

## Grangefield School

### Safeguarding and Child Protection Policy

**Status: STATUTORY**

**Date of Policy:** September 2023 (Reviewed in line with latest DfE guidance – ‘Keeping Children Safe in Education’ September 2023);

**Date of Policy Review:** September 2024

**Responsibility of:** The Governing Body of Grangefield School

This policy was adopted by the Governing Body of Grangefield School in conjunction with the Headteacher (HT), staff, and Safeguarding Children’s Board representatives. It will be reviewed on an annual basis by the HT and named governors for Safeguarding and Health and Safety, with direct reference being made to the Gloucestershire Safeguarding Children Partnership (GSCP) Audit of statutory duties.

Further Guidance can be found at: [www.gloucestershire.gov.uk/gscp](http://www.gloucestershire.gov.uk/gscp)

The policy was approved by the Governing Body on:

FGB September 2023

Date of Publication:

4<sup>th</sup> September 2023

**Designated Safeguarding Lead:**

Mrs K Lewis

## SECTION.1: INTRODUCTION

Everyone at Grangefield School fully recognises its responsibility, under section 175 of the Education Act 2002, to safeguard and promote the welfare of children; and to work together with other agencies to ensure there are adequate arrangements within our school to identify, assess and support those children who may be suffering harm.

This policy is based on the Department for Education's statutory guidance [Keeping Children Safe in Education \(2023\)](#) and [Working Together to Safeguard Children \(2018\)](#), and the [Governance Handbook](#). We comply with this guidance and the arrangements agreed and published by our 3 local safeguarding partners.

This policy is also based on the following legislation:

- Section 175 of the [Education Act 2002](#), which places a duty on schools and local authorities to safeguard and promote the welfare of pupils
- [The School Staffing \(England\) Regulations 2009](#), which set out what must be recorded on the single central record and the requirement for at least one person conducting an interview to be trained in safer recruitment techniques
- [The Children Act 1989](#) (and [2004 amendment](#)), which provides a framework for the care and protection of children
- Section 5B(11) of the Female Genital Mutilation Act 2003, as inserted by section 74 of the [Serious Crime Act 2015](#), which places a statutory duty on teachers to report to the police where they discover that female genital mutilation (FGM) appears to have been carried out on a girl under 18
- [Statutory guidance on FGM](#), which sets out responsibilities with regards to safeguarding and supporting girls affected by FGM
- [The Rehabilitation of Offenders Act 1974](#), which outlines when people with criminal convictions can work with children
- Schedule 4 of the [Safeguarding Vulnerable Groups Act 2006](#), which defines what 'regulated activity' is in relation to children
- [Statutory guidance on the Prevent duty](#), which explains schools' duties under the Counter-Terrorism and Security Act 2015 with respect to protecting people from the risk of radicalisation and extremism
- [The Human Rights Act 1998](#), which explains that being subjected to harassment, violence and/or abuse, including that of a sexual nature, may breach any or all of the rights which apply to individuals under the European Convention on Human Rights (ECHR)
- [The Equality Act 2010](#), which makes it unlawful to discriminate against people regarding particular protected characteristics (including disability, sex, sexual orientation, gender reassignment and race). This means our governors and headteacher should carefully consider how they are supporting their pupils with regard to these characteristics. The Act allows our school to take positive action to deal with particular disadvantages affecting pupils (where we can show it's proportionate). This includes making reasonable adjustments for disabled pupils. For example, it could include taking positive action to support girls where there's evidence that they're being disproportionately subjected to sexual violence or harassment
- [The Public Sector Equality Duty \(PSED\)](#), which explains that we must have due regard to eliminating unlawful discrimination, harassment and victimisation. The PSED helps us to focus on key issues of

concern and how to improve pupil outcomes. Some pupils may be more at risk of harm from issues such as sexual violence; homophobic, biphobic or transphobic bullying; or racial discrimination

- The [Childcare \(Disqualification\) and Childcare \(Early Years Provision Free of Charge\) \(Extended Entitlement\) \(Amendment\) Regulations 2018](#) (referred to in this policy as the “2018 Childcare Disqualification Regulations”) and [Childcare Act 2006](#), which set out who is disqualified from working with children

This policy also takes on board procedures and guidance set out by GSCP. (Inter-agency Child Protection and Safeguarding Children Procedures) [www.gloucestershire.gov.uk/gscp](http://www.gloucestershire.gov.uk/gscp)

All staff attended a Safeguarding update in September 2023 to highlight the changes from ‘Keeping Children Safe in Education 2022’ to ‘Keeping Children Safe in Education 2023’. All staff are required to read and acknowledge that they have read and understood Part One, Part Five and Appendix B.

## 1.1 Definition of Safeguarding:

### What is meant by ‘Safeguarding’?

Safeguarding and promoting the welfare of children is defined as:

*‘protecting children from maltreatment; preventing impairment of children’s health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all children to have the best outcomes’*

Keeping Children Safe in Education September 2023

### What is meant by ‘Child protection’?

*‘Child protection refers to part of safeguarding and promoting welfare. This refers to the activity that is undertaken to protect specific children who are suffering, or are likely to suffer, significant harm.’*

Working Together 2018 Appendix A Glossary

**Abuse** is a form of maltreatment of a child, and may involve inflicting harm or failing to act to prevent harm. Appendix 1 explains the different types of abuse.

**Neglect** is a form of abuse and is the persistent failure to meet a child’s basic physical and/or psychological needs, likely to result in the serious impairment of the child’s health or development. Appendix 1 defines neglect in more detail.

**Sharing of nudes and semi-nudes** (also known as sexting or youth produced sexual imagery) is where children share nude or semi-nude images, videos or live streams.

**Children** includes everyone under the age of 18.

The following 3 **safeguarding partners** are identified in Keeping Children Safe in Education (and defined in the Children Act 2004, as amended by chapter 2 of the Children and Social Work Act 2017). They will make

arrangements to work together to safeguard and promote the welfare of local children, including identifying and responding to their needs:

- The local authority (Gloucestershire County Council)
- Integrated care boards (previously known as clinical commissioning groups) for an area within the LA (Gloucestershire Integrated care board)
- The chief officer of police for a police area in the LA area (Gloucestershire Constabulary)

**Victim** is a widely understood and recognised term, but we understand that not everyone who has been subjected to abuse considers themselves a victim, or would want to be described that way. When managing an incident, we will be prepared to use any term that the child involved feels most comfortable with.

**Alleged perpetrator(s) and perpetrator(s)** are widely used and recognised terms. However, we will think carefully about what terminology we use (especially in front of children) as, in some cases, abusive behaviour can be harmful to the perpetrator too. We will decide what's appropriate and which terms to use on a case-by-case basis.

**Safeguarding is what we do for all children** and Child Protection is what we do for children who have been harmed or are at significant risk of being harmed.

## 1.2 Safeguarding Mission Statement

**'Safeguarding is the responsibility of EVERYONE at Grangefield School'**

**If at any point there is immediate risk of serious harm to a child a referral must be made to social care immediately or dial 999. Anybody can make a referral.**

### Overview

**This Safeguarding Policy applies to all Governors, employees (including supply and peripatetic staff), volunteers and people using the school. They must all acknowledge that:**

- The child's welfare is of paramount importance and all children have the right to be protected from abuse and neglect.
- All employees and volunteers will receive safeguarding training appropriate to their designation. This is to ensure that they are aware of the signs and symptoms of abuse and neglect, how to identify children who may benefit from early help, and raise awareness of the wide range of safeguarding issues and how to help to respond and support the children in their care.
- Children who are being abused, neglected or at risk of harm will only tell people they trust and with whom they feel safe and that any member of staff needs to be able to respond appropriately to a child who discloses evidence of abuse or raises other concerns about their welfare.
- It is essential that a member of staff's own practice and behaviour puts children's welfare first and cannot be misconstrued in any way and does not contravene accepted good practice.
- All staff and volunteers must be made aware that they should report any concerns about safeguarding practice or any concerns about staff to the Head Teacher (or Chair of Governors if concern is regarding the Headteacher) or to the Local Authority LADO, Ofsted or NSPCC

Whistleblowing help line or website. Staff should not assume someone is taking action and sharing information that might safeguard a child.

**There are three main elements to our school's safeguarding policy:**

- 1. PREVENTION** (positive and safe school environment, careful and vigilant teaching, accessible pastoral care, support to pupils, good adult role models).
- 2. PROTECTION** (agreed procedures are followed, staff are trained and supported to respond appropriately and sensitively to safeguarding concerns).
- 3. SUPPORT** (to pupils, who may have been at risk of significant harm and the way staff respond to their concerns and any work that may be required).

Everyone at Grangefield School recognises the fact that they do not operate in isolation. Safeguarding is the responsibility of all adults and especially those working or volunteering with children. The school aims to help protect the children in its care by working consistently and appropriately with all agencies to reduce risk and promote the welfare of children. All professionals work within the same child protection/safeguarding procedures.

**1.3 Staff, volunteers & Governors work together in partnership with pupils and parents to:**

- Maintain and continue to create an environment in which all children and young people feel safe, secure, valued and respected and where they can learn and fully develop.
- Establish and maintain an environment where children are encouraged to talk, and are listened to when they have a worry or concern. Ensure children know they can approach a trusted adult at Grangefield if they are worried.
- Ensure our children are equipped with the skills they need to keep themselves safe.
- Ensure all Grangefield staff members maintain a **culture of vigilance** and have an attitude of '**it could happen here**' where safeguarding is concerned and that when issues arise about the welfare of a child, staff members always act in the interests of the child.
- Establish and maintain an environment where school staff and volunteers are encouraged to share and are listened to when they have concerns about the safety and well-being of a child.
- Provide a safe space for pupils who are LGBTQ+ to speak out and share their concerns
- Reinforce the importance of online safety when communicating with parents and carers. This includes making parents and carers aware of what we ask children to do online (e.g. sites they need to visit or who they'll be interacting with online)
- Ensure that all staff know the procedures for reporting a concern or making a child protection referral and that staff are well equipped to spot signs of abuse or a child in need of early help for a variety of reasons.
- Ensure that all staff are prepared to identify children who may benefit from early help.
- Ensure that any children who have been abused will be supported in line with a child protection plan, where deemed necessary.
- Include opportunities in the curriculum for children to develop the skills they need to recognise and stay safe from abuse or from other areas of risk as part of a broad and balanced curriculum.

- Contribute to the Spiritual, Moral, Social and Cultural (SMSC) development of children as well as other key aspects of a young person's well-being (being healthy, staying safe, enjoying and achieving, making a positive contribution and achieving economic well-being).
- Ensure that we have suitable staff by adhering stringently to safer recruitment processes and ensuring any unsuitable behaviour is reported and managed quickly using the Allegations Management procedures.

## 1.4 AIMS

### The aims of this policy are:

- To raise the awareness of **all school stakeholders** of the importance of child protection and safeguarding pupils and of their responsibilities for identifying and reporting actual or suspected abuse, neglect or concerns about a child's welfare .
- To ensure pupils and parents are aware that the school takes the safeguarding agenda seriously and will follow the appropriate procedures for identifying and reporting abuse, neglect or concerns about a child's welfare and for dealing with allegations against staff.
- To provide a systematic means of monitoring children known or thought to be at risk of harm, and ensure we, the school, contribute to assessments of need and support packages for those children.
- To develop a structured procedure within the school, which will be followed by all members of the school community in cases of suspected abuse, and is based upon good levels of communication
- To promote effective liaison with other agencies in order to work together for the protection of all pupils.
- To ensure that all staff working within our school who have substantial access to children have been checked as to their suitability, including verification of their identity, qualifications, and a satisfactory DBS check, a prohibition check where relevant (according to guidance), and a central record is kept for audit.
- To support pupils' development in ways which will foster security, confidence and independence.
- To integrate a safeguarding curriculum within the existing curriculum allowing for continuity and progress through all key stages.
- To take account of and inform policy in related areas such as discipline, bullying, staff and pupil behaviour policies and on-line safety.

## SECTION.2: STATUTORY FRAMEWORK

In order to safeguard and promote the welfare of children, we will act in accordance with the legislation and guidance Outlined in **Section 1** (Introduction)

Working Together to Safeguard Children (DfE 2018) requires all schools to follow the procedures for protecting children from abuse which are established by the GSCP. Schools are also expected to ensure that they have appropriate procedures in place for responding to situations in which they believe that a child has been abused or are at risk of abuse - these procedures should also cover circumstances in which a member of staff is accused of, or suspected of, abuse.

Furthermore, Keeping Children Safe in Education (DfE September 2023) places the following responsibilities on all schools:

- All staff members should be aware of systems which support safeguarding and these should be explained as part of induction.
- All staff must understand the role of the DSL (Designated Safeguarding Lead) and the DDSLs (Deputy Designated Safeguarding Leads).
- All staff must recognise the contribution that the school can make to inter-agency working by providing a co-ordinated offer of early help for children with additional needs.
- Overall responsibility for safeguarding and child protection matters rest with the Designated Senior Person (referred to in 'Keeping Children Safe in Education (DfE, September 2022) as Designated Safeguarding Lead'). This responsibility cannot be delegated.
- Staff with the designated safeguarding lead responsibility should undergo updated child protection training at least annually and the multi-agency Child Protection refresher training bi-annually.
- Schools should be aware of and follow the procedures established by the Gloucestershire Safeguarding Children Partnership(GSCP).
- All staff should be alert to signs of abuse and know to whom they should report any concerns or suspicions.
- All concerns or discussions, decisions made and reasons for those decisions must be recorded staff using the school's electronic system CPOMS. Staff must be able to distinguish between a CONCERN, RISK OF HARM or IMMEDIATE DANGER.
- Training for all staff must be 'at least annually' (with regular updates as necessary). Basic GSCP Safeguarding training should be every 3 years.
- Schools should have procedures (of which all staff are aware) for handling suspected cases of abuse of pupils, including procedures to be followed if a member of staff is accused of abuse, or suspected of abuse.

**Keeping Children Safe in Education (DfE September 2023) also states:**

Governing bodies and proprietors should ensure there is an effective child protection policy in place together with:

- the school behaviour policy; known at Grangefield as the UBACUSUP Policy, the Anti-Bullying Policy, the On-line safety Policy;
- the staff behaviour policy; known at Grangefield as the Staff Code of Conduct;

- the safeguarding response to children who are missing or absent from education for prolonged periods and/or repeat occasions
- specific guidance about the role of the designated safeguarding lead (including the identity of the designated safeguarding lead and any deputies).

At Grangefield, these are provided to all staff, including those who are temporary, and volunteers are briefed on induction.

## **SECTION.3: OUR COMMITMENT TO EQUALITY**

Everyone at Grangefield will make sure that all children and young people have the same protection regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity. Some children have an increased risk of abuse, both online and offline, and additional barriers can exist for some children with respect to recognising or disclosing it. This policy supports our commitment to anti-discriminatory practice, recognising the additional needs of children from minority ethnic groups and disabled children and the barriers they may face, especially around communication.

### **3.1 Safeguarding Specific Vulnerable Groups**

Any child at Grangefield may benefit from early help (Please refer to early help section). However, every member of staff is expected to be particularly alert to the potential need for early help for any child who:

- May experience discrimination due to their race, ethnicity, religion, gender identification or sexuality.
- Are looked after or previously looked after.
- Has special educational needs and/or disabilities or health conditions.
- Are missing or absent from education for prolonged periods and/or repeat occasions.
- Is a young carer.
- Are asylum seekers.
- Have English as an additional language.
- Is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups, which could be a sign of child criminal exploitation.
- Is at risk of modern slavery, trafficking or exploitation.
- Are at risk of FGM, sexual exploitation, forced marriage.
- Is at risk of being radicalised or exploited.
- Is in a family circumstance presenting challenges for the child, such as temporary accommodation, drug and alcohol misuse, adult mental health issues and domestic abuse.
- Is misusing drugs or alcohol themselves.
- Has a family member in prison.
- Whose parent/carers has expressed an intention to remove them from school to be home educated.

## SECTION.4: ROLES AND RESPONSIBILITIES

### 4.1 School Safeguarding Responsibilities

The school will:

- **Abide by the Keeping Children Safe in Education September 2023 guidance**

Everyone who comes into contact with children and their families has a role to play in safeguarding children. School staff are particularly important as they are in a position to identify concerns early and provide help for children, to prevent concerns from escalating. Schools and their staff form part of the wider safeguarding system for children. This policy applies to all staff, volunteers and governors in the school and is consistent with the procedures of the 3 safeguarding partners. Our policy and procedures also apply to extended school and off-site activities.

The school plays a crucial role in preventative education. This is in the context of a whole-school approach to preparing pupils for life in modern Britain, and a culture of zero tolerance of sexism, misogyny/misandry, homophobia, biphobia, transphobia and sexual violence/harassment. This will be underpinned by our:

- Behaviour policy
- On-line safety policy
- Pastoral support system
- Planned programme of relationships, sex and health education (RSHE), which is inclusive and delivered regularly, tackling issues such as:
  - Healthy and respectful relationships
  - Boundaries and consent
  - Stereotyping, prejudice and equality
  - Body confidence and self-esteem
  - How to recognise an abusive relationship (including coercive and controlling behaviour)
  - The concepts of, and laws relating to, sexual consent, sexual exploitation, abuse, grooming, coercion, harassment, rape, domestic abuse, so-called honour-based violence such as forced marriage and female genital mutilation (FGM) and how to access support
  - What constitutes sexual harassment and sexual violence and why they're always unacceptable
- Give all staff an electronic copy of KCSIE'23 and ensure that Part One, Part Five and annex B are read and understood and staff have signed a declaration at the beginning of each year to say that they have read and understood the guidance.
- Have a child protection/Safeguarding policy with procedures which are in accordance with government guidance and refer to locally agreed inter-agency procedures put in place by the Safeguarding Partners.
- Appoint a lead Governor responsible for safeguarding practice within the school.
- Ensure that any weaknesses in child protection are remedied immediately.

