Headteacher: Mrs Karen Lewis

Year 1's topic for the Summer Term is...

Oh! I do like to be beside the seaside

In English we will be looking at *The Lighthouse Keeper's Lunch* by Ronda Armitage. We will also be practicing our grammar and punctuation skills, focusing on the past tense, plurals, punctuation marks – including full stops, question and exclamation marks.

In Maths we are focusing on place value, addition, subtraction, multiplication and division. We will also be learning about money, weight and volume.

Our DT topic will be focused on cooking and we will be learning how to cut, chop and grate different foods as we design and make a healthy snack for Mr Grinling.

In Science we will be looking at seasonal changes and light.

For Geography we will be learning about a seaside locality and comparing this to Bishops Cleeve.

In History we will be learning about seaside holidays in the past.

To finish the summer term we will be holding a beach party on the astro where children can come with their swimming costumes and deckchairs, and enjoy a traditional seaside experience.

In Music we will be continuing to learn about pitch, dynamics and rhythm, alongside lots of singing.

In Art we will be drawing self-portraits and using mod-roc to make our final piece.

We would love the children to continue to add their favourite picture books to our Padlet wall. This is building into a great reference tool for children and families to use to spread the joy of reading.
