

This action plan maps out/outlines how P.E. will be developed at Grangefield. It identifies how the school will use the **Primary PE and Sport Premium** to fund CPD for teaching staff and ensure high quality teaching and learning for all children. Focusing on developing a sustainable program of sport, we will continue to support staff, developing confidence and competence through a range of CPD opportunities which will facilitate the delivery of high quality P.E teaching/lessons across the school. We will aim to maintain/develop the rich, varied and inclusive Extend Sports Club program which is currently offered as an extension to the curriculum, giving opportunities for all pupils to take part in school sport through clubs, intra school and competitive competitions with a particular focus on developing this aspect of sport throughout Foundation and KS1. The school will work to maintain the Sainsbury's School Games Gold Award which was accredited in recognition of the P.E. and Sport which took place at Grangefield in the 2014-15 academic year.

This is a working document and will be updated in line with the needs of children and staff at Grangefield as the P.E. develops and the year progresses.
