Well done to Snowy Owls who got the most Owl Points this term!

What have we been up to?

All the children have had fun working with a potter this week to produce a collaborative piece of work to celebrate the 20th anniversary of the school opening. The children have all made a tile which will be put together to make a 2D pottery owl. This will hopefully be mounted at the front of the school next term.

We currently have a blackbird nesting near the school reception area who is very busy going to and from her nest feeding her hungry chicks!

The Owl Trail entries are in!!

FOGS have been overwhelmed by the amount of entries received for our Owl Trail Colouring competition.

The standard is incredibly high, our children have put in a huge amount of effort, thought and creativity!

Judging will take place during half term with winners announced once we are back to school.

Please contact GrangefieldPTA@grangefield.gloucs.sch.uk if you would like to find out more about FOGS and how you can help support our school

Cheltenham Science Festival (10th-13th June)

Our whole school Science Week is the second week back after half term (week commencing 14.6). As part of this, there are 2 competitions that the children can enter (all optional, but it would be fantastic to see as many children enter as possible):

Children are invited to ask a question, carry out an investigation and produce something (a presentation, poster, film, or model) to show how they have investigated and answered their question, ready to share at our Science fair on Friday 18th June. Certificates will be awarded to all entrants - there will also be prizes and trophies!

If you would like to enter this competition, please complete the entry form as soon as possible and send the entry form back to school no later than Friday 11th June.

The finished piece of work does not need to be brought into school until Friday 18th June.

The second competition involves the chance to design the winners' trophies to the above competition. ***Entries for this competition are due on Monday 7th June***.

You can find information about family events on the festival website [here](#).

School Uniform

We have received information from the school uniform supplier that the Covid-19 pandemic has severely impacted manufacturers and suppliers worldwide – demand for uniform will be high and they want to make sure you have every opportunity to order what you need early. They advise buying new school uniform in June/July ready for the next school year. The link to the Schooltogs website can be found [here](#).
