Pastures New

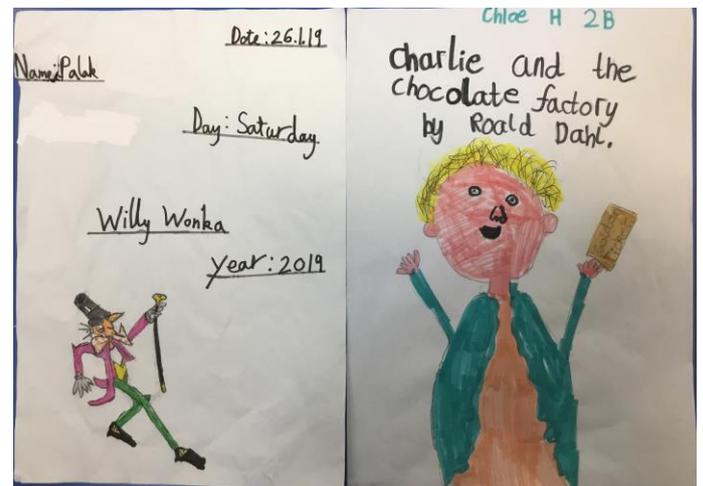

With mixed feelings I write to inform you that Mrs Gilroy will be leaving us in July to take up her first Headship at a Primary School in Worcestershire. We are extremely sad to see Mrs Gilroy leave, but extremely proud of all that she has achieved whilst at Grangefield. Mrs Gilroy came to Grangefield 14 years ago and has seen it grow from five classes to 11. She has been pivotal in making Grangefield the fantastic school it is today. I know Mrs Gilroy will be a fabulous head teacher and I wish her ever success.

World Book Day Art Competition

We had some lovely entries into our World Book Day art competition. Pictures can be found on our website under Gallery/Art. Here are our winners, KS1 winner is Chloe and KS2 winner is Palak. Well done to everyone that entered.

Fun at We The Curious!

On Friday 8th March 2019, Year 4 and 5 went on a fascinating trip to We The Curious Science museum in Bristol. Year 5 took part in a 'Fantastic Forces' workshop which allowed us to consolidate our science learning previously taught at school. As well as this, we were able to explore all of the interactive features that the museum had to offer!

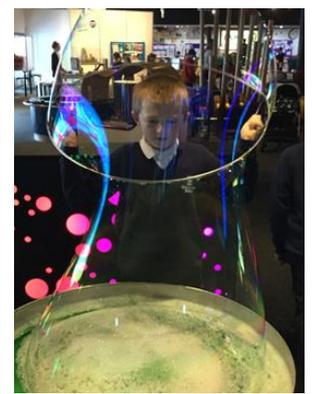

Comic Relief

Thank you to everyone for supporting our Comic Relief day. We managed to raise an amazing £568.40. Thank you to the School Council and Miss Bennett for organising everything.

The Big Pedal

Thank you for all your efforts regarding The Big Pedal this week. We have made a really good start – as we are 284th out of nearly 1000 schools - let's keep it going next week. Lots of children had the opportunity to ride their bikes/scooters this afternoon in the glorious sunshine. The same opportunity will be there next week. Fingers crossed the weather will continue to hold too!

Music Evening

If you fancy an evening of celebrating the musical talent that Grangefield has then please come along on Tuesday evening to support our young musicians. We have children singing, playing the piano, guitar and ukulele. It starts at 6pm. Both KS1 and KS2 choirs will be involved. If children performing could arrive at 5.50pm then that would be great.

Mrs Gilroy will be putting the programme together over the weekend - last requests to perform will be taken on Monday.

Poetry

In Owl Groups last term we have been looking at poetry by different poets. All the Owl Groups have looked at the poem 'If' by Rudyard Kipling and put together their ideas to make a poem of their own, based on 'If', in which they are giving advice to a friend.

'If' Advice for a Friend

If you are having trouble seeking out friends,
Look for someone like yourself that needs a friend too.

If you are kind and treat others as you wish to be treated,
Others will be kind to you.

If you see someone is hurt, help them,
Be kind and helpful to others.
But if someone hurts you, don't be hurtful back.

If you share and show you care,
Others will care too.

If you listen to those around you,
Others will listen to you.
But if others are not trustworthy, don't listen to them.
You don't have to follow the crowd or what others tell you to do.

If there are dramas and arguments going on around you,
Don't join in - get an adult or friend to help solve the problem.

If you make a mistake or are in the wrong,
Admit to it, say you are sorry and move on.

If you are troubled,
Share your problem with someone you trust,
But also be ready to give advice to others.

Believe in your dreams,
Have belief in yourself
Try in all you do.

Be positive and have the courage to do what you want in life.

Year 6

In Year 6 the children have been making their own pasta. They had an amazing afternoon and created bespoke designs, then cooked some and ate it all! They said the pasta was delicious. Thank you to Mrs Kempster and Mrs Kempster's Mum for organising and helping. More photos can be found on the Year 6 page of our website.

Y6 have also been investigating foods from around Europe. Some brave children blindfold tasted Sauerkraut from Germany, Taramasalata from Greece, Skyr from Iceland and sweet bread from Spain. Then we all had a go at making crepes, hummus, baked Camembert and a Swedish salad. Everyone loved the afternoon and it only took 2 hours to tidy up afterwards! Thank you to Mrs Kempster, Mrs Kempster's Mum and Mrs Gibson for helping. More pictures on the Y6 web page.

Y4 Clarinet

Thank you to Y4 who entertained the school and their parents on Tuesday afternoon. We were wowed by a variety of styles of music and some fantastic individual performances. To think that they only started learning the instrument 10 weeks ago; their confidence and performance level was amazing.

Sport Round Up

Hockey

Well done to all our hockey teams who have taken part in tournaments over the last few weeks.

In our local cluster competition the A team came 4th and the B team came 6th (out of 9 teams).

In the larger district competition the A Team came third, narrowly missing the opportunity to go forward into the county finals and the B team came 4th in their group.

Netball B Team

Congratulations to the Netball B Team for their fantastic performance winning every game in their tournament and progressing to the County Finals.

Breaking news Netball A Team Yesterday our Netball A Team played in the County Final play-off match against Tirlbrook. With a half time score of 3-2 to Grangefield the adrenaline was pumping. After an inspirational team talk from Mrs Phillips we went on to win 9-5. So Team A are also off to the County Finals next Tuesday.

Drop off

Please could children not be left unattended before the school gate opens at 8:45am. We have had a number of occasions recently where children, in particular the juniors, have been arriving at 8:30am and are playing within the vicinity of the car park.

Here is a copy of the summer menu. When we receive the copies from Caterlink we will distribute them to you.
