We are pleased to say that Mrs Phillips will be covering the Deputy Head role for the Autumn Term as we look to appoint on a permanent basis from January 2020.

We are currently recruiting for teaching assistant posts so once this process is over we will let you know where teaching assistants will be allocated.

### Transition into new classes

As part of our transition processes, the children will be spending two mornings in their new classrooms with their new teachers on Wednesday 3rd July and Monday 8th July. We have an open evening on Wednesday 17th July between 4pm and 6pm where parents will be able to informally see your child's new classroom and meet the teacher should you wish.

### Growth Mind set

Next Friday morning we have NED's Mindset Mission visiting our school. A world-class performer takes our students on a 45-minute journey filled with storytelling, illusions, yo-yo tricks and humour. NED's message and memorable friends aim to inspire students, promote academic achievement, and support our school goals.

### FOGs Summer Fair

What a wonderful summer fair we had last Saturday. It was fabulous to see so many supporting this now iconic event. FOGs and their helpers did an amazing job, the organisation was superb and I thank everyone involved as it is a tremendous effort all round. We will let FOGs tell you how much was raised, but we know it was a fantastic amount and the money will make a huge difference to our school.

### Grangefield's Got Talent

Over the past few weeks, the children have auditioned for GGT and we now have our finalists. They will be performing on Tuesday 2nd July. The show is due to start at 6pm so all finalists must be at school with everything they need for their act, including music, props, outfits for 5:45pm.

All are welcome, please come along to support and enjoy the show even if your child is not performing. FOGs will be providing refreshments in the interval for 50p, please bring change with you.

### Chicks

I am sure your children have come home and chatted about chicks that hatched from our school. Below is a picture of the chickens now in their new home. We have received questions regarding the welfare of the chicks, we believe these stem from online social media rumours about hatching programmes in general. Certainly with Living Eggs these rumours are completely untrue. The chicks belong to school, however, any we are unable to ethically place, Living Eggs will rehome the chicks for us. All of the chicks go to free range small holders, poultry enthusiasts and hobbyists. For more information you can visit [www.livingeggs.co.uk](http://www.livingeggs.co.uk)

### Sports Day

We would love to invite you to our sports days which are starting at 1pm. At the end children will go back to class and is normal collection from their classrooms after.

### Lunch for Sports days

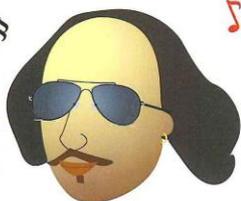

On 4 and 11 July we hold our Sports Days. On these days we will have a special menu so the children can have their food outside in a take away box. The menu is beef burger or veggie burger and chips followed by shortbread. On Tuesday 2 July instead of burger as stated on our menu it will be lasagne and garlic bread or cheese and pepper whirl with new potatoes or half a baguette with salad.

### Musicate

A huge thank you to all the parents who joined us to celebrate the work that Y1 and Y5 have been doing throughout the year in Music last week. The children performed brilliantly and spoke really clearly - we are very proud of all they have achieved. Videos will be added to

Tapestry in due course for those who were unable to make it. A special congratulation to Poppy (Y6) who was awarded Musician of the Year for 2018/2019. This was awarded in recognition for her dedication to singing in the choir over several years and for her support in helping and encouraging the younger children. She is a fantastic role model.

### Cleeve Chorale - The Bard and Beyond - Saturday 6th July at 5pm

We are very excited to announce that Grangefield choir will be collaborating with Cleeve Chorale through a concert titled The Bard and Beyond. Choir members will have received a separate letter with the details and permission slip.

If you would like to come along and support/listen on Saturday tickets can be purchased through school marking any envelopes for attention of Mrs Gilroy. We anticipate the concert lasting no longer than 1 hour.

### School Led Clubs

Please make a note that this is the last week of school led after school clubs (today being the last day) due to after school events happening over the next few weeks.

### Girls Youth Football

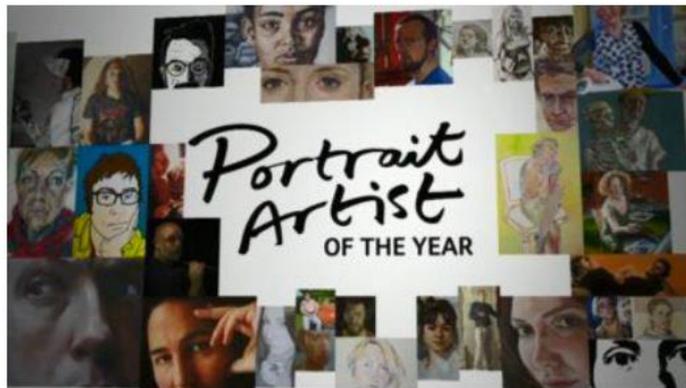

I am contacting you regarding an opportunity for girls at your school to get involved in youth football. I have children that go to Woodmancote School, and I also coach youth football at the under 11 age group at Gotherington Juniors Football Club. I am a FA-qualified coach and have the necessary First Aid qualifications and DBS clearances. I am currently in the process of starting a new girls football team at Gotherington, and am looking for players that would form a team comprising of girls from Years 4 and 5 at the time of the next school year in September 2019. This would essentially be a combination of two age groups forming one under 10s team from September 2019.

I am planning on holding a couple of taster sessions, either at Freeman Field in Gotherington or at Gotherington School, so to gauge interest, and the aim would be to run these before the end of the current school year. Would I be able to ask if you would place a notice in your next school newsletter, notifying of the above and requesting that if parents of any girl that is interested in coming along to the taster sessions with a view to joining, gets in touch with myself. I can be reached by email - [kingofthelane76@yahoo.co.uk](mailto:kingofthelane76@yahoo.co.uk) If you require any further information, please do not hesitate to contact me. Stewart Peters.