- Appoint a Designated Safeguarding Lead who is a member of the Leadership Team and Deputies to provide adequate cover.
- Ensure that the DSL (usually) leads on the Prevent agenda.
- Have a named member of staff to support children who are Looked After Children (Designated teacher) who will work closely with the DSL where this post is held separately.
- Require teachers, staff and volunteers to read and implement the appropriate procedures as outlined by the Safeguarding Partners.
- Ensure that teachers, staff, supply staff, peripatetic staff, contractors and volunteers have completed Disclosure and Barring Service checks as per the safer recruitment guidance and that contacts within extended services require safer recruitment and safeguarding compliance.
- Undertake relevant safer recruitment and allegations management training.
- Ensure any external contractors using or on school premises are signed up to Safeguarding Procedures and ensure they follow guidelines on the use of restraint and comply with the safeguarding requirements, i.e. after school clubs.
- Ensure staff and volunteers comply with Safer Working practice for adults who work with children and young people in Education Settings.
- Sign up to the Gloucestershire Safeguarding Children Partnership alerts.
- Ensure that the relevant staff have undertaken appropriate training to contribute to multi-agency assessments of children.
- Ensure management of allegations procedures are implemented.
- Ensure staff work to the agreed code of conduct and safer working procedures.
- Recognise that children with special educational needs may be especially vulnerable to abuse and expect staff to take extra care to ensure their needs are protected.
- Have and use an Anti-Bullying Policy responding to any complaint of bullying or prejudice within the school. Have a member of staff as an Anti-Bullying Champion.
- Provide a safe space for pupils who are LGBT to speak out and share their concerns.
- Have an on-line safety policy in line with Safeguarding Partners requirements, which includes the expectations, applicable roles and responsibilities in relation to filtering and monitoring,
- Have a member of staff as an E-Safety Champion.
- Have a Whistle Blowing Policy where it is safe to discuss concerns.
- Have a safeguarding response to children who go missing or absent from education for prolonged periods and/or repeat occasions.
- Be aware of the needs of vulnerable groups, identify and action for all identified.
- Make policies available to parents and pupils via the school website.
- Provide education to children about safeguarding issues.
- Ensure the child's wishes and feelings are taken into account in respect to individual matters as well as safeguarding generally.
- Undertake an annual audit of safeguarding, using the GSCP Safeguarding Self Evaluation audit tool which will be shared with the Governing body leading to appropriate actions to ensure that the school is meeting all the requirements in line with national guidance, legislation and Safeguarding Partner guidance.
- Review the safeguarding policy at least annually.
- Standing item on safeguarding at full governing body meetings.

- Governors to have read and understood 'Keeping Children Safe in Education September 2023', 'Working Together to Safeguard Children' and undertaken relevant training.

**The school has a responsibility to work with other agencies on all safeguarding issues (both current and possible in the future) which may include:**

- Bullying including cyberbullying and prejudice based bullying
- Child exploitation – child sexual exploitation (CSE); county lines & trafficking; child criminal exploitation
- Children exposed to serious violent crime
- Children who are missing or absent from education for prolonged periods and/or repeat occasions
- Children missing from home or care, missing adults
- Children in the courts
- Children with family members in prison
- Domestic abuse
- Drugs and alcohol misuse
- Faith abuse
- Forced marriage
- Health and well-being - fabricated or induced illness; medical conditions; mental health and behaviour
- Homelessness
- Online - Sexting/grooming and other E safety issues
- Child-on-child abuse
- Private fostering
- Radicalisation/extremism – Prevent & Hate
- So called honour based violence - Female Genital Mutilation (FGM)
- Teenage relationship abuse
- Violence - gangs and youth violence; gender-based violence/violence against women and girls (VAWG); sexual violence and sexual harassment; violence linked to county lines

## **4.2 Designated Safeguarding Lead (DSL)**

**At Grangefield, the Designated Safeguarding Lead (DSL) and Deputy Safeguarding Leads are senior members of staff from the school leadership team, designated to take lead responsibility for:**

- Child protection and wider safeguarding in the school. This includes online safety, and understanding our filtering and monitoring processes on school devices and school networks to keep pupils safe online. The head leads on allegations against staff
- Keeping secure Child Protection, Children in Need and other plans, write records and reports.
- Safeguarding and Child Protection policy and procedures: lead in evaluation, review and revision, ensure available to staff and parents.
- Inducting staff/staff training/ensure staff are aware of safeguarding policy and procedure
- Providing advice, information and support to other staff/adults in the school and with other pastoral staff to pupils on safeguarding issues.
- Have a good understanding of harmful sexual behaviour .

- Have a good understanding of the filtering and monitoring systems and processes in place at our school
- Understanding (and participate in) early help assessments and process for early help.
- Liaising with the Local Authority and Local Safeguarding Children Executive.
- Discussing the local response to sexual violence and sexual harassment with police and local authority children's social care colleagues to prepare the school's policies.
- Be confident that they know what local specialist support is available to support all children involved (including victims and alleged perpetrators) in sexual violence and sexual harassment, and be confident as to how to access this support .
- Be aware that children must have an 'appropriate adult' to support and help them in the case of a police investigation or search .
- Working in partnership with other agencies; referrals and support; information sharing.
- Ensuring a culture of listening to children and taking account of their wishes and feelings.
- Undertaking a safeguarding evaluation/audit, report to the Leadership Team and Governing Body.

The DSL, Deputy DSL or Additional DDSL will always be available for school stakeholders (both in person, by telephone or through email) in the school to discuss any safeguarding concerns. To strengthen this, there are four additional senior leaders (Phase Leaders and SENCO) with the relevant training to provide safeguarding cover at all times e.g. the DSL may be on planned time away from the school for training etc. and the deputy off sick which could lead to unacceptable delay in protecting a child. In the absence of the DSL, all staff will be aware of which deputy DSL is available.

#### **Current DSL and DDSL responsibilities at Grangefield:**

**DSL (Designated Safeguarding Lead)** and designated teacher for CIC (Children in Care), CSE (Child Sexual Exploitation) and PREVENT duty is:

**Mrs Karen Lewis (Headteacher)** [head@grangefield.gloucs.sch.uk](mailto:head@grangefield.gloucs.sch.uk) Tel: 01242 671003

The overall responsibility for safeguarding and child protection rests with the DSL and this responsibility cannot be delegated (as per KCSIE September 2022).

**DDSL: Mrs Gemma Kydd (Deputy Headteacher)** [deputy@grangefield.gloucs.sch.uk](mailto:deputy@grangefield.gloucs.sch.uk) Tel: 01242 671003

**Additional Deputy DSL's are :**

**Mr Alex Allard (Phase One Leader)** [allard@grangefield.gloucs.sch.uk](mailto:allard@grangefield.gloucs.sch.uk)

**Mrs Laura Kay (Phase Two Leader)** [lkay@grangefield.gloucs.sch.uk](mailto:lkay@grangefield.gloucs.sch.uk)

**Mrs Deborah Phillips (Phase Three Leader)** [dphillips@grangefield.gloucs.sch.uk](mailto:dphillips@grangefield.gloucs.sch.uk)

**Ms Nikki Green (SENCO)** [SENCO@grangefield.gloucs.sch.uk](mailto:SENCO@grangefield.gloucs.sch.uk)

In addition the Children and Families Support Worker, Mrs Ali Lack, also has the full DSL training.

Tel: 01242 671003

### 4.3 Head Teacher

At Grangefield School the Head Teacher is the DSL and in the head teachers absence the Deputy Head takes on these responsibilities.

The headteacher is responsible for the implementation of this policy, including:

- Ensuring that staff (including temporary staff) and volunteers:
  - Are informed of our systems which support safeguarding, including this policy, as part of their induction
  - Understand and follow the procedures included in this policy, particularly those concerning referrals of cases of suspected abuse and neglect
- Communicating this policy to parents/carers when their child joins the school and via the school website.
- Ensuring that the DSL has appropriate time, funding, training and resources, and that there is always adequate cover if the DSL is absent.
- Ensuring that all staff undertake appropriate safeguarding and child protection training, and updating the content of the training regularly.
- Acting as the 'case manager' in the event of an allegation of abuse made against another member of staff or volunteer, where appropriate .
- Making decisions regarding all low-level concerns, though they may wish to collaborate with the DDSL on this (HT is DSL).
- Ensuring the relevant staffing ratios are met, where applicable.
- To make sure that online safety training is included in staff safeguarding and child protection training.
- To oversee the safe use of technology, mobile phones and cameras in the EYFS setting.

### 4.4 Governance

Grangefield has a Nominated Safeguarding Governor who takes the lead responsibility for the Governing Body and works closely with the Designated Safeguarding Lead and Chair of Governors on safeguarding issues.

The responsibilities of the Governing body in relation to safeguarding are outlined in KCSIE'22 and Ofsted Inspecting safeguarding in early years, education and skills settings.

At Grangefield, the Governing Body plays a crucial role in that it must ensure that governors comply with their duties under legislation. They must also have regard to this guidance to ensure that the policies, procedures and training at our school are effective and comply with the law at all times.

**The nominated governor for safeguarding & child protection including CSE, Prevent Duty and Children in Care at Grangefield is: Mr Dave Turl [turl@grangefield.gloucs.sch.uk](mailto:turl@grangefield.gloucs.sch.uk)**

**The governing body will:**

- Facilitate a whole-school approach to safeguarding, ensuring that safeguarding and child protection are at the forefront of, and underpin, all relevant aspects of process and policy development.

- Be aware of its obligations under the Human Rights Act 1998, the Equality Act 2010 (including the Public Sector Equality Duty), and our school's local multi-agency safeguarding arrangements .
- Appoint a link governor to monitor the effectiveness of this policy in conjunction with the full governing board. This is always a different person from the DSL.
- Prioritise the welfare of children and young people and creating a culture where staff are confident to challenge senior leaders over any safeguarding concerns.
- Ensure that an effective safeguarding / child protection policy is in place, together with a staff behaviour policy & code of conduct.
- Evaluate and approve this policy at each review, ensuring it complies with the law, any weaknesses in Child Protection are remedied immediately and that they hold the headteacher to account for its implementation.
- Ensuring that stakeholders, including parents/carers are made aware of the responsibilities of staff members with regard to child protection procedures through publication of the school's Child Protection Policy, on the school website.
- Ensuring that the school operates safer recruitment procedures by ensuring that there is at least one person on every recruitment panel that has completed Safer Recruitment training. Ensuring that the DSLs who are involved in recruitment and at least one member of the governing body will also complete safer recruitment training to be renewed every 5 years.
- Ensuring that the school has procedures for dealing with allegations of abuse against staff and volunteers and to make a referral to the DBS if a person in regulated activity has been dismissed or removed due to safeguarding concerns, or would have been had they not resigned.
- Ensuring that the Governing Body will ensure that child protection type concerns or allegations against adults working in the school are referred to the Local Authority Designated Officer Nigel Hatten, who is supported by Tracy Brooks, the Allegations Management Co-Ordinator. Nigel can be contacted on 01452 426994 or [nigel.hatten@gloucestershire.gov.uk](mailto:nigel.hatten@gloucestershire.gov.uk) and Tracy can be contacted on 01452 426320 or [tracy.brooks@gloucestershire.gov.uk](mailto:tracy.brooks@gloucestershire.gov.uk).
- That the chair of governors will act as the 'case manager' in the event that an allegation of abuse is made against the headteacher, where appropriate (see Section 11).
- Contributing to inter-agency working, which includes providing a coordinated offer of early help when additional needs of children are identified.
- Ensuring that The Governing Body considers how children may be taught about safeguarding and keeping themselves safe. This may be part of a broad and balanced curriculum covering relevant issues through personal social health and economic education (PSHE) and/or through sex and relationship education (SRE).
- Ensure that all governors will read Keeping Children Safe in Education in its entirety.
- The DSL has the appropriate status and authority to carry out their job, including additional time, funding, training, resources and support.

### **The governing body will make sure:**

- The DSL has the appropriate status and authority to carry out their job, including additional time, funding, training, resources and support.
- That all other staff, along with governors, have Safeguarding and child protection awareness training, to maintain their understanding of the signs and indicators of abuse, updated by the DSL as appropriate (minimum of annual).
- That the name of the designated members of staff for Child Protection, the DSL Officer, will be clearly advertised in the school, with a statement explaining the school's role in referring and monitoring cases of suspected abuse.
- That all members of staff and volunteers are provided with child protection awareness information at induction, the school safeguarding pamphlet, so that they know who to discuss a concern with.
- Make sure that the school has appropriate filtering and monitoring systems in place and review their effectiveness
- Review the DfE's filtering and monitoring standards, and discuss with IT staff and service providers about what needs to be done to support the school to meet these standards
- Make sure the DSL takes lead responsibility for understanding the filtering and monitoring systems in place as part of their role
- The leadership team and relevant staff are aware of and understand the IT filters and monitoring systems in place, manage them effectively and know how to escalate concerns.
- Make sure that all staff undergo safeguarding and child protection training, including online safety and that such training is regularly updated and is in line with advice from the safeguarding partners
- Make sure staff understand their expectations, roles and responsibilities around filtering and monitoring as part of safeguarding training.
- The school has procedures to manage any safeguarding concerns (no matter how small) or allegations that do not meet the harm threshold (low-level concerns) about staff members (including supply staff, volunteers and contractors). Section 11 of this policy covers this procedure.
- That this policy reflects that children with SEND, or certain medical or physical health conditions, can face additional barriers to any abuse or neglect being recognised .
- that an enhanced DBS check is in place for all Governors.
- Where another body is providing services or activities (regardless of whether or not the children who attend these services/activities are children on the school roll):
  - Seek assurance that the other body has appropriate safeguarding and child protection policies/procedures in place, and inspect them if needed.
  - Make sure there are arrangements for the body to liaise with the school about safeguarding arrangements, where appropriate.
  - Make sure that safeguarding requirements are a condition of using the school premises, and that any agreement to use the premises would be terminated if the other body fails to comply.

## 4.5 Staff

All staff and volunteers play a vital role in ensuring that all children are safe at Grangefield. It is expected that all staff and volunteers understand and fulfil their responsibilities, and are fully committed to the following:

### 4.5.1 Staff Conduct (Please also refer to Grangefield Staff Code of Conduct Policy)

- Treating all children with respect.
- Setting a good example by conducting ourselves appropriately.
- Involving children in decision-making which affects them.
- Encouraging positive and safe behaviour among children.
- Being a good listener.
- Being alert to changes in a child's behaviour.
- Recognising that challenging behaviour may be an indicator of abuse.
- Recognising that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation.
- Recognising the importance of reassuring victims that they are being taken seriously and that they will be supported and kept safe.
- Be alert to the fact that children can be at risk of harm inside and outside of their home, at school and online.
- Be alert to the fact that children who are (or who are perceived to be) lesbian, gay, bi or trans (LGBT) can be targeted by other children.
- Know what to look for to identify children who need help or protection.
- Reading and understanding all the school's safeguarding and guidance documents on wider safeguarding issues, for example bullying, physical contact, e-safety and information sharing.
- Asking the child's permission before doing anything for them which is of a physical nature, such as assisting with dressing, physical support during PE, music or administering first aid.
- Maintaining appropriate standards of conversation and interaction with and between children and avoiding the use of sexualised or derogatory language.
- Reinforce the importance of online safety when communicating with parents. This includes making parents aware of what we ask children to do online (e.g. sites they need to visit or who they'll be interacting with online).
- Maintaining professional standards and boundaries at all times on and off the school site, following the Code of Conduct.
- Being aware that the personal and family circumstance and lifestyles of some children lead to an increased risk of neglect and or abuse.
- Being aware of the early help process (sometimes known as the common assessment framework) and their role in it, including identifying emerging problems, liaising with the DSL, and sharing information with other professionals to support early identification and assessment.
- Be aware of the signs of different types of abuse and neglect, as well as specific safeguarding issues, such as child-on-child abuse, child sexual exploitation (CSE), child criminal exploitation (CCE), indicators of being at risk from or involved with serious violent crime, FGM, radicalisation and serious violence (including that linked to county lines) .

- Being aware that adverse childhood experiences (ACE's) can have a lasting impact throughout childhood. Impacting on their mental health, behaviour and education.
- Staff, volunteers & governors not being involved in any activity which is illegal and may pose a risk to children e.g. access to child pornography, extremist or radicalisation activities .
- Staff and volunteers declaring any offences or involvement with the police relevant to their employment.
- Understanding that where safeguarding or criminal issues occur in an employee's private life the impact of this on their suitability to work with children will be assessed with the support of the LADO/HR as appropriate.

#### **4.5.2 Staff training and induction (following both national and Safeguarding Partner guidance at all times)**

- All new staff, volunteers and Governors will receive Safeguarding induction to ensure understanding of the child protection/safeguarding policy.
- The DSL and deputies will attend multi-agency (Level 3) safeguarding training at least once every two years, attend safeguarding forums and keep up to date with recommendations from serious case reviews, changes to national and Safeguarding Partner policy and guidance.
- The whole school staff group will receive formal safeguarding training by a suitably qualified person at least every three years with regular and at least annual up-dates and notifications of any necessary changes, reminders being made available as required e.g. via email, e-bulletins, staff meetings.
- The link governor for safeguarding will receive formal safeguarding training at least once every three years with regular updates.

#### **4.5.3 Safer working practice**

- All staff & volunteers share that importance of safer working practices in that it ensures that pupils are safe.
- All staff & volunteers are aware of the expectations of this guidance and that they are working within this, that relevant training is given and advice, guidance or sanctions applied where guidance is not followed.
- All staff, volunteers and Governors are responsible for their own actions and behaviour and should avoid any conduct which would lead any reasonable person to question their motivation and intentions.
- All staff & volunteers work in an open and transparent way.
- All staff & volunteers discuss and/or take advice from school management over any incident which may give rise to concern.
- All staff & volunteers record any incidents with the actions and decisions made.
- All staff & volunteers apply the same professional standards regardless of gender, race, disability or sexuality.
- All staff & volunteers are aware of the confidentiality policy.

- All staff & volunteers are aware that breaches of the law and other professional guidelines could result in criminal or disciplinary action being taken against them.
- All staff & volunteers adhere to the relevant on-line policies related to the filtering and monitoring systems and use of technology both within and outside of school.

#### **4.5.4 Responding to signs of abuse or neglect**

- Staff need to have an attitude of 'it could happen here' where safeguarding is concerned.
- Through training, all staff need to be able to identify signs of abuse or neglect, as well as specific safeguarding issues, such as child-on-child abuse, child sexual exploitation (CSE), child criminal exploitation (CCE), indicators of being at risk from or involved with serious violent crime, FGM and radicalisation, and be able to identify cases of children who may be in need of help or protection.
- All staff should be vigilant, protective and discuss any concerns with the DSL who will refer to Social Care or other agencies where appropriate.
- Know what to do if they identify a safeguarding issue or a child tells them they are being abused or neglected, including specific issues such as FGM, and how to maintain an appropriate level of confidentiality while liaising with relevant professionals.
- Ensure that the DSL/staff are using the Levels of Intervention guidance ([www.gloucestershire.gov.uk/gscp](http://www.gloucestershire.gov.uk/gscp)) when making decisions about appropriate support or referral for a child.
- Staff ensure that all concerns must be recorded in line with Safeguard Partner guidance.
- When concerned about the welfare of a child, staff members should always act in the best interests of the child and recognise the importance of reassuring victims that they are being taken seriously and that they will be supported and kept safe.
- Staff should not assume someone is taking action and sharing information that might safeguard a child.

