### Year 4

Year 4 have been enjoying using the amphitheatre for performing their Roman simile poems. We would also like to share a few pieces of work with you:

*One early morning in the kennels I woke up by the noise of all the other lost dogs and puppy’s barking like a thunder storm. As the dog kennels owner gave its breakfast I planned my escape to get back to my owner Cindy. I started digging. I dug and dug until I was finally outside. Then I scampered down the streets of London. It was now night I needed a place to shelter. I found an alley and went in to have a nap. In the misty morning I had found some left overs in the dust bin for breakfast. Just at that moment I heard the dog catchers van on the road. He spotted me! Then I ran and ran. He didn’t catch me so he left me alone. I went down streets and streets but I couldn’t find Maple Road where Cindy lived. At that moment I saw a cat! I chased it into an alley, it got away for now. In the alley I felt like I was being watched.*

One cold winter day Fred woke up the gang. Fred said to Shaggy "Wake up, wake up, come on we need to go to Mount Everest because there is an abominable snow man on the loose."

"Zoinks" Shaggy screamed. Then Scooby came into the room and barked at them. Then Fred came into Daphnie's and Velma's room and bellowed "Wake up, we are going to go to Mount Everest."

"What" Daphine screamed.

"Come on get in the mystery machine." Fred replied.

Finally they were on their way. When they got there they saw it was closed. So they snuck inside then the snow monster came right in front of them, then Fred screamed "Run."

### Parents Evening Appointments

This year we are trialling a new method of signing up for parents evening . On Monday 3 October after school a sheet will be attached to your child's class window. You will then be able to sign up for a 10 minute appointment on either Tuesday 11 October or Wednesday 12 October. If you are unable to collect your child on this day please send in a note to the class teacher with a couple of preferred time slots and we will allocate you an appointment.

### Half Marathon

Well done to everyone who took part in the Cheltenham Schools Challenge - what a great atmosphere! Congratulations to Mr Allard who managed to complete the half marathon in a fantastic time of 1 hour and 39 mins and Miss Hunt who also completed the marathon in her best time yet. A special mention to Lilly who ran on Sunday and throughout her journey she has been raising money for the Wallace and Gromit's Grand appeal. To date she has raised £350 and hopefully a few more sponsors to come. Well done Lilly!

### Mobile Phones in School

We have a no mobile phone policy at Grangefield School apart from exceptional circumstances in Year 6, which have been discussed with Mrs Phillips. **No other year groups are allowed to bring in phones.** We cannot be held responsible for breakages or loss of phones.

### Vaccine Update/Reminder

We have been asked to advise you of the following: To give your child the best protection against Measles, Mumps and Rubella a child needs two doses. This is because the vaccine does not always work fully the first time. Therefore if your child has not had a second MMR as part of pre-school vaccines, you are encouraged to do this now by contacting your GP/Practice Nurse. Children in Year 1, 2 & 3 are also eligible for flu vaccine this year. Further information can be accessed from the following website:

## Macmillan Coffee Morning

Thank you if you came to support our Macmillan coffee morning. We will let you know how much money we raised next week.

## FoGS Newsletter

Your eldest child should have a FoGS newsletter in their book bag this evening and included in this newsletter are tickets for the movie night on Friday 14 October from 6-8pm. If your child would like to attend please complete the form and return to school before Friday 7 October.

## Year 6 - Nuke and Flicker

Every break time four Year 6 children get the chance to look after the hamsters, which we thoroughly enjoy. Furthermore, every weekend two different children get the opportunity to take them home. They are both very unique hamsters: Nuke loves to sleep, on the other hand Flicker is lively and enjoys playing. Nuke and Flicker are enjoying their new class. They love their cages and we have created play activities with their toys.
