminder**

- If you haven't paid your Grange money this term, please do so urgently. Thank you.