#### **4.6 Pupils**

At Grangefield, it is crucial that all pupils are protected and helped to keep themselves safe. To this end:

- All pupils have the right to be protected from abuse and neglect.
- All pupils should be confident that they are listened to at all times in relation to safeguarding concerns both relating to themselves or to other children and that these concerns will be acted upon.
- All pupils in the school are aware of staff who they can talk to. The names of the DSL/SEN Co/pastoral care workers etc. are available throughout the school in the form of posters.
- Pupils who are being abused, neglected or at risk of harm will be confident to tell people they trust and with whom they feel safe.
- All pupils should be confident that they are protected and helped to keep themselves safe from bullying, homophobic behaviour, racism, sexism, and other forms of discrimination.
- All pupils are taught, at an age-appropriate level, key aspects of safeguarding through PSHE (Jigsaw Curriculum) as a preventative measure e.g. child sexual exploitation at an age-appropriate level, the importance of keeping safe through the NSPCC PANTS programme and on-line resources such as

Childline and ThinkUKnow to develop their understanding of e-safety. As a result of this training, children will be confident to keep themselves safe.

- All children play their part in ensuring that behaviour is positive and consistent at all times.

#### 4.7 Parents

The school shares a purpose with parents to educate, keep children safe from harm and have their children's welfare promoted.

- Everyone at Grangefield is committed to working with parents positively, openly and honestly.
- We ensure that all parents are treated with respect, dignity and courtesy.
- We respect parents' rights to privacy and confidentiality and will not share sensitive information until we have permission or it is necessary to do so to protect a child.
- Where appropriate, we will discuss any concerns about a child with the child's parents or carers. The DSL will normally do this in the event of a suspicion or disclosure.
- Other staff will only talk to parents or carers about any such concerns following consultation with the DSL.
- If we believe that notifying the parents or carers would increase the risk to the child, we will discuss this with the local authority children's social care team before doing so.
- We encourage parents to disclose any concerns they may have.
- In the case of allegations of abuse made against other children, we will normally notify the parents or carers of all the children involved. We will think carefully about what information we provide about the other child involved, and when. We will work with the police and/or local authority children's social care to make sure our approach to information sharing is consistent.

The DSL/DDSL will, along with any relevant agencies (this will be decided on a case-by-case basis):

- Meet with the victim's parents or carers, with the victim, to discuss what's being put in place to safeguard them, and understand their wishes in terms of what support they may need and how the report will be progressed
- Meet with the alleged perpetrator's parents or carers to discuss support for them, and what's being put in place that will impact them, e.g. moving them out of classes with the victim, and the reason(s) behind any decision(s)
- We make parents aware of our Safeguarding and Child Protection Policies and parents are aware that these are on the school website.
- There is a commitment to work in partnership with parents or carers and in most situations it may be appropriate to discuss initial concerns with them. It should be recognised that there are circumstances however, where it would be inappropriate to discuss concerns with parents or carers and may in fact put the child at greater risk. This may include identification of sexual abuse, physical abuse cases where a parent may be responsible for the abuse and parents who may not be able to respond reasonably to the situation.

## 4.8 Others

- Virtual school heads have a non-statutory responsibility for the strategic oversight of the educational attendance, attainment and progress of pupils with a social worker. They should also identify and engage with key professionals, e.g. DSLs, SENCOs, social workers, mental health leads and others.
- Visitors with a professional role, such as the school nurse, social worker, educational psychologist or members of the Police will have been vetted to work with children through their own organisation
- All other professionals will be required to bring their identity badges on all visits and to wear these. They will complete signing in/out forms and wear a school I.D. badge if required to do so
- Supply teachers, Agency staff, third-party staff and contractors, will understand that the guidance in KCSIE 23 will be followed at all times

## SECTION.5: PREVENTION

We recognise that the school plays a significant part in the prevention of harm to our children by providing children with good lines of communication with trusted adults and an ethos of protection. All staff and governors also recognise that because of the day-to-day contact with children, they are well placed to observe the outward signs of abuse or other issues impacting a child (e.g. self-harm, low self-esteem, low-mood).

The school community will therefore:

- Ensure that all children know there is an adult whom they can approach if they are worried or in difficulty.
- Work to establish and maintain an ethos where children feel secure and are encouraged to talk and are always listened to.
- Include regular consultation with children e.g. through the school council, pupil questionnaires and involvement in anti-bullying week and other such events.
- Include opportunities across the curriculum, (SMSC/PSCHE/SRE), which equip pupils with the skills they need to stay safe from harm and know whom they should turn to for help (e.g. telephone helplines). In particular this will include anti-bullying work (including homophobic and transphobic bullying) and e-safety.
- Include opportunities in the curriculum to prepare for transitions. Transitions can be a time of great anxiety so considering additional emotional support young people may need is important (offer of early help) to keep children safe.
- Encouraging self-esteem and assertiveness through the curriculum whilst not condoning aggression or bullying.
- Liaising and working with all other services and agencies involved in safeguarding or supporting children where appropriate.
- Seeking early help for young people when concerns become apparent or notifying social care (via the Children's Helpdesk) as soon as there is a significant concern.

## **SECTION.6: OUR OFFER OF EARLY HELP (Please refer to Appendix 2 for further details)**

Everyone needs help at some time in their lives and therefore an ethos of early help is important for any school. We believe that early interventions for children or their families are more effective in promoting the welfare of children than reacting later. It means providing support as soon as a problem emerges.

At Grangefield, we recognise that any child may benefit from early help, but insist that staff should be particularly alert to the potential need for early help for a child who:

- is disabled and has specific additional needs
- has special educational needs (whether or not they have a statutory Education, Health and Care Plan)
- is a young carer
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups and may be at risk of child criminal exploitation
- is frequently missing/goes missing from care or from home
- is at risk of modern slavery, trafficking or exploitation
- is at risk of being radicalised or exploited
- is in a family circumstance presenting challenges for the child, such as drug and alcohol misuse, adult mental health issues and domestic abuse
- is misusing drugs or alcohol themselves
- has returned home to their family from care
- is a privately fostered child
- has a family member in prison

Schools such as ours are best placed to provide up-to-date guidance support and intervention on specific safeguarding issues when and if they arise. We will refer to appropriate agencies when help is required to support children, young people or families or to prevent harm. Families themselves should also feel empowered to make contact with the relevant professionals or agencies should they need help and support.

Our aim at Grangefield is to help pupils and families as early as possible when issues arise: 'offering the right help at the right time to stop any issues getting worse'. Early help is an approach not necessarily an action. It includes prevention education as well as intervention where necessary or appropriate. In some cases immediate urgent action might be necessary if a child or young person is at risk of immediate harm.

All staff at Grangefield are aware of the offer of early help. At all times all staff are asked to consider if there is any Offer of Early Help that we can make in order to help a child thrive. Parents will also benefit from having the Offer of Early Help information so that they can make decisions about where to go for professional help or support or where to ask questions when any need arises for their family. This applies not only to the children in our care at Grangefield but extends to families who may have concerns about older siblings.

It should be noted that our early help support will be kept under constant review and consideration will be given to referral to Children's Social Care if the child's situation does not appear to be improving. In order to do this, the school will work with other local agencies to identify children and families who would benefit from early help.

To this end, school staff with designated responsibility for providing early help will:

- Undertake an assessment of the need for early help.
- Make use of the graduated pathway for early help and service provided by the relevant Early Help Partnership (Tewkesbury [tewkesburyearlyhelp@gloucestershire.gov.uk](mailto:tewkesburyearlyhelp@gloucestershire.gov.uk) 01452 328250).
- Provide early help services e.g. Children and Family Support Worker, School Nurse, SENCO etc...
- Refer to appropriate services e.g. CYPS.
- Ensure that pupils have a choice of staff available to them to listen to their concerns or needs, for example, emotional health needs.

All staff will be supported in the following ways:

- Access to relevant training with a focus on how early help can support pupils.
- Access to an up-to-date register of early help.
- Access to GSCP website – [www.gloucestershire.gov.uk/gscp](http://www.gloucestershire.gov.uk/gscp).
- Support from senior members of staff with specific training in emotional health and well-being.

If an early help assessment is appropriate, the DSL will generally lead on liaising with other agencies and setting up an inter-agency assessment as appropriate. Staff may be required to support other agencies and professionals in an early help assessment, in some cases acting as the lead practitioner.

We will discuss and agree, with statutory safeguarding partners, levels for the different types of assessment, as part of local arrangements.

The DSL will keep the case under constant review and the school will consider a referral to local authority children's social care if the situation does not seem to be improving. Timelines of interventions will be monitored and reviewed.

**If anyone thinks a child or young person is at immediate risk of significant harm they should always call 999. Anyone can do this. In the case of needing medical help fast dial 111.**

## SECTION.7: CONFIDENTIALITY

We recognise that all matters relating to child protection are confidential.

- The Headteacher or DSLs will disclose any information about a child to other members of staff on a need to know basis only.
- The Headteacher or DSLs will disclose any information about a situation pertaining to safeguarding or child protection (anonymised) to the named safeguarding governor or Chair of Governors when appropriate.
- We will always undertake to share our intention to refer a child to Social Care with their parents /carers unless to do so could put the child at greater risk of harm, or impede a criminal investigation. If in doubt, we will consult with Gloucestershire Safeguarding Children Partnership (GSCP) on this point.

All staff are aware that:

- All staff must be aware that they have a professional responsibility to share information with other agencies in order to safeguard children.
- Timely information sharing is essential to effective safeguarding
- Fears about sharing information must not be allowed to stand in the way of the need to promote the welfare, and protect the safety, of children
- The Data Protection Act (DPA) 2018 and UK GDPR do not prevent, or limit, the sharing of information for the purposes of keeping children safe
- If staff need to share 'special category personal data', the DPA 2018 contains 'safeguarding of children and individuals at risk' as a processing condition that allows practitioners to share information without consent if it is not possible to gain consent, it cannot be reasonably expected that a practitioner gains consent, or if to gain consent would place a child at risk
- Staff should never promise a child that they will not tell anyone about a report of abuse, as this may not be in the child's best interests
- If a victim asks the school not to tell anyone about the sexual violence or sexual harassment:
  - There's no definitive answer, because even if a victim doesn't consent to sharing information, staff may still lawfully share it if there's another legal basis under the UK GDPR that applies
  - The DSL will have to balance the victim's wishes against their duty to protect the victim and other children
  - The DSL should consider that:
    - Parents or carers should normally be informed (unless this would put the victim at greater risk)
    - The basic safeguarding principle is: if a child is at risk of harm, is in immediate danger, or has been harmed, a referral should be made to local authority children's social care
    - Rape, assault by penetration and sexual assault are crimes. Where a report of rape, assault by penetration or sexual assault is made, this should be referred to the police. While the age of criminal responsibility is 10, if the alleged perpetrator is under 10, the starting principle of referring to the police remains

- Regarding anonymity, all staff will:
  - Be aware of anonymity, witness support and the criminal process in general where an allegation of sexual violence or sexual harassment is progressing through the criminal justice system.
  - Do all they reasonably can to protect the anonymity of any children involved in any report of sexual violence or sexual harassment, for example, carefully considering which staff should know about the report, and any support for children involved.
  - Consider the potential impact of social media in facilitating the spreading of rumours and exposing victims' identities.
- The government's [information sharing advice for safeguarding practitioners](#) includes 7 'golden rules' for sharing information, and will support staff who have to make decisions about sharing information.
- If staff are in any doubt about sharing information, they should speak to the designated safeguarding lead (or deputy).

## **SECTION.8: SUPPORT**

### **8.1 Supporting the child**

#### **8.1.1 The child's wishes**

Where there is a safeguarding concern, those involved should ensure the child's wishes and feelings are taken into account when determining what action to take and what services to provide. Systems are in place for children to express their views. Ultimately, all systems and processes should operate with the best interests of the child at their heart.

We recognise that a child who is abused or witnesses violence may feel helpless and humiliated, may blame themselves, and find it difficult to develop and maintain a sense of self-worth.

We recognise that the school may provide the only stability in the lives of children who have been abused or who are at risk of harm.

We accept that research shows that the behaviour of a child in these circumstances may range from that which is perceived to be normal to aggressive or withdrawn.

Our school will therefore support all children by:

- Encouraging self-esteem and self-assertiveness, through the curriculum as well as our relationships, whilst not condoning aggression or bullying.
- Promoting a caring, safe and positive environment within the school.
- Seeking support for children with mental health issues
- Liaising and working together with all other support services and those agencies involved in the safeguarding of children and offering Early Help.
- Notifying Social Care as soon as there is a significant concern.

Providing continuing support to a child about whom there have been concerns who leaves the school by ensuring that appropriate information is copied under confidential cover to the child's new setting and ensuring the school medical records are forwarded as a matter of priority.

#### **8.1.2 Pupils with Child Protection Plans**

Pupils who are the subject of a Child Protection Conference will have either an agreed multi-disciplinary action plan or child protection plan. The Designated Safeguarding Lead, nominated deputy or Children and Families Support Worker will attend planning meetings and core group meetings specified in the plan and contribute to assessments and plans.

The School recognises that pupils who are the subjects of abuse, neglect or who live in situations of domestic violence may exhibit distressed or challenging behaviour and may not be reaching their full academic potential. The school will ensure that appropriate support mechanisms are put in place to support pupils in school.

### **8.13 Pupils with special educational needs, disabilities or health issues**

We recognise that pupils with special educational needs (SEN) or disabilities or certain health conditions can face additional safeguarding challenges and are 3 times more likely to be abused than their peers. Additional barriers can exist when recognising abuse and neglect in this group, including:

- Assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's condition without further exploration.
- Pupils being more prone to peer group isolation or bullying (including prejudice-based bullying) than other pupils.
- The potential for pupils with SEN, disabilities or certain health conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any sign.
- Communication barriers and difficulties in managing or reporting these challenges.

We offer extra pastoral support for these pupils. This includes access to the SENCO, Children and Families Support Worker and Time to Talk.

Any abuse involving pupils with SEND will require close liaison with the DSL (or deputy) and the SENCO.

### **8.14 Pupils with a social worker**

Pupils may need a social worker due to safeguarding or welfare needs. We recognise that a child's experiences of adversity and trauma can leave them vulnerable to further harm as well as potentially creating barriers to attendance, learning, behaviour and mental health.

The DSL and all members of staff will work with and support social workers to help protect vulnerable children.

Where we are aware that a pupil has a social worker, the DSL will always consider this fact to ensure any decisions are made in the best interests of the pupil's safety, welfare and educational outcomes. For example, it will inform decisions about:

- Responding to unauthorised absence or missing education where there are known safeguarding risks.
- The provision of pastoral and/or academic support.

### **8.15 Looked-after and previously looked-after children**

We will ensure that staff have the skills, knowledge and understanding to keep looked-after children and previously looked-after children safe. In particular, we will ensure that:

- Appropriate staff have relevant information about children's looked after legal status, contact arrangements with birth parents or those with parental responsibility, and care arrangements.
- The DSL has details of children's social workers and relevant virtual school heads .

We have appointed a designated teacher, [Ms Nikki Green, SENCO], who is responsible for promoting the educational achievement of looked-after children and previously looked-after children in line with [statutory guidance](#).

The designated teacher is appropriately trained and has the relevant qualifications and experience to perform the role.

As part of their role, the designated teacher will:

- Work closely with the DSL to ensure that any safeguarding concerns regarding looked-after and previously looked-after children are quickly and effectively responded to.
- Work with virtual school heads to promote the educational achievement of looked-after and previously looked-after children, including discussing how pupil premium plus funding can be best used to support looked-after children and meet the needs identified in their personal education plans.

## **8.2 SUPPORTING STAFF**

We recognise that staff working in the school who have become involved with a child who has suffered harm, or appears to be likely to suffer harm may find the situation stressful and upsetting.

We will support such staff by providing an opportunity to talk through their anxieties with the DSLs and to seek further support as appropriate.

## SECTION.9: TRAINING

The Governing body at Grangefield Primary will ensure that all staff members undergo safeguarding and child protection training at induction. In addition, all staff members will receive regular safeguarding and child protection updates (for example, via email, e-bulletins, staff meetings) as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively.

Our Governing body recognises the expertise staff build up by undertaking safeguarding training and managing safeguarding concerns on a daily basis. Opportunity will therefore be provided for staff to contribute to and shape safeguarding arrangements.

This training will be regularly updated and will:

- Be integrated, aligned and considered as part of the whole-school safeguarding approach and wider staff training, and curriculum planning.
- Be in line with advice from the 3 safeguarding partners.
- Include online safety, including an understanding of the expectations, roles and responsibilities for staff around filtering and monitoring.
- Have regard to the Teachers' Standards to support the expectation that all teachers:
  - Manage behaviour effectively to ensure a good and safe environment
  - Have a clear understanding of the needs of all pupils

### All staff

All staff will have training on the government's anti-radicalisation strategy, Prevent, to enable them to identify children at risk of being drawn into terrorism and to challenge extremist ideas.

Staff will also receive regular safeguarding and child protection updates, including on online safety, as required but at least annually (for example, through emails, e-bulletins and staff meetings).

Volunteers will receive appropriate training, if applicable.

### The DSL and deputies

The DSL and deputies will undertake child protection and safeguarding training at least every 2 years.

In addition, they will update their knowledge and skills at regular intervals and at least annually (for example, through e-bulletins, meeting other DSLs, or taking time to read and digest safeguarding developments).

They will also undertake Prevent awareness training.

### Governors

All governors receive training about safeguarding and child protection (including online safety) at induction, which is regularly updated. This is to make sure that they:

- Have the knowledge and information needed to perform their functions and understand their responsibilities, such as providing strategic challenge.
- Can be assured that safeguarding policies and procedures are effective and support the school to deliver a robust whole-school approach to safeguarding.

As the chair of governors may be required to act as the 'case manager' in the event that an allegation of abuse is made against the headteacher, they receive training in managing allegations for this purpose.

#### Recruitment

At least 1 person conducting any interview for any post at the school will have undertaken safer recruitment training. This will cover, as a minimum, the contents of Keeping Children Safe in Education, and will be in line with local safeguarding procedures.

