	Vickie Phair	Chair of Curriculum Committee Parent Governor	9.7.2018 - 9.7.2022 Appointed 2018	Vickie lives in Bishops Cleeve and has a child at Grangefield. After gaining a degree in psychology from Nottingham Trent university, her career has allowed her to gain skills and experience in marketing, market research, strategy and data analysis. Now the Head of Insight and Consultancy services at UCAS she puts these skills to effect, using data insight and survey responses to shape its strategies, products and services. Working at the other end of the education spectrum (UCAS is focused on Higher Education), Vickie knows exactly how important it is to raise aspiration at an early age and is therefore passionate about helping Grangefield's pupils reach their potential, growing them into confident and successful young people, well equipped to continue their education to the next stage. 	Jo Powell	Parent Governor	20.11.2019- 20.11.23 Appointed 2019	Jo is a qualified secondary school teacher, with a Masters in Sport and Exercise Psychology from Loughborough University and a PhD from the University of Exeter. It was during her research that she first became aware of the transformative power of mindfulness. It is developing and delivering mindfulness-based well-being programmes in schools and the community where Jo sees her future. With increasingly stretched mental health services and a growing crisis in young people's emotional well-being, Jo is passionate about using her experience to make a positive difference. Jo has competed as an elite distance runner on the track and road. She continues to run for health and fitness. She currently has two daughters at Grangefield.
