Year 6 have been busy in their Science lesson this week classifying leaves using keys and then sorting them using either a Venn diagram or a Carroll diagram.

Science Fair

The end of Grangefield Science week was marked by a Science Fair competition. Children were asked to think of a question to investigate; carry out that investigation; and then present their findings in whatever way they wished. There were more than 30 entries in all and the judges were very impressed by the ideas and general 'fab-ness' which made judging very difficult. But winners had to be chosen and so the winners were:

Phase 1 - Evie 1A
Phase 2 - Samuel 3A
Phase 3 - Palak 5B

With "Special mentions" going to
Phase 1 - Oscar G; and Ben S
Phase 2 - Libby; Elliott & Eliza
Phase 3 - Victoria; James; and Zunairah

Huge congratulations both to the winners and everyone who entered. It was so lovely to see just what super science brains there are in school!

Just under two weeks left for your chance to enter The Big PTA Summer Raffle and be in with a chance of winning one the amazing cash prizes!

Parking near the school

We have had a number of emails from parents recently regarding the parking situation near the school. We have also had a visit from the police this week to discuss parking concerns as well as emails from local residents. Please do not park on the pavements obstructing the cycle path or close to the roundabout on Voxwell Lane.

Scholastic Books

If you buy books through Scholastic books then every time you make a purchase the school could receive money towards free books for the school library. You can find more information here <https://shop.scholastic.co.uk/free-books>

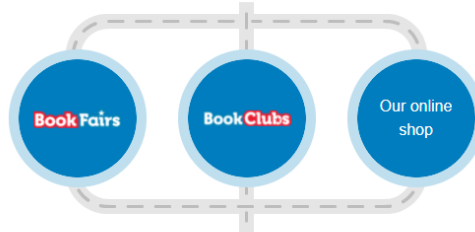

How it works

Spending with Scholastic earns free books for your school to stock their library full of the best new books and resources.

Piano / Guitar / Ukulele lessons

Expressions of interest in these instrumental lessons from September are invited for new students between Years 1 and 6. Lessons will be weekly, with timetables confirmed at the start of term. Piano lessons are all individual. If two or more students express an interest in Ukulele then group lessons are possible. Individual lessons are £12 each, and group lessons are £7.50 each. I am expecting to teach twelve lessons in the term to Christmas.

Please email sl@stephenlafferty.com or call 07950 189186 to express interest for your child, or ask any questions about lessons.