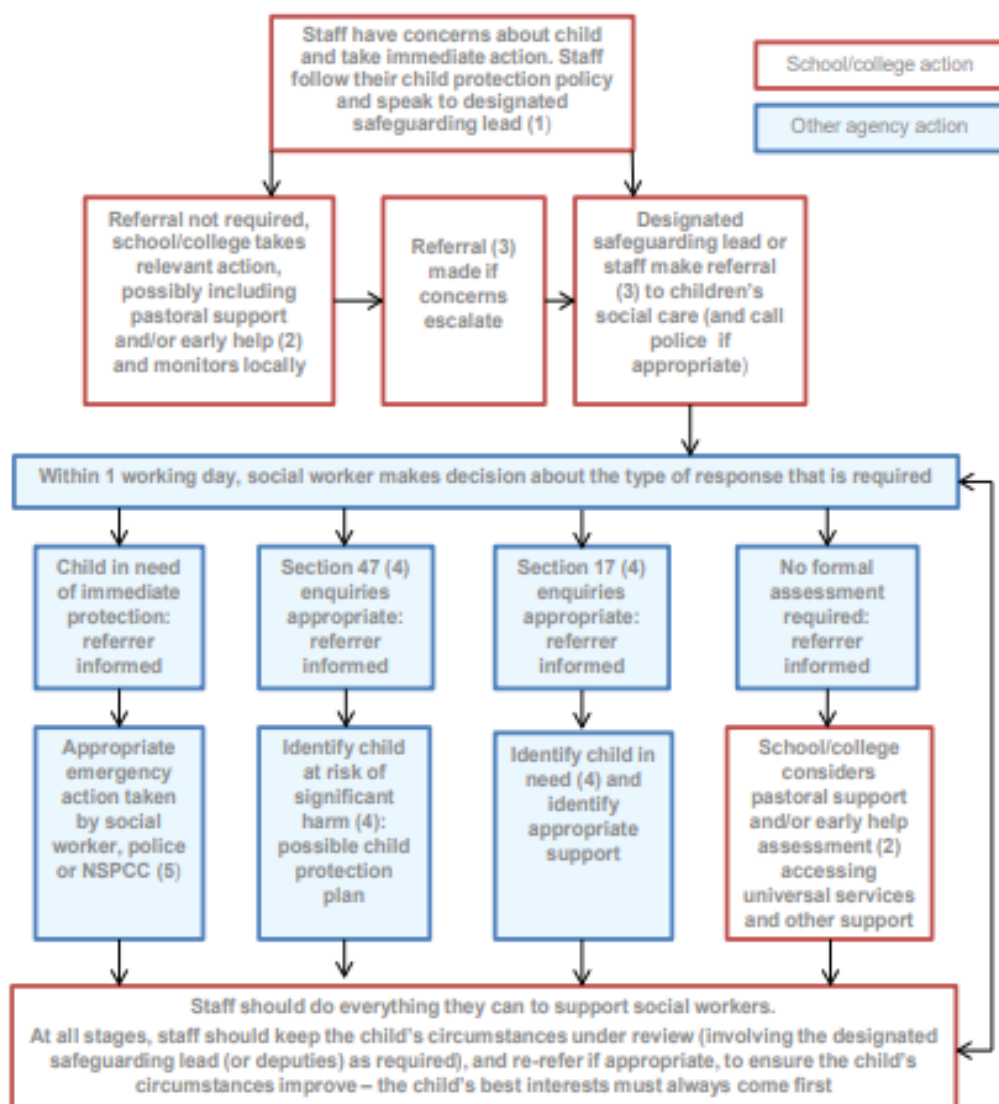

#### Staff who have contact with pupils and families

All staff who have contact with children and families will have supervisions which will provide them with support, coaching and training, promote the interests of children and allow for confidential discussions of sensitive issues.

## SECTION.10: THE CHILD PROTECTION REFERRAL PROCESS

**10.1 The GSCP (Gloucestershire Safeguarding Children's Partnership) website** sets out all of the child protection referral processes and also all of the relevant forms. This is a live website and is regularly updated so should not be printed ([www.gloucestershire.gov.uk/gscp](http://www.gloucestershire.gov.uk/gscp)).

KCSiE'23 also provides clear guidance (see flow-chart below)

(1) In cases which also involve a concern or an allegation of abuse against a staff member, see Part Four of this guidance.

(2) Early help means providing support as soon as a problem emerges at any point in a child's life. Where a child would benefit from co-ordinated early help, an early help inter-agency assessment should be arranged. Chapter one of [Working Together to Safeguard Children](#) provides detailed guidance on the early help process.

(3) Referrals should follow the process set out in the local threshold document and local protocol for assessment. Chapter one of [Working Together to Safeguard Children](#).

(4) Under the Children Act 1989, local authorities are required to provide services for children in need for the purposes of safeguarding and promoting their welfare. Children in need may be assessed under section 17 of the Children Act 1989. Under section 47 of the Children Act 1989, where a local authority has reasonable cause to suspect that a child is suffering or likely to suffer significant harm, it has a duty to make enquiries to decide whether to take action to safeguard or promote the child's welfare. Full details are in Chapter One of [Working Together to Safeguard Children](#).

(5) This could include applying for an Emergency Protection Order (EPO).

## 10.2 Responding to Disclosures – Guidance for staff

The guidelines set out in Appendix. 1 should be followed in the event of a child making a disclosure

### 10.3 Understanding the process:

1. A member of staff should raise any concern immediately with a member of the leadership team or one of the DSLs or DDSLs.
2. The DSL/DDSL may discuss concerns in principle with a social worker or social work manager and receive advice about whether a referral is appropriate to the children's helpdesk or social care or whether there are alternative ways of addressing their concerns. The DSL/DDSL should refer to the levels of intervention guidance on the GSCP website ([www.gloucestershire.gov.uk/gscp](http://www.gloucestershire.gov.uk/gscp)) and also the Levels of intervention (See Appendix.3) windscreen also on the website.

For some concerns an offer of 'early help' might be made to the family or young person to assist in making sure the issue or concern doesn't grow any greater. See Section 6 for further information on our offer of early help.

3a) If Staff need to make a referral, this is done via the Front Door for Children's services by completing a MARF on a portal called Liquid Logic. When a child is at immediate risk of significant harm, staff should continue to contact the Front Door on 01452 426565 (Option 1) and/or ring 999.

4. The DSL or DDSL should then discuss concerns with parents/carers of the child and explain what steps they will take next (if this does not put the child at further risk or affect a police investigation).

- **Child in need of services:** services are required when there are health or development concerns. These are determined through a core assessment and are appropriate when the child is judged not to be at risk of significant harm or any previous concerns have been resolved.
- **Child in need of Protection:** A Section 47 enquiry is required when it is judged there is suspected actual harm or likely significant harm to the child - the case is then passed onto the Children and Families Team. A core assessment is carried out and it may be decided that a Child Protection Conference is required, which should then be held within 15 working days.

### 10.4 Responding to signs of abuse or neglect

- Through training, all staff need to be able to identify signs of abuse or neglect and be able to identify cases of children who may be in need of help or protection
- They should be vigilant, protective and discuss any concerns with the DSL who will refer to Social Care or other agencies where appropriate
- DSL / staff will use the GSCP Levels of Intervention guidance when making decisions about appropriate support or referral for a child
- All concerns must be recorded in line with GSCP guidance
- Staff need to have an attitude of 'it could happen here' where safeguarding is concerned
- When concerned about the welfare of a child, staff members should always act in the best interests of the child.

## 10.5 Following up referrals

- The agency to which the referral was made e.g. Social Care, should inform the referrer of their action. Where this does not happen promptly the referrer should re contact the agency to which it made the referral to be assured that action is being taken or that alternative support is being recommended
- If after a referral the child's situation does not appear to be improving, the DSL should press for re-consideration
- It is essential that the school remains actively involved in support and plans even where another agency is taking the lead whether at early help, child in need or child protection level
- Where there is a difference of opinion with another agency and this cannot be resolved the GSCP Escalation guidance should be used.

## 10.6 Responding to a child at risk of or where an act of FGM has been carried out

Keeping Children Safe in Education explains that FGM comprises “all procedures involving partial or total removal of the external female genitalia, or other injury to the female genital organs”.

FGM is illegal in the UK and a form of child abuse with long-lasting, harmful consequences. It is also known as ‘female genital cutting’, ‘circumcision’ or ‘initiation’.

**Any teacher** who either:

- Is informed by a girl under 18 that an act of FGM has been carried out on her; or
- Observes physical signs which appear to show that an act of FGM has been carried out on a girl under 18 and they have no reason to believe that the act was necessary for the girl's physical or mental health or for purposes connected with labour or birth

Must immediately report this to the police, personally. This is a mandatory statutory duty, and teachers will face disciplinary sanctions for failing to meet it.

Unless they have been specifically told not to disclose, they should also discuss the case with the DSL and involve children's social care as appropriate.

**Any other member of staff** who discovers that an act of FGM appears to have been carried out on a **pupil under 18** must speak to the DSL and follow our local safeguarding procedures.

The duty for teachers mentioned above does not apply in cases where a pupil is *at risk* of FGM or FGM is suspected but is not known to have been carried out. Staff should not examine pupils.

**Any member of staff** who suspects a pupil is *at risk* of FGM or suspects that FGM has been carried out should speak to the DSL and follow the local safeguarding procedures.

All actions should be logged on CPOMs.

## 10.7 Responding to a concern about extremism

- If a child is not suffering or likely to suffer from harm, or in immediate danger, where possible speak to the DSL first to agree a course of action. Log any concerns on CPOMs.

- If in exceptional circumstances the DSL/DDSL is not available, this should not delay appropriate action being taken. Speak to another member of the senior leadership team and/or seek advice from local authority children's social care. Make a referral to local authority children's social care directly, if appropriate (see 'Referral' above). Inform the DSL or deputy as soon as practically possible after the referral.
- Where there is a concern, the DSL will consider the level of risk and decide which agency to make a referral to. This could include [Channel](#), the government's programme for identifying and supporting individuals at risk of being drawn into terrorism, or the local authority children's social care team.
- The Department for Education also has a dedicated telephone helpline, 020 7340 7264, which school staff and governors can call to raise concerns about extremism with respect to a pupil. You can also email [counter.extremism@education.gov.uk](mailto:counter.extremism@education.gov.uk). Note that this is not for use in emergency situations.
- In an emergency, call 999 or the confidential anti-terrorist hotline on 0800 789 321 if you:
  - Think someone is in immediate danger
  - Think someone may be planning to travel to join an extremist group
  - See or hear something that may be terrorist-related

## 10.8 Responding to a concern about mental health

Mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation.

Staff will be alert to behavioural signs that suggest a child may be experiencing a mental health problem or be at risk of developing one.

If you have a mental health concern about a child that is also a safeguarding concern, take immediate action by following the steps in Section 10.1.

If you have a mental health concern that is **not** also a safeguarding concern, speak to the SENCO to agree a course of action.

Log any concerns on CPOMs.

### Useful guidance:

1. Social Care referrals: the Front Door - telephone 01452 426565 (Option 1)
2. The Public Protection Bureau can be contacted via phoning 101

## SECTION.11: ALLEGATION MANAGEMENT

### 11.1 Allegations of abuse made against other children

Staff should recognise that children are capable of abusing their peers. Our child protection policy includes procedures to minimise the risk of child-on-child abuse and sets out how allegations of child-on-child abuse will be investigated and dealt with. More detailed guidance can be found in the 'Early Help' section found in Appendix.3

**This form of abuse should never be tolerated or passed off as “banter” or “part of growing up”.**

Whilst by no means an exhaustive list, child-on-child abuse can manifest itself in many ways:

- Physical abuse (biting, hitting, kicking, hair pulling etc...).
- Sexually harmful behaviour/sexual abuse (e.g. inappropriate sexual language, touching, sexual assault etc.).
- Bullying (physical, name calling, homophobic etc...).
- Cyber-bullying (use of mobile phones, instant messaging, email, chat, social media).
- Sexting.
- Initiation/Hazing (a form of initiation ceremony which is used to induct newcomers into an organisation).
- Prejudice Behaviour (prejudice-related bullying linked to disabilities and SEN, ethnic, cultural and religious, gender, home life and sexual identity).
- Teenage relationship abuse.
- Upskirting (when a photograph is taken under a person's clothing without them knowing, for sexual gratification or to cause the victim humiliation, distress or alarm) without their permission.

#### 11.12 Expected action taken from all staff

Although the type of abuse may have a varying effect on the victim and initiator of the harm, these simple steps can help clarify the situation and establish the facts before deciding the consequences for those involved in perpetrating harm.

It is important to deal with a situation of child-on-child abuse **immediately and sensitively**. It is necessary to gather the information as soon as possible to get the true facts around what has occurred to avoid a situation where child(ren) may have forgotten. It is equally important to deal with it sensitively and think about the language used and the impact of that language on both the children and the parents when they become involved. For example; do not use the word perpetrator, this can quickly create a 'blame' culture and leave a child labelled.

In all cases of child-on-child abuse it is necessary that all staff are trained in dealing with such incidents, talking to young people and instigating immediate support in a calm and consistent manner. Staff should not be prejudiced, judgemental, dismissive or irresponsible in dealing with such sensitive matters.

#### 11.13 Gather the facts

Speak to all the young people involved separately, gain a statement of facts from them and use consistent language and open questions for each account. The easiest way to do this is not to have a line of

questioning but to ask the young people to tell you what happened. Only interrupt the young person from this to gain clarity with open questions, 'where, when, why, who'. (What happened? Who saw the incident? What was seen? What was heard? Did anyone try to stop it?)

If from the information that you gather you believe any young person to be at risk of significant harm you must make a safeguarding referral to social care immediately (where a crime has been committed the police should be involved also). If this is the case, once social care has been contacted and made a decision on what will happen next, you will be informed on your next steps.

For child-on-child abuse, and where it is deemed that a child is not at risk of serious harm, the child protection procedures should be followed and a referral made to the Front Door (Tel: 01452 426565) Option 1. The response given will vary according to the age of the young person and the particular characteristics of the situation.

#### **11.14 Points to consider:**

##### **What is the age of the children involved?**

How old are the young people involved in the incident and is there any age difference between those involved? (In relation to sexual exploration, children under the age of 5, in particular 1-4 year olds who are learning toileting skills may show a particular interest in exploration at around this stage. This, however should not be overlooked if other issues arise (see following)

##### **Where did the incident or incidents take place?**

Was the incident in an open, visible place to others? If so, was it observed? If not, is more supervision required within this particular area?

##### **What was the explanation by all children involved of what occurred?**

Can each of the young people give the same explanation of the incident and also what is the effect on the young people involved? Is the incident seen to be bullying, for example, in which case regular and repetitive? Is the version of one young person different from another and why?

##### **What is each of the children's own understanding of what occurred?**

Do the young people know/understand what they are doing? E.g. do they have knowledge of body parts, of privacy and that it is inappropriate to touch? Is the young person's explanation in relation to something they may have heard or been learning about that has prompted the behaviour? Is the behaviour deliberate and contrived? Does the young person have understanding of the impact of their behaviour on the other person?

In dealing with an incident of this nature the answers are not always clear cut. If you are concerned or unsure as to whether or not there is any risk involved, please seek advice from Children's Helpdesk.

##### **Repetition**

Has the behaviour been repeated to an individual on more than one occasion? In the same way it must be considered has the behaviour persisted to an individual after the issue has already been discussed or dealt with and appropriately resolved?

## **Next Steps**

Once the outcome of the incident(s) has been established it is necessary to ensure future incidents of abuse do not occur again and consider the support and intervention required for those involved.

### **For the young person who has been harmed**

What support they require depends on the individual young person. It may be that they wish to seek counselling or one to one support via a trusted adult in school. It may also be that they feel able to deal with the incident(s) on their own or with support of family and friends. In which case it is necessary that this young person continues to be monitored and offered support should they require it in the future. If the incidents are of a bullying nature, the young person may need support in improving peer groups/relationships with other young people or some restorative justice work with all those involved may be required.

Other interventions that could be considered may target a whole class or year group for example a speaker on cyber bullying, relationship abuse etc. It may be that through the continued curriculum of PSHE and SMSC that certain issues can be discussed and debated more frequently.

If the young person feels particularly vulnerable it may be that a risk assessment can be put in place for them whilst in school so that they have someone named that they can talk to, support strategies for managing future issues and identified services to offer additional support. This will include considering school transport as a potentially vulnerable place for a victim or alleged perpetrator(s)

### **For the young person who has displayed harmful behaviour**

In this circumstance it is important to find out why the young person has behaved in such a way. It may be that the young person is experiencing their own difficulties and may even have been harmed themselves in a similar way. In such cases, support such as one to one mentoring or counselling may also be necessary. Particular support from identified services may be necessary through an early help referral and the young person may require additional support from family members.

Once the support required to meet the individual needs of the young person has been met, it is important that the young person receives a consequence for their behaviour. This may be in the form of restorative justice e.g. making amends with the young person they have targeted if this has been some form of bullying. In the cases of sexually harmful behaviour it may be a requirement for the young person to engage in one-to-one work with a particular service or agency (if a crime has been committed this may be through the police or youth offending service).

If there is any form of criminal investigation ongoing it may be that this young person cannot be educated on site until the investigation has concluded. In which case, the young person will need to be provided with appropriate support and education whilst off site. If the incident is a criminal offence and there are delays in the criminal process, the DSL will work closely with the police (and other agencies as required) while protecting children and/or taking any disciplinary measures against the alleged perpetrator. We will ask the police if we have any questions about the investigation.

Even following the conclusion of any investigation the behaviour that the young person has displayed may continue to pose a risk to others in which case an individual risk assessment may be required. This should

be completed via a multi-agency response to ensure that the needs of the young person and the risks towards others are measured by all of those agencies involved including the young person and their parents. This may mean additional supervision of the young person or protective strategies if the young person feels at risk of engaging in further inappropriate or harmful behaviour.

We will support children who have witnessed sexual violence, especially rape or assault by penetration. We will do all we can to make sure the victim, alleged perpetrator(s) and any witnesses are not bullied or harassed.

The school may also choose a punishment as a consequence, such as exclusion or internal exclusion/inclusion/seclusion for a period of time to allow the young person to reflect on their behaviour.

### **After care**

It is important that following the incident the young people involved continue to feel supported and receive help even if they have stated that they are managing the incident. Sometimes the feelings of remorse, regret or unhappiness may occur at a much later stage than the incident. It is important to ensure that the young people do not engage in any further harmful behaviour either towards someone else or to themselves as a way of coping (e.g. self-harm). In which case, regular reviews with the young people following the incident(s) are imperative.

