6th July 2020

Dear Parents/Carers

Home Learning During School Closure

During these extraordinary times of school closure, we want to do as much as possible to help you to keep your children busy and learning. We hope the determination to continue learning has carried on and that you have all been enjoying the pickup in warm weather!

We have attached the week’s work and some extra activities to complete. Please try your best to get the most out of the activities and bring them to life whenever you can. We understand it is a very different environment than in the classroom but it is so important to keep all of your brilliant minds stimulated.

English
Activities attached to email:
2 x Reading comprehensions

https://play.ttrockstars.com/auth/family

Science
Activities attached to email:
1 x Information PowerPoint
1 x Activity

**Online learning:**
http://www.primaryhomeworkhelp.co.uk/revision/Science/

**Useful websites/links:**
- Online educational publishers, [Twinkl](https://www.twinkl.com/), have offered parents free access to all its resources for a month to support continued learning at home. All you need to do is enter UKTWINKLHELPS to get started. Twinkl also has a [Parents Hub](https://www.twinkl.com/parents) that has a number of different guides designed for parents to support them with different curricular areas.

- The website: [https://www.jetpunk.com/](https://www.jetpunk.com/) has quizzes on almost every subject you could imagine. Countries of the world and world flags are some of our favourites.

- [BBC Bitesize](https://www.bbc.co.uk/bitesize/) is an excellent online resource that provides students help with revision and learning. Here you will find a number of free videos, step-by-step guides, activities and quizzes by level and subject on every subject for students aged from three to 16 and over.

- For those of you who enjoy making crafts with your child at home, [https://www.happinessishomemade.net/quick-easy-kids-crafts-anyone-can-make/](https://www.happinessishomemade.net/quick-easy-kids-crafts-anyone-can-make/) is full of ideas for crafts that you can make at home.

**Wider learning:**
* Aim to complete 1 physical activity and 1 other each day.*

<table>
<thead>
<tr>
<th>Physical Activity</th>
<th>Activity</th>
<th>Gymnastics:</th>
</tr>
</thead>
<tbody>
<tr>
<td><a href="https://family.gonoodle.com/">https://family.gonoodle.com/</a></td>
<td>Complete a fitness workout</td>
<td>Try your hand at learning some gymnastics moves, such as cartwheels and forward/backward rolls. When you learn a couple, put together a gymnastics routine to show off for your family!</td>
</tr>
<tr>
<td><a href="https://family.gonoodle.com/">https://family.gonoodle.com/</a></td>
<td>Go for a long walk in nature. Whilst you are out collect some materials (such as leaves and twigs) and build a collage depicting a scene from the walk.</td>
<td></td>
</tr>
<tr>
<td>Lovin' Summer</td>
<td>Creative Arts</td>
<td></td>
</tr>
<tr>
<td>--------------</td>
<td>--------------</td>
<td></td>
</tr>
<tr>
<td>Not much reminds us of Summer like a nice evening meal outside with a cool drink to soak up the 'golden hour' of sun. Plan to make your own pizzas and enjoy them in the garden with your family. An ice lolly should top off the evening splendidly.</td>
<td>Have a game night with the family! You can do some Pictionary, charades, bingo, or even board games. Mix them up and enjoy.</td>
<td></td>
</tr>
<tr>
<td>Have a pirate day! Dress up like a scallywag and treat your outside space like the land you've just discovered. Set up a map with the features of your garden and discover the secrets of this strange new island. How will you command your shipmates? What will you do with the treasure you find?</td>
<td>Have a go at illustrating a page from the book you are reading! Read the descriptions about the setting and the characters and try to recreate it using your imagination!</td>
<td></td>
</tr>
<tr>
<td>Create a road trip on a map of the UK and search up some of the impressive sights there are to see. Find a route that crosses through all these and lets you discover the best that the UK has to offer!</td>
<td>If you have any leftover fruit, have a go at making some jam! You MUST ask your parents for help if you are doing this. Find a recipe on the internet so you can make sure you use the right amount of sugar and water.</td>
<td></td>
</tr>