### **11.15 Preventative Strategies**

At Grangefield we believe that it is important to develop appropriate strategies in order to prevent the issue of child-on-child abuse rather than manage the issues in a reactive way.

Firstly, and most importantly is the recognition that child-on-child abuse can and will occur on any site even with the most stringent of policies and support mechanisms. In which case it is important to continue to recognise and manage such risks and learn how to improve and move forward with strategies in supporting young people to talk about any issues and through sharing information with all staff.

This can be supported by ensuring that we have an open environment where young people feel safe to share information about anything that is upsetting or worrying them. This will be strengthened through a strong and positive PHSE/SMSC curriculum that tackles such issues as prejudiced behaviour and gives children an open forum to talk things through rather than seek one on one opportunities to be harmful to one another.

To enable such an open and honest environment it is necessary to ensure that the whole workforce feels confident and enabled to talk about issues and challenge perceptions of young people, including use of inappropriate language and behaviour towards one another. In order to create such an environment, leaders recognise the importance of whole staff training and CPD around abusive behaviours and talking to young people in a way that continues to create an open and honest environment without prejudice. It is incredibly important that staff do not dismiss issues as 'banter' or 'growing up' or compare them to their own experiences of childhood. It is necessary that staff consider each issue and each individual in their own right before taking action. If staff minimise the concerns raised it may result in a young person seeking no further help or advice.

It is important that signposting is available to young people in the event that they don't feel confident raising an issue to staff or a peer. ChildLine posters are displayed around school and the school makes use of the NSPCC for pupil workshops.

As professionals we will be alert to reports of sexual violence and/or harassment that may point to environmental or systemic problems that could be addressed by updating policies, processes and the curriculum, or could reflect wider issues in the local area that should be shared with safeguarding partners.

Finally, it is important that pupils have a voice in our school. Our school council encourages all children to follow our 'Golden Rules'. By doing this, we feel that a positive ethos in school will be created and a culture where all children understand the boundaries of behaviour before it becomes abusive.

## **11.2 Allegations of sexting (Sharing of nude and semi-nudes)**

### **Your responsibilities when responding to an incident**

If you are made aware of an incident involving the consensual or non-consensual sharing of nude or semi-nude images/videos (also known as 'sexting' or 'youth produced sexual imagery'), you must report it to the DSL immediately.

You must **not**:

- View, copy, print, share, store or save the imagery yourself, or ask a pupil to share or download it (if you have already viewed the imagery by accident, you must report this to the DSL).
- Delete the imagery or ask the pupil to delete it.
- Ask the pupil(s) who are involved in the incident to disclose information regarding the imagery (this is the DSL's responsibility) .
- Share information about the incident with other members of staff, the pupil(s) it involves or their, or other, parents and/or carers.
- Say or do anything to blame or shame any young people involved.
- You should explain that you need to report the incident, and reassure the pupil(s) that they will receive support and help from the DSL.

### **11.21 Initial review meeting**

Following a report of an incident, the DSL will hold an initial review meeting with appropriate school staff – this may include the staff member who reported the incident and the safeguarding or leadership team that deals with safeguarding concerns. This meeting will consider the initial evidence and aim to determine:

- Whether there is an immediate risk to pupil(s)
- If a referral needs to be made to the police and/or children's social care
- If it is necessary to view the image(s) in order to safeguard the young person (in most cases, images or videos should not be viewed)
- What further information is required to decide on the best response
- Whether the image(s) has been shared widely and via what services and/or platforms (this may be unknown)

- Whether immediate action should be taken to delete or remove images or videos from devices or online services
- Any relevant facts about the pupils involved which would influence risk assessment
- If there is a need to contact another school, college, setting or individual
- Whether to contact parents or carers of the pupils involved (in most cases parents/carers should be involved)

The DSL will make an immediate referral to police and/or children's social care if:

- The incident involves an adult
- There is reason to believe that a young person has been coerced, blackmailed or groomed, or if there are concerns about their capacity to consent (for example owing to special educational needs)
- What the DSL knows about the images or videos suggests the content depicts sexual acts which are unusual for the young person's developmental stage, or are violent
- The imagery involves sexual acts and any pupil in the images or videos is under 13
- The DSL has reason to believe a pupil is at immediate risk of harm owing to the sharing of nudes and semi-nudes (for example, the young person is presenting as suicidal or self-harming)

If none of the above apply then the DSL, in consultation with other members of staff as appropriate, may decide to respond to the incident without involving the police or children's social care. The decision will be made and recorded in line with the procedures set out in this policy.

#### **11.22 Further review by the DSL**

If at the initial review stage a decision has been made not to refer to police and/or children's social care, the DSL will conduct a further review to establish the facts and assess the risks.

They will hold interviews with the pupils involved (if appropriate).

If at any point in the process there is a concern that a pupil has been harmed or is at risk of harm, a referral will be made to children's social care and/or the police immediately.

#### **11.23 Informing parents/carers**

The DSL will inform parents/carers at an early stage and keep them involved in the process, unless there is a good reason to believe that involving them would put the pupil at risk of harm.

#### **11.24 Referring to the police**

If it is necessary to refer an incident to the police, this will be done through dialling 101.

#### **11.25 Recording incidents**

All incidents of sharing of nudes and semi-nudes, and the decisions made in responding to them, will be recorded on CPOMs.

## **11.26 Curriculum coverage**

Pupils are taught, in an age appropriate manner, about the issues surrounding the sharing of nudes and semi-nudes as part of our relationship's education and computing programmes.

## **11.3 ALLEGATIONS AGAINST STAFF**

All school staff should take care not to place themselves in a vulnerable position with a child. All Staff should be aware of the school's Guidance on Behaviour Issues, Staff Code of Conduct and the school's own Behaviour Policy. Guidance about conduct and safe practice, including safe use of mobile phones by staff and volunteers will be given at induction and is made clear in the staff code of conduct.

If you have concerns about a member of staff (including a supply teacher, volunteer or contractor), or an allegation is made about a member of staff (including a supply teacher, volunteer or contractor) posing a risk of harm to children, speak to the headteacher as soon as possible. If the concerns/allegations are about the headteacher, speak to the chair of governors.

The headteacher/chair of governors will then follow the procedures set out in appendix 6 if appropriate.

Where you believe there is a conflict of interest in reporting a concern or allegation about a member of staff (including a supply teacher, volunteer or contractor) to the headteacher, report it directly to the local authority designated officer (LADO).

If you receive an allegation relating to an incident where an individual or organisation was using the school premises for running an activity for children, follow our school safeguarding policies and procedures, informing the LADO, as you would with any safeguarding allegation.

Where appropriate, the school will inform Ofsted of the allegation and actions taken, within the necessary timescale (see appendix 3 for more detail).

See Appendix 6 for the full Allegations Against Staff Procedures Policy.

### **11.3.1 Allegation Management Thresholds**

The guidance should be used in respect of all cases in which it is alleged that a teacher or member of staff (including volunteers) at Grangefield that provides education has:

- behaved in a way that has harmed a child, or may have harmed a child;
- possibly committed a criminal offence against or related to a child; or
- behaved towards a child or children in a way that indicates he or she may pose a risk of harm to children.
- behaved or may have behaved in a way that indicates they may not be suitable to work with children – this includes behaviour taking place both inside and outside of school

We understand that a pupil may make an allegation against a member of staff. The procedures for dealing with allegations need to be applied with common sense and judgement. Many cases may well either not meet the criteria set out above, or may do so without warranting consideration of either a police

investigation or enquiries by local authority children's social care services. In these cases, local arrangements will be followed to resolve cases without delay.

Some rare allegations will be so serious they require immediate intervention by children's social care services and/or police. The designated officer(s) should be informed of all allegations that come to the school's attention and appear to meet the criteria so they can consult police and children's social care services as appropriate.

We will deal with any allegation of abuse quickly, in a fair and consistent way that provides effective child protection while also supporting the individual who is the subject of the allegation.

A 'case manager' will lead any investigation. This will be the headteacher, or the chair of governors where the headteacher is the subject of the allegation. The case manager will be identified at the earliest opportunity.

Our procedures for dealing with allegations will be applied with common sense and judgement.

### **Definitions for outcomes of allegation investigations**

In accordance to national guidance, the following definitions are used when determining the outcome of allegation investigations:

- Substantiated: there is sufficient evidence to prove the allegation;
- Malicious: there is sufficient evidence to disprove the allegation and there has been a deliberate act to deceive;
- False: there is sufficient evidence to disprove the allegation;
- Unsubstantiated: there is insufficient evidence to either prove or disprove the allegation. The term, therefore, does not imply guilt or innocence;
- Unfounded: to reflect cases where there is no evidence or proper basis which supports the allegation being made.

### **11.3.2 What to do if an allegation is made?**

If such an allegation is made, or information is received which suggests that a person may be unsuitable to work with children, the member of staff receiving the allegation or aware of the information, will immediately inform the Headteacher, who will then refer to the appropriate Local Authority Designated Officer (LADO).

### **Gloucestershire Local Authority Designated Officer (LADO): Nigel Hatton**

If the allegation made to a member of staff concerns the Headteacher, the person receiving the allegation will immediately inform the Chair of Governors who will then report this to the LADO without notifying the Headteacher first.

KCSiE 2022 and Gloucestershire GSCP procedures for managing allegations against teachers and other staff will be followed for both the investigation and support for the member of staff.

Suspension of the member of staff, excluding the Headteacher, against whom an allegation has been made, needs careful consideration, and the Headteacher will seek the advice of the LADO and relevant HR in making this decision.

In the event of an allegation against the Headteacher, the decision to suspend will be made by the Chair of Governors with advice as above.

We have a procedure for managing the suspension of a contract for a community user in the event of an allegation arising in that context.

**It should be noted that a referral to the Disclosure and Barring Service (DBS) must be made if a person in regulated activity has been dismissed or removed due to safeguarding concerns, or would have been had they not resigned.**

**This is a legal duty and failure to refer when the criteria are met is a criminal offence.**

## SECTION.12: WHISTLE-BLOWING

We recognise that children cannot be expected to raise concerns in an environment where staff fail to do so.

All staff should be aware of their duty to raise concerns, where they exist, about the management of child protection, which may include the attitude or actions of colleagues. If it becomes necessary to consult outside the school, they should speak in the first instance, to the LADO following the Whistleblowing Policy.

Whistle-blowing about the Headteacher should be made to the Chair of the Governing Body, whose contact details are readily available to staff in the school office.

If staff members have concerns about another staff member, then this should be referred to the Headteacher.

All staff and volunteers should feel able to raise concerns about poor or unsafe practice and potential failures in the school's safeguarding regime and know that such concerns will be taken seriously by the Leadership Team. Appropriate whistleblowing procedures are suitably reflected in the safeguarding induction and staff code of conduct policy to enable this to happen.

Where a staff member feels unable to raise an issue with the school or feels that their genuine concerns are not being addressed, other whistleblowing channels may be open to them:

The [NSPCC whistleblowing helpline](https://www.nspcc.org.uk/what-we-do/our-services/whistleblowing-helpline/) is available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call **0800 028 0285** – line is available from 8:00 AM to 8:00 PM, Monday to Friday and email: **help@nspcc.org.uk**

## SECTION.13: SAFEGUARDING AND OUR CURRICULUM

### 13.1 Safeguarding & Emotional Health and Wellbeing within the curriculum

Through PSHE and other curriculum contexts such as Sex Relationships Education (SRE), children at Grangefield are encouraged to talk about their feelings to deal assertively with pressures that they may face. Every opportunity is taken to teach children about safeguarding such as child sexual exploitation, healthy relationships, hate, Domestic Abuse and bullying, and forced marriage.

Children are listened to and provided with age-appropriate advice and guidance. They also know who they can turn to if they need help.

Key staff have undertaken Mental Health First Aid training and the school is aware of and makes full use of the outcomes from the on-line pupil survey.

The use of the Jigsaw Curriculum supports the delivery of this aspect of the curriculum.

### 13.2 Online safety

We recognise the importance of safeguarding children from potentially harmful and inappropriate online material, and we understand that technology is a significant component in many safeguarding and wellbeing issues.

To address this, our school aims to:

- Have robust processes (including filtering and monitoring systems) in place to ensure the online safety of pupils, staff, volunteers and governors
- Protect and educate the whole school community in its safe and responsible use of technology, including mobile and smart technology (which we refer to as 'mobile phones')
- Set clear guidelines for the use of mobile phones for the whole school community
- Establish clear mechanisms to identify, intervene in and escalate any incidents or concerns, where appropriate

#### The 4 key categories of risk

Our approach to online safety is based on addressing the following categories of risk:

- **Content** – being exposed to illegal, inappropriate or harmful content, such as pornography, fake news, racism, misogyny, self-harm, suicide, anti-Semitism, radicalisation and extremism
- **Contact** – being subjected to harmful online interaction with other users, such as peer-to-peer pressure, commercial advertising and adults posing as children or young adults with the intention to groom or exploit them for sexual, criminal, financial or other purposes
- **Conduct** – personal online behaviour that increases the likelihood of, or causes, harm, such as making, sending and receiving explicit images (e.g. consensual and non-consensual sharing of nudes and semi-nudes and/or pornography), sharing other explicit images and online bullying; and
- **Commerce** – risks such as online gambling, inappropriate advertising, phishing and/or financial scams

To meet our aims and address the risks above we will:

- Educate pupils about online safety as part of our curriculum. For example:

- The safe use of social media, the internet and technology
- Keeping personal information private
- How to recognise unacceptable behaviour online
- How to report any incidents of cyber-bullying, ensuring pupils are encouraged to do so, including where they are a witness rather than a victim
- Train staff, as part of their induction, on safe internet use and online safeguarding issues including cyber-bullying, the risks of online radicalisation, and the expectations, roles and responsibilities around filtering and monitoring. All staff members will receive refresher training at least once each academic year.
- Educate parents/carers about online safety via our website, communications sent directly to them and during parents' evenings. We will also share clear procedures with them so they know how to raise concerns about online safety.
- Make sure staff are aware of any restrictions placed on them with regards to the use of their mobile phone and cameras, for example that:
  - Staff are allowed to bring their personal phones to school for their own use, but will limit such use to non-contact time when pupils are not present
  - Staff will not take pictures or recordings of pupils on their personal phones or cameras
- Make all pupils, parents/carers, staff, volunteers and governors aware that they are expected to sign an agreement regarding the acceptable use of the internet in school, use of the school's ICT systems and use of their mobile and smart technology.
- Explain the sanctions we will use if a pupil is in breach of our policies on the acceptable use of the internet and mobile phones.
- Make sure all staff, pupils and parents/carers are aware that staff have the power to search pupils' phones, as set out in the [DfE's guidance on searching, screening and confiscation](#) .
- Put in place robust filtering and monitoring systems to limit children's exposure to the 4 key categories of risk (described above) from the school's IT systems.
- Carry out an annual review of our approach to online safety, supported by an annual risk assessment that considers and reflects the risks faced by our school community.
- Provide regular safeguarding and children protection updates including online safety to all staff, at least annually, in order to continue to provide them with the relevant skills and knowledge to safeguard effectively
- Review the child protection and safeguarding policy, including online safety, annually and ensure the procedures and implementation are updated and reviewed regularly

This section summarises our approach to online safety and mobile phone use. For comprehensive details about our school's policy on online safety and the use of mobile phones, please refer to our Online safety Policy, Staff Code of Conduct and Staff and Volunteer Acceptable Use Policy Agreement.

To support the teaching of online safety, the school subscribes to the [South West Grid for Learning \(SWGfL\) Boost+](#) package for teachers and parents.

### **13.2.1 Filters and Monitoring**

At Grangefield, we ensure that appropriate filters and appropriate monitoring systems are in place through the use of the SWGfL. The governing body recognises that whilst it is essential that appropriate filters and monitoring systems are in place, they are careful that “over blocking” does not lead to unreasonable restrictions as to what children can be taught with regards to online teaching and safeguarding.

The school community also recognises that the use of technology has become a significant component of many safeguarding issues. Child sexual exploitation; radicalisation; sexual predation; technology often provides the platform that facilitates harm. We believe that an effective approach to online safety empowers our school to protect and educate the whole school community in their use of technology and establishes mechanisms to identify, intervene and deal appropriately with any incident where appropriate. This is achieved through specific websites being identified on the main school website and the use of professionals to lead e-safety events for parents.

### **13.2.2 Artificial intelligence (AI)**

Generative artificial intelligence (AI) tools are now widespread and easy to access. Staff, pupils and parents/carers may be familiar with generative chatbots such as ChatGPT and Google Bard.

Grangefield School recognises that AI has many uses, including enhancing teaching and learning, and in helping to protect and safeguard pupils. However, AI may also have the potential to facilitate abuse (e.g. bullying and grooming) and/or expose pupils to harmful content. For example, in the form of 'deepfakes', where AI is used to create images, audio or video hoaxes that look real.

Grangefield School will treat any use of AI to access harmful content or bully pupils in line with this policy and our anti-bullying policy.

Staff should be aware of the risks of using AI tools whilst they are still being developed and should carry out risk assessments for any new AI tool being used by the school.

### **13.2.3 Information and support**

There is a wealth of information available to support schools and colleges to keep children safe online. The following is not exhaustive but should provide a useful starting point:

[NSPCC Sexting Advice](#)

[NSPCC Child Sexual Exploitation Advice](#)

[www.thinkuknow.co.uk](http://www.thinkuknow.co.uk)

[www.disrespectnobody.co.uk](http://www.disrespectnobody.co.uk)

[www.saferinternet.org.uk](http://www.saferinternet.org.uk)

[www.internetmatters.org](http://www.internetmatters.org)

[www.pshe-association.org.uk](http://www.pshe-association.org.uk)

[www.gov.uk/government/publications/the-use-of-social-media-for-online-radicalisation](http://www.gov.uk/government/publications/the-use-of-social-media-for-online-radicalisation)

## **13.3 Off Site Visits**

Off site visits will be the subject of a risk assessment. Safeguarding concerns or allegations will be responded to following the GSCE procedures as outlined within this policy. The member of staff in charge of the visit will report any safeguarding concerns to the Designated Safeguarding Lead and Headteacher,

who will pass the concern to Social Care if appropriate. In emergency the staff member in charge will contact the police and/or social care.

The child protection/safeguarding policy and procedures of an off-site provider e.g. water sport activity, will be checked and the DSL satisfied that they are appropriate, before using the facility.

### **13.4 Transport**

A risk assessment is in place for all transport movements. If hired transport is required for a school trip permission is obtained from parents. Parents are responsible for organising transportation to events (typically sport) where hired transport (coaches) are not used. Staff will facilitate parents making these arrangements. Consideration is also given to the [use of booster/car seats to meet UK legislation](#).

## **SECTION.14: MULTI-AGENCY WORKING**

Everyone at Grangefield is committed to developing effective partnership working with relevant agencies in the best interest of children and young people. Effective multi-agency working and communication helps to safeguard young people.

### **14.1 Children on Child Protection Plans**

We fully support children, and families, who have a child protection plan in place. Our school has good links with outside agencies involved with families and co-operate as required by them. The DSL, or appropriate member of staff, attends child protection conferences and core groups, when they occur. Grangefield will notify the relevant social worker if there is an unexplained absence of more than two days of a child who has a child protection plan.

Grangefield staff, working with Children in Care (CIC) (formerly known as Looked After), understand their responsibility for keeping CIC safe; the care arrangements for the child and the role of the Virtual School. Staff will make contact with the Virtual School to ensure we have all relevant information including the child's legal looked after status, contact arrangements and the social worker details. The Head of Gloucestershire's Virtual School is Jane Featherstone: [Jane.Featherstone@gloucestershire.gov.uk](mailto:Jane.Featherstone@gloucestershire.gov.uk)

## SECTION.15: RELATED POLICIES

Safeguarding and child protection is at the core of all that we do at Grangefield and therefore relates to all policies. There are particularly important links between this child protection policy and the following policies:

Health and safety	Attendance	Anti-bullying (including cyber bullying)	Behaviour Policy	SEND
The Use of Physical Intervention	Meeting the needs of pupils with medical conditions	First Aid	Intimate care	Equality Duty
Educational visits	Volunteers and Visitors	E-safety/On-Line	Staff Code of Conduct	Social Media
Safer Recruitment (Appendix 6)	Dealing with Racist Incidents	Whistle-Blowing	Safeguarding Response to Children Missing /Absent from Education	Acceptable Users Agreement
Complaints Policy				

## SECTION.16: USE OF REASONABLE FORCE AND ANTI-BULLYING

### 16.1 The Use of Physical Intervention

We acknowledge that staff must only ever use physical intervention as a last resort, when a child is endangering him/herself or others, and that at all times it must be the minimal force necessary to prevent injury to another person.

Such events should be recorded and signed by a witness.

Staff who are likely to need to use physical intervention will be appropriately trained by Team Teach.

We understand that physical intervention of a nature which causes injury or distress to a child may be considered under child protection or disciplinary procedures.

We recognise that touch is appropriate in the context of working with children, and all staff have been given 'Safe Practice' guidance to ensure they are clear about their professional boundaries.

### 16.2 Anti-Bullying

Our school policy on anti-bullying is set out in a separate document and acknowledges that to allow or condone bullying may lead to consideration under child protection procedures. This includes all forms of bullying e.g. cyber, racist, homophobic and gender related. We keep a record of known bullying incidents.

All staff are aware that children with SEND and / or differences/perceived differences are more susceptible to being bullied / victims of child abuse. We keep a record of bullying incidents.

### **16.3 Dealing with Racist Incidents**

Our policy on racist incidents is set out separately, and acknowledges that repeated racist incidents or a single serious incident may lead to consideration under child protection procedures. We keep a record of racist incidents.

## **SECTION.17: RECORD-KEEPING**

We will hold records in line with our records retention schedule.

All safeguarding concerns, discussions, decisions made and the reasons for those decisions, must be recorded in writing. If you are in any doubt about whether to record something, discuss it with the DSL.

All Safeguarding records at Grangefield School are stored electronically on CPOMS. Any additional paper records are stored securely in the Head Teachers office.

Records will include:

- A clear and comprehensive summary of the concern
- Details of how the concern was followed up and resolved
- A note of any action taken, decisions reached and the outcome

Concerns and referrals will be kept in a separate child protection file for each child.

Any non-confidential records will be readily accessible and available. Confidential information and records will be held securely and only available to those who have a right or professional need to see them.

Safeguarding records relating to individual children will be retained for a reasonable period of time after they have left the school.

If a child for whom the school has, or has had, safeguarding concerns moves to another school, the DSL will ensure that their child protection file is forwarded as soon as possible, securely, and separately from the main pupil file.

To allow the new school/college to have support in place when the child arrives, this should be within:

- **5 days** for an in-year transfer, or within
- **The first 5 days** of the start of a new term

In addition, if the concerns are significant or complex, and/or social services are involved, the DSL will speak to the DSL of the receiving school and provide information to enable them to have time to make any necessary preparations to ensure the safety of the child.

## SECTION.18: REPORTING

All concerns, discussions and decisions made, and the reasons for those decisions, must be recorded on the school electronic system, CPOMS. If there is any doubt about what should be recorded, staff should discuss it with the DSL (or DDSL).

Historic or archived information is held in the Head Teachers Office, where appropriate this will also be placed on CPOMS. Safeguarding information is passed on to a new school when a child leaves Grangefield. (in year or as part of the Year 6 Secondary School transition)

## SECTION.19: INFORMATION SHARING

At Grangefield, all staff recognise that information sharing is vital in identifying and tackling all forms of abuse and neglect. The school and staff will be proactive in sharing information as early as possible to help identify, assess and respond to risks or concerns about the safety and welfare of children, whether this is when problems are first emerging, or where a child is already known to local authority children's social care.

As part of this duty, the school is fully aware that the Data Protection Act 2018 and the GDPR place duties on organisations and individuals to process personal information fairly and lawfully and to keep the information they hold safe and secure.

**However, the school and staff also recognise that The Data Protection Act 2018 and GDPR do not prevent, or limit, the sharing of information for the purposes of keeping children safe. Fears about sharing information must not be allowed to stand in the way of the need to promote the welfare and protect the safety of children.**

Relevant staff have received training to ensure that they have due regard to the data protection principles, which allow them to share personal information, as provided for in the Data Protection Act 2018, and the GDPR.

Staff should be confident of the processing conditions under the Data Protection Act 2018 and the GDPR which allow them to store and share information for safeguarding purposes, including information which is sensitive and personal, and should be treated as 'special category personal data'.

Staff who need to share 'special category personal data' are aware that the Data Protection Act 2018 contains 'safeguarding of children and individuals at risk' as a processing condition that allows practitioners to share information. This includes allowing practitioners to share information without consent, if it is not possible to gain consent, it cannot be reasonably expected that a practitioner gains consent, or if to gain consent would place a child at risk.

The school's electronic system is fully compliant with The Data Protection Act 2018 and GDPR.

## **SECTION.20: MONITORING AND EVALUATION**

Our Safeguarding & Child Protection Policy and Procedures will be monitored and evaluated by the Headteacher/DSL and Safeguarding Governor on a termly basis to ensure that it is understood and being operated effectively in practice.

To support this monitoring, the following sources of information will be used:

- Designated Safeguarding Governor visits to the school
- Scrutiny of Single Central Record (SCR)
- Leadership Team 'drop ins' and discussions with children and staff
- Completion of the GSCP annual Section 175 audit
- Pupil surveys and questionnaires, including the Gloucestershire on-line pupil survey (OPS)
- Scrutiny of Attendance data
- Scrutiny of a range of risk assessments
- Scrutiny of GB minutes
- Logs of bullying/racist/behaviour incidents/referrals for LT and GB to monitor
- Review of parental concerns and parent questionnaires
- Review of training undertaken by all staff and volunteers
- Information and updates from GSCP DSL forums

## APPENDIX.1: RESPONDING TO DISCLOSURES – GUIDANCE FOR STAFF

If a child wishes to confide in you the following guidelines should be adhered to:

- **Be honest**
  - Do not make promises that you cannot keep.
  - Explain that you are likely to have to tell other people in order to stop what is happening.
- **Create a safe environment**
  - Stay calm.
  - Reassure the child and stress that he/she is not to blame.
  - Tell the child that you know how difficult it must have been to confide in you.
  - Listen to the child and tell them that you believe them and are taking what is being said seriously.
  - Tell the child they have done the right thing in telling you. Do not tell them they should have told you sooner
  - Explain what will happen next and that you will have to pass this information on.
  - Do not promise to keep it a secret
- **Record on CPOMS exactly what the child has said to you and include;**
  - Child's name, address, date of birth
  - Date and time of any incident
  - What the child said and what you said
  - Your observations e.g. child's behaviour and emotional state
  - Any action you took as a result of your concerns - specific information about who you spoke to, names, phone numbers and resulting actions
- **Be clear about what the child says and what you say**
  - Do not interview the child and keep questions to a minimum. Do not ask leading questions
  - Encourage the child to use his/her own words and do not try to lead them into giving particular answers.
- **Bear in mind that some children may:**
  - Not feel ready, or know how to tell someone that they are being abused, exploited or neglected
  - Not recognise their experiences as harmful
  - Feel embarrassed, humiliated or threatened. This could be due to their vulnerability, disability, sexual orientation and/or language barriers

None of this should stop you from having a 'professional curiosity' and speaking to the DSL if you have concerns about a child.

- **Maintain confidentiality**
  - Only tell those people that it is necessary to inform such as Designated Safeguarding Lead (DSL); DDSL/ Additional DDSL and/or Chair of Governors.

- **Do not take sole responsibility**
  - Immediately consult your Designated Safeguarding Lead so that any appropriate action can be taken to protect the pupil if necessary.
  - The Designated Safeguarding Lead should refer these concerns to Social Care before the child goes home if still in school. A decision will be made by Social Care whether to convene a strategy meeting; undertake a social care or joint investigation or provide alternative services or advice.
  - Although referrals to Social Care would normally be made by the DSL, any other individual with concerns can make a referral.

NB: Social Care will advise about if and when to share information with parents if there are concerns that this may be putting the child more at risk.

**If a child is in immediate danger you must contact 999.**

## APPENDIX.2: OUR OFFER OF EARLY HELP

Our offer of Early Help	
Grangefield School 'Safeguarding Lead'	Karen Lewis <a href="mailto:head@grangefield.gloucs.sch.uk">head@grangefield.gloucs.sch.uk</a> 01242 671003

The project</p>

	<p>provides support, advice and information to young people up to eighteen years old who have run away. This might be from a family home, foster home or from a residential unit. ASTRA provides support after the event to enable a young person to address the causes of running away. The ASTRA project offers young people help and the support required in order to find Alternative Solutions To Running Away. Freephone Telephone number: 0800-389-4992 EXCLUSIVELY for young people who have run away and have no money. All other callers are asked to use the 'ordinary' number ( tel: 01452 541599).</p>
<p><b>Children Missing or Absent for Education</b></p> <p>A child missing or absent for prolonged periods and/or repeat occasions from education is a potential indicator or abuse or neglect. Keeping Children Safe in Education (September 2023) has further information.</p>	<p><b>Anyone concerned that a child is missing or absent from education for prolonged periods and/or repeat occasions can make a referral to the Education Performance and Inclusion (EPI) team at Gloucestershire County Council. Tel: 01452 426960/427360.</b></p> <p><b>Children Missing Education</b> refers to 'any child of compulsory school age who is <b>not</b> registered at any formally approved education activity e.g. school, alternative provision, elective home education, <b>and</b> has been out of education provision for at least 4 weeks'. <b>CME</b> also includes those children who are <b>missing</b> (family whereabouts unknown), and are usually children who are registered on a school roll / alternative provision. This might be a child who is not at their last known address <b>and either</b>: has not taken up an allocated school place as expected, or has 10 or more days of continuous absence from school without explanation, or left school suddenly and the destination is unknown. It is the responsibility of the EPI team, on behalf of the Local Authority (LA), to: Collate information on all reported cases of CME of statutory school aged children in Gloucestershire maintained schools, academies, free schools, alternative provision academies and Alternative Provision Schools (APS). The EPI Team will also liaise with partner agencies and other LAs and schools across Britain to track pupils who may be missing education and ensure each child missing education is offered full time education within 2 weeks of the date the LA was informed.</p>
<p><b>Children with family members in prison</b></p>	<p>Approximately 200,000 children have a parent sent to prison each year. These children are at risk of poor outcomes including poverty, stigma, isolation and poor mental health.</p> <p>Please use the following link for advice and support:</p> <p><a href="https://www.nicco.org.uk/">https://www.nicco.org.uk/</a></p>
<p><b>Child Criminal Exploitation</b></p> <p><b>(County Lines)</b></p>	<p>Criminal exploitation of children is where an individual or group takes advantage of an imbalance of power to coerce, control, manipulate or deceive a child into any criminal activity. CCE can include children forced to work in cannabis factories, being coerced into moving drugs or money across the country (county lines), forced to shoplift or pickpocket, or to threaten other young people.</p>
<p><b>Child Sexual exploitation (CSE)</b></p> <p><i>Child Sexual Exploitation (CSE) involves exploitative situations, contexts and relationships where young people receive something (for example food, accommodation, drugs, alcohol or gifts, money or in some cases simply affection) as a result of engaging in sexual activities. Sexual exploitation is marked out by an</i></p>	<p>CSE screening tool (can be located on the GSCB website: <a href="http://www.gloucestershire.gov.uk/gscp">www.gloucestershire.gov.uk/gscp</a>) This should be completed if CSE suspected by Grangefield staff. Parents can also refer to this.</p> <p>Clear information about Warning signs of child sexual exploitation, the screening tool and Gloucestershire's multi-agency protocol for safeguarding children at risk of CSE are at <a href="http://www.gloucestershire.gov.uk/gscp">www.gloucestershire.gov.uk/gscp</a></p> <p>Referrals should be made to Gloucestershire social care and the Gloucestershire Police.</p> <p><b>Gloucestershire Police CSE Team:</b></p> <p>The CSE team sits within the Public Protection Bureau</p> <p>Single agency team (Police)</p> <p>DC Tess Nawaz, DC Kim Toogood,</p> <p>PC Dawn Collings, PC Nicki Dannatt, PC Jenny Kadodia,</p> <p>PC Christina Pfister (Missing persons Coordinator)</p> <p>For all police related contacts, please contact the Public Protection Bureau on 101.</p> <ul style="list-style-type: none"> <li><b>Further information:</b> National Working Group (Network tackling Child Sexual Exploitation) <a href="http://www.nationalworkinggroup.org">www.nationalworkinggroup.org</a> and PACE UK (Parents Against Child Sexual Exploitation) <a href="http://www.paceuk.info">www.paceuk.info</a></li> </ul>

<i>imbalance of power in a relationship. It can take many forms ranging from seemingly 'consensual' relationships to serious organised crime by gangs and groups.</i>	<b>Latest Department for Education guidance can be found via the following link:</b> <a href="https://www.gov.uk/government/publications/child-sexual-exploitation-definition-and-guide-for-practitioners">https://www.gov.uk/government/publications/child-sexual-exploitation-definition-and-guide-for-practitioners</a>
<b>Dangerous Drugs Network</b>	Detective Inspector John Turner Call 101 Gloucestershire's Victim Support: 0808 281 0112 Crimestoppers: 0800 555 111 Further information: <a href="#">Advice for Professionals</a>
<b>Domestic violence</b>	The GSCE (Gloucestershire Safeguarding Children's Executive) have published a Domestic Abuse pathway for educational settings which is on the GSCB (Gloucestershire Safeguarding Children's Executive) website. If a child or young person is suspected of living at home with a domestically abusive parent or if a young person has domestic abuse in their own relationship then the usual procedures should be followed and a referral made to the children's helpdesk (tel: 01452 426565). The response will vary according to the age of the young person so that the appropriate agencies are involved. <b>Gloucestershire Domestic Abuse Support Service (GDASS)</b> <a href="http://www.gdass.org.uk">www.gdass.org.uk</a> <b>MARAC Gloucestershire Constabulary:</b> Multi Agency Risk Assessment Conferences (MARACs) prioritise the safety of victims who have been risk assessed at high or very high risk of harm. The MARAC is an integral part of the Specialist Domestic Violence Court Programme, and information will be shared between the MARAC and the Courts, in high and very high risk cases, as part of the process of risk management.
<b>Drug concerns</b>	<a href="http://www.infobuzz.co.uk/">www.infobuzz.co.uk/</a> : InfoBuzz provides individual targeted support around drugs & emotional health issues, development of personal & social skills, and information & support around substance misuse.
<b>Fabricated and induced illness (FII)</b>	<a href="http://www.nhs.uk/Conditions/Fabricated-or-induced-illness">http://www.nhs.uk/Conditions/Fabricated-or-induced-illness</a> for information on behaviours and motivation behind FII. Any professionals suspecting FII must involve the Police, Social Services and follow the child protection procedures outlined in this policy. Members of the public concerned about FII can contact the social care helpdesk.
<b>Faith abuse</b>	<a href="http://www.gov.uk/government/publications/national-action-plan-to-tackle-child-abuse-linked-to-faith-or-belief">www.gov.uk/government/publications/national-action-plan-to-tackle-child-abuse-linked-to-faith-or-belief</a> for copy of DfE document 'national action plan to tackle child abuse linked to faith or belief.' Judith Knight; Diocese of Gloucester Head of Safeguarding/faith abuse contact: <a href="mailto:jknight@glosdioc.org.uk">jknight@glosdioc.org.uk</a> .
<b>Female genital mutilation (FGM)</b>	<b>Female Genital Mutilation (FGM) comprises all procedures involving partial or total removal or the external female genitalia. FGM is illegal in the UK and as of October 2015 mandatory reporting commenced. If education staff or other professionals discovers that an act FGM appears to have been carried out on a girl under 18 years old there is a statutory duty to report it to the police.</b> Read <a href="http://www.nhs.uk/Conditions/female-genital-mutilation">http://www.nhs.uk/Conditions/female-genital-mutilation</a> for NHS information and signs of FGM. Any suspicion of FGM should be referred to the Police and social care. - Karen Lewis (Head Teacher) has completed the online home office training, 'Female Genital Mutilation: Recognising and Preventing FGM' - E-learning package- <a href="http://www.fgmelearning.co.uk/">http://www.fgmelearning.co.uk/</a> for interested staff or professionals (free home office e-learning)

	If you have any concerns that FGM might be carried out on a young person you must call the police and children's helpdesk (social services).
<b>Forced marriage</b>	<p><b>SPOC (Single Point of Contact) for Forced Marriage in Gloucestershire is Acting DI Jo Mercurio (Gloucestershire Constabulary, Public Protection Bureau).</b></p> <p><b>UK Forced Marriage Unit <a href="mailto:fmuk@fco.gov.uk">fmuk@fco.gov.uk</a></b></p> <p>Telephone: 020 7008 0151</p> <p>Call 999 (police) in an emergency.</p> <p><a href="http://www.gov.uk/stop-forced-marriage">www.gov.uk/stop-forced-marriage</a> for information on Forced Marriage. Visit Home Office website to undertake Forced Marriage e-learning package <a href="https://www.gov.uk/forced-marriage">https://www.gov.uk/forced-marriage</a>. GSCP one day Awareness training delivered by Infobuzz</p> <p><a href="http://www.gloucestershire.gov.uk/gscp">www.gloucestershire.gov.uk/gscp</a></p> <p>Please see 'Multi-Agency Practice Guidelines- Handling cases of Forced Marriage' for more information and detail: <a href="https://www.gov.uk/forcedmarriage">https://www.gov.uk/forcedmarriage</a>.</p> <p><i>All practitioners must be aware of this, that is they may only have <u>one chance</u> to speak to a potential victim and thus they may only have one chance to save a life. This means that all practitioners working within statutory agencies need to be aware of their responsibilities and obligations when they come across forced marriage cases. If the victim is allowed to walk out of the door without support being offered, that one chance might be wasted.</i></p> <p><b>Prevention</b> Freedom Charity- Aneeta Prem 'But it's not fair' book. A book for teenagers looking at forced marriage from the point of view of schoolfriends of the girl who went to India and did not come back. This book promotes discussion. <a href="http://www.freedomcharity.org.uk">www.freedomcharity.org.uk</a></p> <p>The Freedom Charity (UK charity) have a helpline, text facility and app which can be downloaded to help to provide support and protection for victims of abuse, FGM or forced marriage. They can be contacted on tel: 0845 607 0133 or text <b>4freedom</b> to <b>88802</b> or go to the website to download the app from the app page.</p>
<b>Gangs and youth violence</b>	<p>Contact the Avenger Task Force/Inspector Neil Smith (Gloucestershire Police tel: 101). <b>Gloucestershire Hospital Education Service</b> universal support for all GHES pupils and families.	<p>All GHES staff are available in a pastoral capacity should parents have a concern about anything at all. GHES staff may not have the answer but will try to find out the answer or sign-post parents/other professionals in the right direction. Parents can either talk directly with the GHES staff or telephone one of the managers or Head of Service. GHES staff are available within office hours (9am – 5pm on weekdays during term-time).</p> <ul style="list-style-type: none"> <li>• GHES outpatient general office number: 01242 532363 (to contact all staff).</li> <li>• Carmel Herrick (Gloucester Royal Hospital schoolroom manager): 0300 4228394</li> <li>• Louise Cody (outpatient team manager) work mobile number: 07826891546</li> <li>• Wendy Rashwan (outpatient team manager) work mobile number: 07826 891264</li> <li>• Annalise Price-Thomas (Head of Service) via the main office: 01242 532363 or work mobile: 07717652407.</li> </ul>
<b>Honour based violence (HBV)</b>	<p>The police have made it a high priority to help communities fight back to tackle both honour based violence and hate crime. The 'Honour Network Help line': 0800 5 999 247</p> <p><b>Inspector Fay Komarah is the Gloucestershire Police contact for honour based violence.</b></p>

<b>Mental health</b>	<p>Mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation. Only appropriately trained professionals should make a diagnosis of a mental health problem. Staff however, are well placed to observe children day to day and identify those whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one.</p> <p>Gloucestershire Mental Health website to the offer of early help (<a href="http://www.onyourmindglos.nhs.uk">www.onyourmindglos.nhs.uk</a>) TICs (Teens in Crisis, Gloucestershire) counselling service. CYPS (Gloucestershire children's mental health services). Consultant psychiatrists.</p>
<b>Private fostering</b>	<p><a href="http://www.gloucestershire.gov.uk/privatefostering">http://www.gloucestershire.gov.uk/privatefostering</a> Gloucestershire County council website information on private fostering. Refer to Gloucestershire Children &amp; Families Helpdesk on <b>01452 426565</b> or Gloucestershire Private Fostering Social Worker <b>01452 427874</b>. A private fostering arrangement is essentially one that is made without the involvement of a local authority. Private fostering is defined in the Children Act 1989 and occurs when a child or young person under the age of 16 (under 18 if disabled) is cared for and provided with accommodation, for 28 days or more, by someone who is not their parent, guardian or a close relative. (Close relatives are defined as; step-parents, siblings, brothers or sisters of parents or grandparents).</p>
<p><b>Radicalisation and Extremism (PREVENT duty).</b></p> <p><i>HM Government PREVENT duty: As of 1 July 2015 duty in the Counter-terrorism and security act 2015 for specified authorities (including all schools) to have due regard to the need to prevent people being drawn in to terrorism.</i></p> <p><i>If you see extremist of terrorist content online please report it via: <a href="https://www.gov.uk/report-terrorism">https://www.gov.uk/report-terrorism</a></i></p>	<ul style="list-style-type: none"> <li>• All teachers have had training in how to spot the signs of radicalisation and extremism and when to refer to the Channel panels. The Head Teacher and other key staff have received the Home Office WRAP (Workshop to Raise awareness of PREVENT) training.</li> <li>• Key contacts: PC Adam Large, Gloucestershire Constabulary PREVENT officer: tel 101</li> <li>• Anti-Terrorist Hotline: tel 0800 789 321</li> </ul> <p><b>The 'Advice on the Prevent duty' written by the Department for Education explains what governors and staff can do if they have any concerns relating to extremism. The Department for Education has also set up a telephone helpline (020 7340 7264) to enable people to raise concerns directly. Concerns can also be raised by email to <a href="mailto:counter.extremism@education.gsi.gov.uk">counter.extremism@education.gsi.gov.uk</a>. See Appendix 2 for more information on radicalisation.</b></p> <p><b>Prevention:</b> At Grangefield we teach traditional British values through the curriculum: democracy, rule of law, respect for others, liberty, tolerance of those with different faiths and beliefs and promotion of 'Britishness'. Grangefield has a specific British Values focus week as well as specific topics looking at radicalisation and extremism (age appropriate). E-safety is an important aspect of the curriculum to keep pupils safe from radicalisation. Pupils need to understand that radicalisation can be a form of grooming online and understand the notion of propaganda. They need to be taught to be discerning about what they read on the internet as the dangers of speaking to strangers online.</p> <p>We also seek to equip parents with the knowledge of how to safeguard their children from radicalisation. Let's talk about it is an excellent website for parents <a href="http://www.ltai.info/">www.ltai.info/</a> as is <a href="http://www.preventtragedies.co.uk">www.preventtragedies.co.uk</a> While it remains very rare for school age children to become involved in extremist activity to the point of committing criminal acts, young people can be exposed to extremist influences or prejudiced views, including via the internet, from an early age. As with other forms of criminality or risk of harm, early intervention is always preferable. Schools, working with other local partners, families and communities, can help support pupils who may be vulnerable as part of wider safeguarding responsibilities.</p>
<b>Serious violent crime</b>	<p>All staff know the indicators which may signal that children are at risk from, or are involved with, serious violent crime. Including:</p>

	<ul style="list-style-type: none"> <li>• Unexplained gifts / new possessions – these can indicate children have been approach by/involved with individuals associated with criminal networks/gangs</li> <li>• Increased absence from school</li> <li>• Change in friendship / relationships with others/groups</li> <li>• Significant decline in performance</li> <li>• Signs of self-harm/significant change in wellbeing</li> <li>• Signs of assault / unexplained injuries</li> </ul> <p>Staff are aware of the associated risks and understand the measures in place to manage them.</p>
<b>Sexting / Sextortion Youth produced imagery)</b>	<p><a href="http://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/sexting">http://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/sexting</a> (NSPCC website). Gloucestershire Police have a small sexual exploitation team.</p> <p><b>Prevention: ‘So you got naked online’</b> (sexting information leaflet produced for pupils by south west grid for learning. <i>Pupils informed that sexting is illegal but the police have stated that young people should be treated as victims in the first place and not usually face prosecution. The police’s priority is those who profit from sexual images of young people not the victims.</i></p>

<b>Trafficking</b>	<p>Serious crime which must be reported to Nigel Hatton (Gloucestershire LADO) and the Gloucestershire Police.</p> <p>Trafficking can include a young person being moved across the same street to a different address for the purpose of exploitation. It doesn’t have to include people, children or young people being moved great distances.</p>

### APPENDIX.3: GSCP WINDSCREEN

## APPENDIX.4: Additional safeguarding information

### Types of Abuse

**Abuse**, including neglect, and safeguarding issues are rarely standalone events that can be covered by one definition or label. In most cases, multiple issues will overlap.

**Physical abuse** may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

**Emotional abuse** is the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child's emotional development. Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.

Emotional abuse may involve:

- Conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person
- Not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate
- Age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction
- Seeing or hearing the ill-treatment of another
- Serious bullying (including cyber-bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children

**Sexual abuse** involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve:

- Physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing
- Non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet)

Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

**Neglect** is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse.

Once a child is born, neglect may involve a parent or carer failing to:

- Provide adequate food, clothing and shelter (including exclusion from home or abandonment).
- Protect a child from physical and emotional harm or danger.
- Ensure adequate supervision (including the use of inadequate care-givers).
- Ensure access to appropriate medical care or treatment.
- It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

## Specific Safeguarding Issues

### Children who are absent from education

A child being absent from education, particularly repeatedly, can be a warning sign of a range of safeguarding issues. This might include abuse or neglect, such as sexual abuse or exploitation or child criminal exploitation, or issues such as mental health problems, substance abuse, radicalisation, FGM or forced marriage.

There are many circumstances where a child may be absent or become missing from education, but some children are particularly at risk. These include children who:

- Are at risk of harm or neglect
- Are at risk of forced marriage or FGM
- Come from Gypsy, Roma, or Traveller families
- Come from the families of service personnel
- Go missing or run away from home or care
- Are supervised by the youth justice system
- Cease to attend a school
- Come from new migrant families

We will follow our procedures for unauthorised absence and for dealing with children who are absent from education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual exploitation, and to help prevent the risks of going missing in future. This includes informing the local authority if a child leaves the school without a new school being named, and adhering to requirements with respect to sharing information with the local authority, when applicable, when removing a child's name from the admission register at non-standard transition points.

Staff will be trained in signs to look out for and the individual triggers to be aware of when considering the risks of potential safeguarding concerns which may be related to being absent, such as travelling to conflict zones, FGM and forced marriage.

If a staff member suspects that a child is suffering from harm or neglect, we will follow local child protection procedures, including with respect to making reasonable enquiries. We will make an immediate referral to the local authority children's social care team, and the police, if the child is suffering or likely to suffer from harm, or in immediate danger.

### Child criminal exploitation

Child criminal exploitation (CCE) is a form of abuse where an individual or group takes advantage of an imbalance of power to coerce, control, manipulate or deceive a child into criminal activity, in exchange for something the victim needs or wants, and/or for the financial or other advantage of the perpetrator or facilitator, and/or through violence or the threat of violence.

The abuse can be perpetrated by males or females, and children or adults. It can be a one-off occurrence or a series of incidents over time, and range from opportunistic to complex organised abuse.

The victim can be exploited even when the activity appears to be consensual. It does not always involve physical contact and can happen online. For example, young people may be forced to work in cannabis factories, coerced into moving drugs or money across the country (county lines), forced to shoplift or pickpocket, or to threaten other young people.

Indicators of CCE can include a child:

- Appearing with unexplained gifts or new possessions
- Associating with other young people involved in exploitation
- Suffering from changes in emotional wellbeing
- Misusing drugs and alcohol
- Going missing for periods of time or regularly coming home late
- Regularly missing school or education
- Not taking part in education

If a member of staff suspects CCE, they will discuss this with the DSL. The DSL will trigger the local safeguarding procedures, including a referral to the local authority's children's social care team and the police, if appropriate.

## Child sexual exploitation

Child sexual exploitation (CSE) is a form of child sexual abuse where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child into sexual activity, in exchange for something the victim needs or wants and/or for the financial advantage or increased status of the perpetrator or facilitator. It may, or may not, be accompanied by violence or threats of violence.

The abuse can be perpetrated by males or females, and children or adults. It can be a one-off occurrence or a series of incidents over time, and range from opportunistic to complex organised abuse.

The victim can be exploited even when the activity appears to be consensual. Children or young people who are being sexually exploited may not understand that they are being abused. They often trust their abuser and may be tricked into believing they are in a loving, consensual relationship.

CSE can include both physical contact (penetrative and non-penetrative acts) and non-contact sexual activity. It can also happen online. For example, young people may be persuaded or forced to share sexually explicit images of themselves, have sexual conversations by text, or take part in sexual activities using a webcam. CSE may also occur without the victim's immediate knowledge, for example through others copying videos or images.

In addition to the CCE indicators above, indicators of CSE can include a child:

- Having an older boyfriend or girlfriend
- Suffering from sexually transmitted infections or becoming pregnant

If a member of staff suspects CSE, they will discuss this with the DSL. The DSL will trigger the local safeguarding procedures, including a referral to the local authority's children's social care team and the police, if appropriate.

## Domestic abuse

Children can witness and be adversely affected by domestic abuse and/or violence at home where it occurs between family members. In some cases, a child may blame themselves for the abuse or may have had to leave the family home as a result.

Types of domestic abuse include intimate partner violence, abuse by family members, teenage relationship abuse and child/adolescent to parent violence and abuse. Anyone can be a victim of domestic abuse, regardless of gender, age, ethnicity, socioeconomic status, sexuality or background, and domestic abuse can take place inside or outside of the home.

Exposure to domestic abuse and/or violence can have a serious, long-lasting emotional and psychological impact on children.

If police are called to an incident of domestic abuse and any children in the household have experienced the incident, the police will inform the key adult in school (usually the designated safeguarding lead) before the child or children arrive at school the following day. ([Operation Encompass](#) )

The DSL will provide support according to the child's needs and update CPOMs about their circumstances.

## Homelessness

Being homeless or being at risk of becoming homeless presents a real risk to a child's welfare.

The DSL and deputy will be aware of contact details and referral routes in to the local housing authority so they can raise/progress concerns at the earliest opportunity (where appropriate and in accordance with local procedures).

Where a child has been harmed or is at risk of harm, the DSL will also make a referral to children's social care.

## So-called 'honour-based' abuse (including FGM and forced marriage)

So-called 'honour-based' abuse (HBA) encompasses incidents or crimes committed to protect or defend the honour of the family and/or community, including FGM, forced marriage, and practices such as breast ironing.

Abuse committed in this context often involves a wider network of family or community pressure and can include multiple perpetrators.

All forms of HBA are abuse and will be handled and escalated as such. All staff will be alert to the possibility of a child being at risk of HBA or already having suffered it. If staff have a concern, they will speak to the DSL, who will activate local safeguarding procedures.

## FGM

The DSL will make sure that staff have access to appropriate training to equip them to be alert to children affected by FGM or at risk of FGM.

Section 10.6 of this policy sets out the procedures to be followed if a staff member discovers that an act of FGM appears to have been carried out or suspects that a pupil is at risk of FGM.

Indicators that FGM has already occurred include:

- A pupil confiding in a professional that FGM has taken place.
- A mother/family member disclosing that FGM has been carried out.
- A family/pupil already being known to social services in relation to other safeguarding issues
- A girl:
  - Having difficulty walking, sitting or standing, or looking uncomfortable
  - Finding it hard to sit still for long periods of time (where this was not a problem previously)
  - Spending longer than normal in the bathroom or toilet due to difficulties urinating
  - Having frequent urinary, menstrual or stomach problems
  - Avoiding physical exercise or missing PE
  - Being repeatedly absent from school, or absent for a prolonged period
  - Demonstrating increased emotional and psychological needs – for example, withdrawal or depression, or significant change in behaviour
  - Being reluctant to undergo any medical examinations
  - Asking for help, but not being explicit about the problem
  - Talking about pain or discomfort between her legs

Potential signs that a pupil may be at risk of FGM include:

- The girl's family having a history of practising FGM (this is the biggest risk factor to consider).
- FGM being known to be practised in the girl's community or country of origin.
- A parent or family member expressing concern that FGM may be carried out .
- A family not engaging with professionals (health, education or other) or already being known to social care in relation to other safeguarding issues.
- A girl:
  - Having a mother, older sibling or cousin who has undergone FGM
  - Having limited level of integration within UK society
  - Confiding to a professional that she is to have a "special procedure" or to attend a special occasion to "become a woman"
  - Talking about a long holiday to her country of origin or another country where the practice is prevalent, or parents/carers stating that they or a relative will take the girl out of the country for a prolonged period
  - Requesting help from a teacher or another adult because she is aware or suspects that she is at immediate risk of FGM
  - Talking about FGM in conversation – for example, a girl may tell other children about it (although it is important to take into account the context of the discussion)
  - Being unexpectedly absent from school
  - Having sections missing from her 'red book' (child health record) and/or attending a travel clinic or equivalent for vaccinations/anti-malarial medication

The above indicators and risk factors are not intended to be exhaustive.

## Forced marriage

Forcing a person into marriage is a crime. A forced marriage is one entered into without the full and free consent of one or both parties and where violence, threats, or any other form of coercion is used to cause a person to enter into a marriage. Threats can be physical or emotional and psychological.

It is also illegal to cause a child under the age of 18 to marry, even if violence, threats or coercion are not involved.

Staff will receive training around forced marriage and the presenting symptoms. We are aware of the 'one chance' rule, i.e. we may only have one chance to speak to the potential victim and only one chance to save them.

If a member of staff suspects that a pupil is being forced into marriage, they will speak to the pupil about their concerns in a secure and private place. They will then report this to the DSL.

The DSL will:

- Speak to the pupil about the concerns in a secure and private place
- Activate the local safeguarding procedures and refer the case to the local authority's designated officer
- Seek advice from the Forced Marriage Unit on 020 7008 0151 or [fmv@fco.gov.uk](mailto:fmv@fco.gov.uk)
- Refer the pupil to an education welfare officer, pastoral tutor, learning mentor, or school counsellor, as appropriate

## Preventing radicalisation

- **Radicalisation** refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups
- **Extremism** is vocal or active opposition to fundamental British values, such as democracy, the rule of law, individual liberty, and mutual respect and tolerance of different faiths and beliefs. This also includes calling for the death of members of the armed forces
- **Terrorism** is an action that:
  - Endangers or causes serious violence to a person/people;
  - Causes serious damage to property; or
  - Seriously interferes or disrupts an electronic system

The use or threat of terrorism must be designed to influence the government or to intimidate the public and is made for the purpose of advancing a political, religious or ideological cause.

Schools have a duty to prevent children from being drawn into terrorism. The DSL will undertake Prevent awareness training and make sure that staff have access to appropriate training to equip them to identify children at risk.

We will assess the risk of children in our school being drawn into terrorism. This assessment will be based on an understanding of the potential risk in our local area, in collaboration with our local safeguarding partners and local police force.

We will ensure that suitable internet filtering is in place, and equip our pupils to stay safe online at school and at home.

There is no single way of identifying an individual who is likely to be susceptible to an extremist ideology. Radicalisation can occur quickly or over a long period.

Staff will be alert to changes in pupils' behaviour.

The government website [Educate Against Hate](#) and charity [NSPCC](#) say that signs that a pupil is being radicalised can include:

- Refusal to engage with, or becoming abusive to, peers who are different from themselves
- Becoming susceptible to conspiracy theories and feelings of persecution
- Changes in friendship groups and appearance
- Rejecting activities they used to enjoy
- Converting to a new religion

- Isolating themselves from family and friends
- Talking as if from a scripted speech
- An unwillingness or inability to discuss their views
- A sudden disrespectful attitude towards others
- Increased levels of anger
- Increased secretiveness, especially around internet use
- Expressions of sympathy for extremist ideologies and groups, or justification of their actions
- Accessing extremist material online, including on Facebook or Twitter
- Possessing extremist literature
- Being in contact with extremist recruiters and joining, or seeking to join, extremist organisations

Children who are at risk of radicalisation may have low self-esteem, or be victims of bullying or discrimination. It is important to note that these signs can also be part of normal teenage behaviour – staff should have confidence in their instincts and seek advice if something feels wrong.

If staff are concerned about a pupil, they will follow our procedures set out in section 10.7 of this policy, including discussing their concerns with the DSL.

Staff should **always** take action if they are worried.

## Child-on-Child abuse

Child-on-child abuse is when children abuse other children. This type of abuse can take place inside and outside of school and online.

Child-on-child abuse is most likely to include, but may not be limited to:

- Bullying (including cyber-bullying, prejudice-based and discriminatory bullying).
- Abuse in intimate personal relationships between peers.
- Physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm (this may include an online element which facilitates, threatens and/or encourages physical abuse).
- Sexual violence, such as rape, assault by penetration and sexual assault (this may include an online element which facilitates, threatens and/or encourages sexual violence).
- Sexual harassment, such as sexual comments, remarks, jokes and online sexual harassment, which may be standalone or part of a broader pattern of abuse.
- Causing someone to engage in sexual activity without consent, such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party.
- Consensual and non-consensual sharing of nudes and semi nudes images and/or videos (also known as sexting or youth produced sexual imagery).
- Upskirting, which typically involves taking a picture under a person's clothing without their permission, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm.
- Initiation/hazing type violence and rituals (this could include activities involving harassment, abuse or humiliation used as a way of initiating a person into a group and may also include an online element).

Where children abuse their peers online, this can take the form of, for example, abusive, harassing, and misogynistic messages; the non-consensual sharing of indecent images, especially around chat groups; and the sharing of abusive images and pornography, to those who don't want to receive such content.

If staff have any concerns about child-on-child abuse, or a child makes a report to them, they will follow the procedures set out in section 11.1 of this policy, as appropriate.

## Sexual violence and sexual harassment between children in schools

Sexual violence and sexual harassment can occur:

- Between 2 children of any age and sex.
- Through a group of children sexually assaulting or sexually harassing a single child or group of children.
- Online and face to face (both physically and verbally).

Sexual violence and sexual harassment exist on a continuum and may overlap.

Children who are victims of sexual violence and sexual harassment will find the experience stressful and distressing. This will, in all likelihood, adversely affect their educational attainment and will be exacerbated if the alleged perpetrator(s) attends the same school.

If a victim reports an incident, it is essential that staff make sure they are reassured that they are being taken seriously and that they will be supported and kept safe. A victim should never be given the impression that they are creating a problem by reporting sexual violence or sexual harassment. Nor should a victim ever be made to feel ashamed for making a report.

Some groups are potentially more at risk. Evidence shows that girls, children with SEN and/or disabilities, and lesbian, gay, bisexual and transgender (LGBT) children are at greater risk.

Staff should be aware of the importance of:

- Challenging inappropriate behaviours.
- Making clear that sexual violence and sexual harassment is not acceptable, will never be tolerated and is not an inevitable part of growing up.
- Challenging physical behaviours (potentially criminal in nature), such as grabbing bottoms, breasts and genitalia, pulling down trousers, flicking bras and lifting up skirts. Dismissing or tolerating such behaviours risks normalising them.

If staff have any concerns about sexual violence or sexual harassment, or a child makes a report to them, they will follow the procedures set out in section 11 of this policy, as appropriate. In particular, section 11.1 and 11.2 set out more detail about our school's approach to this type of abuse.

## Serious violence

Indicators which may signal that a child is at risk from, or involved with, serious violent crime may include:

- Increased absence from school
- Change in friendships or relationships with older individuals or groups
- Significant decline in performance
- Signs of self-harm or a significant change in wellbeing
- Signs of assault or unexplained injuries
- Unexplained gifts or new possessions (this could indicate that the child has been approached by, or is involved with, individuals associated with criminal networks or gangs and may be at risk of criminal exploitation (see above))

Risk factors which increase the likelihood of involvement in serious violence include:

- Being male
- Having been frequently absent or permanently excluded from school
- Having experienced child maltreatment
- Having been involved in offending, such as theft or robbery

Staff will be aware of these indicators and risk factors. If a member of staff has a concern about a pupil being involved in, or at risk of, serious violence, they will report this to the DSL.

## Checking the identity and suitability of visitors

- All visitors will be required to verify their identity to the satisfaction of staff and to leave their belongings, including their mobile phone(s), in a safe place during their visit. (for example, the classroom cupboard).

- If the visitor is unknown to the setting, we will check their credentials and reason for visiting before allowing them to enter the setting. Visitors should be ready to produce identification.
- Visitors are expected to sign the visitors' book and wear a visitor's badge.
- Visitors to the school who are visiting for a professional purpose, such as educational psychologists and school improvement officers, will be asked to show photo ID and:
  - Will be asked to show their DBS certificate, which will be checked alongside their photo ID; or
  - The organisation sending the professional, such as the LA or educational psychology service, will provide prior written confirmation that an appropriate level of DBS check has been carried out
- All other visitors, including visiting speakers, will always accompanied by a member of staff.
- We will not invite into the school any speaker who is known to disseminate extremist views, and will carry out appropriate checks to ensure that any individual or organisation using school facilities is not seeking to disseminate extremist views or radicalise pupils or staff.

## **Non-collection of children**

If a child is not collected at the end of the session/day, we will:

- Take the child to the main reception area.
- Phone the contact numbers and find out the reason for the late collection.
- If waiting significantly longer than 3.30pm the child may remain with a teacher in class or go to Little Hoots After Care whilst the parent is contacted.
- Where there are existing safeguarding concerns it may be appropriate to contact the social worker involved with the family.

## **Missing pupils**

Our procedures are designed to ensure that a missing child is found and returned to effective supervision as soon as possible. If a child goes missing, we will:

- Ensure the child is not on the premises, including Little Hoots and after-school clubs.
- Contact the parents to double check pick up arrangements.
- Search the proximity of the school.
- Report to the police.

## Appendix 5: Allegations of abuse made against staff

### Section 1: allegations that may meet the harms threshold

This procedures are based on 'Section 1: Allegations that may meet the harms threshold' in part 4 of Keeping Children Safe in Education.

This section applies to all cases in which it is alleged that a current member of staff, including a supply teacher, volunteer or contractor, has:

- Behaved in a way that has harmed a child, or may have harmed a child, and/or
- Possibly committed a criminal offence against or related to a child, and/or
- Behaved towards a child or children in a way that indicates they may pose a risk of harm to children, and/or
- Behaved or may have behaved in a way that indicates they may not be suitable to work with children – this includes behaviour taking place both inside and outside of school

If we're in any doubt as to whether a concern meets the harm threshold, we will consult our local authority designated officer (LADO).

We will deal with any allegation of abuse quickly, in a fair and consistent way that provides effective child protection while also supporting the individual who is the subject of the allegation.

A 'case manager' will lead any investigation. This will be the headteacher, or the chair of governors where the headteacher is the subject of the allegation. The case manager will be identified at the earliest opportunity.

Our procedures for dealing with allegations will be applied with common sense and judgement.

If we receive an allegation of an incident happening while an individual or organisation was using the school premises to run activities for children, we will follow our safeguarding policies and procedures and inform our LADO.

### Suspension of the accused until the case is resolved

Suspension of the accused will not be the default position, and will only be considered in cases where there is reason to suspect that a child or other children is/are at risk of harm, or the case is so serious that there might be grounds for dismissal. In such cases, we will only suspend an individual if we have considered all other options available and there is no reasonable alternative.

Based on an assessment of risk, we will consider alternatives such as:

- Redeployment within the school so that the individual does not have direct contact with the child or children concerned
- Providing an assistant to be present when the individual has contact with children
- Redeploying the individual to alternative work in the school so that they do not have unsupervised access to children
- Moving the child or children to classes where they will not come into contact with the individual, making it clear that this is not a punishment and parents/carers have been consulted
- Temporarily redeploying the individual to another role in a different location, for example to an alternative school or other work for the local authority.

If in doubt, the case manager will seek views from the school's personnel adviser and the designated officer at the local authority, as well as the police and children's social care where they have been involved.

### Definitions for outcomes of allegation investigations

- **Substantiated:** there is sufficient evidence to prove the allegation
- **Malicious:** there is sufficient evidence to disprove the allegation and there has been a deliberate act to deceive, or to cause harm to the subject of the allegation
- **False:** there is sufficient evidence to disprove the allegation
- **Unsubstantiated:** there is insufficient evidence to either prove or disprove the allegation (this does not imply guilt or innocence)

- **Unfounded:** to reflect cases where there is no evidence or proper basis which supports the allegation being made

## Procedure for dealing with allegations

In the event of an allegation that meets the criteria above, the case manager will take the following steps:

- Conduct basic enquiries in line with local procedures to establish the facts to help determine whether there is any foundation to the allegation before carrying on with the steps below
- Discuss the allegation with the designated officer at the local authority. This is to consider the nature, content and context of the allegation and agree a course of action, including whether further enquiries are necessary to enable a decision on how to proceed, and whether it is necessary to involve the police and/or children's social care services. (The case manager may, on occasion, consider it necessary to involve the police *before* consulting the designated officer – for example, if the accused individual is deemed to be an immediate risk to children or there is evidence of a possible criminal offence. In such cases, the case manager will notify the designated officer as soon as practicably possible after contacting the police)
- Inform the accused individual of the concerns or allegations and likely course of action as soon as possible after speaking to the designated officer (and the police or children's social care services, where necessary). Where the police and/or children's social care services are involved, the case manager will only share such information with the individual as has been agreed with those agencies
- Where appropriate (in the circumstances described above), carefully consider whether suspension of the individual from contact with children at the school is justified or whether alternative arrangements such as those outlined above can be put in place. Advice will be sought from the designated officer, police and/or children's social care services, as appropriate
- Where the case manager is concerned about the welfare of other children in the community or the individual's family, they will discuss these concerns with the DSL and make a risk assessment of the situation. If necessary, the DSL may make a referral to children's social care
- **If immediate suspension is considered necessary**, agree and record the rationale for this with the designated officer. The record will include information about the alternatives to suspension that have been considered, and why they were rejected. Written confirmation of the suspension will be provided to the individual facing the allegation or concern within 1 working day, and the individual will be given a named contact at the school and their contact details
- **If it is decided that no further action is to be taken** in regard to the subject of the allegation or concern, record this decision and the justification for it and agree with the designated officer what information should be put in writing to the individual and by whom, as well as what action should follow both in respect of the individual and those who made the initial allegation
- **If it is decided that further action is needed**, take steps as agreed with the designated officer to initiate the appropriate action in school and/or liaise with the police and/or children's social care services as appropriate
- Provide effective support for the individual facing the allegation or concern, including appointing a named representative to keep them informed of the progress of the case and considering what other support is appropriate. Further support would be available to individuals such as who they can turn to for advice – for example, trade union representatives, or a colleague.
- Inform the parents or carers of the child/children involved about the allegation as soon as possible if they do not already know (following agreement with children's social care services and/or the police, if applicable). The case manager will also inform the parents or carers of the requirement to maintain confidentiality about any allegations made against teachers (where this applies) while investigations are ongoing. Any parent or carer who wishes to have the confidentiality restrictions removed in respect of a teacher will be advised to seek legal advice
- Keep the parents or carers of the child/children involved informed of the progress of the case (only in relation to their child – no information will be shared regarding the staff member)
- Make a referral to the DBS where it is thought that the individual facing the allegation or concern has engaged in conduct that harmed or is likely to harm a child, or if the individual otherwise poses a risk of harm to a child

We will inform Ofsted of any allegations of serious harm or abuse by any person looking after children at the premises (whether the allegations relate to harm or abuse committed on the premises or elsewhere), and any action taken in respect of the allegations. This notification will be made as soon as reasonably possible and always within 14 days of the allegations being made.

If the school is made aware that the secretary of state has made an interim prohibition order in respect of an individual, we will immediately suspend that individual from teaching, pending the findings of the investigation by the Teaching Regulation Agency.

Where the police are involved, wherever possible the school will ask the police at the start of the investigation to obtain consent from the individuals involved to share their statements and evidence for use in the school's disciplinary process, should this be required at a later point.

### **Additional considerations for supply teachers and all contracted staff**

If there are concerns or an allegation is made against someone not directly employed by the school, such as a supply teacher or contracted staff member provided by an agency, we will take the actions below in addition to our standard procedures.

- We will not decide to stop using an individual due to safeguarding concerns without finding out the facts and liaising with our LADO to determine a suitable outcome.
- The governing board will discuss with the agency whether it is appropriate to suspend the individual, or redeploy them to another part of the school, while the school carries out the investigation.
- We will involve the agency fully, but the school will take the lead in collecting the necessary information and providing it to the LADO as required.
- We will address issues such as information sharing, to ensure any previous concerns or allegations known to the agency are taken into account (we will do this, for example, as part of the allegations management meeting or by liaising directly with the agency where necessary).

When using an agency, we will inform them of our process for managing allegations, and keep them updated about our policies as necessary, and will invite the agency's HR manager or equivalent to meetings as appropriate.

## **Timescales**

We will deal with all allegations as quickly and effectively as possible and will endeavour to comply with the following timescales, where reasonably practicable:

- Any cases where it is clear immediately that the allegation is unsubstantiated or malicious should be resolved within 1 week.
- If the nature of an allegation does not require formal disciplinary action, appropriate action should be taken within 3 working days.
- If a disciplinary hearing is required and can be held without further investigation, this should be held within 15 working days.

However, these are objectives only and where they are not met, we will endeavour to take the required action as soon as possible thereafter.

## **Specific actions**

### **Action following a criminal investigation or prosecution**

The case manager will discuss with the local authority's designated officer whether any further action, including disciplinary action, is appropriate and, if so, how to proceed, taking into account information provided by the police and/or children's social care services.

### **Conclusion of a case where the allegation is substantiated**

If the allegation is substantiated and the individual is dismissed or the school ceases to use their services, or the individual resigns or otherwise ceases to provide their services, the school will make a referral to the DBS for consideration of whether inclusion on the barred lists is required.

If the individual concerned is a member of teaching staff, the school will consider whether to refer the matter to the Teaching Regulation Agency to consider prohibiting the individual from teaching.

### **Individuals returning to work after suspension**

If it is decided on the conclusion of a case that an individual who has been suspended can return to work, the case manager will consider how best to facilitate this.

The case manager will also consider how best to manage the individual's contact with the child or children who made the allegation, if they are still attending the school.

### **Unsubstantiated, unfounded, false or malicious reports**

If a report is:

- Determined to be unsubstantiated, unfounded, false or malicious, the DSL will consider the appropriate next steps. If they consider that the child and/or person who made the allegation is in need of help, or the allegation may have been a cry for help, a referral to children's social care may be appropriate.
- Shown to be deliberately invented, or malicious, the school will consider whether any disciplinary action is appropriate against the individual(s) who made it.

### **Unsubstantiated, unfounded, false or malicious allegations**

If an allegation is:

- Determined to be unsubstantiated, unfounded, false or malicious, the LADO and case manager will consider the appropriate next steps. If they consider that the child and/or person who made the allegation is in need of help, or the allegation may have been a cry for help, a referral to children's social care may be appropriate.
- Shown to be deliberately invented, or malicious, the school will consider whether any disciplinary action is appropriate against the individual(s) who made it.

## **Confidentiality and information sharing**

The school will make every effort to maintain confidentiality and guard against unwanted publicity while an allegation is being investigated or considered.

The case manager will take advice from the LADO, police and children's social care services, as appropriate, to agree:

- Who needs to know about the allegation and what information can be shared.
- How to manage speculation, leaks and gossip, including how to make parents or carers of a child/children involved aware of their obligations with respect to confidentiality .
- What, if any, information can be reasonably given to the wider community to reduce speculation.
- How to manage press interest if, and when, it arises.

## **Record-keeping**

The case manager will maintain clear records about any case where the allegation or concern meets the criteria above and store them on the individual's confidential personnel file for the duration of the case.

The records of any allegation that, following an investigation, is found to be malicious or false will be deleted from the individual's personnel file (unless the individual consents for the records to be retained on the file).

For all other allegations (which are not found to be malicious or false), the following information will be kept on the file of the individual concerned:

- A clear and comprehensive summary of the allegation.
- Details of how the allegation was followed up and resolved.
- Notes of any action taken, decisions reached and the outcome.
- A declaration on whether the information will be referred to in any future reference.

In these cases, the school will provide a copy to the individual, in agreement with children's social care or the police as appropriate.

We will retain all other records at least until the individual has reached normal pension age, or for 10 years from the date of the allegation if that is longer.

## References

When providing employer references, we will:

- Not refer to any allegation that has been found to be false, unfounded, unsubstantiated or malicious, or any repeated allegations which have all been found to be false, unfounded, unsubstantiated or malicious.
- Include substantiated allegations, provided that the information is factual and does not include opinions.

## Learning lessons

After any cases where the allegations are *substantiated*, the case manager will review the circumstances of the case with the local authority's designated officer to determine whether there are any improvements that we can make to the school's procedures or practice to help prevent similar events in the future.

This will include consideration of (as applicable):

- Issues arising from the decision to suspend the member of staff
- The duration of the suspension
- Whether or not the suspension was justified
- The use of suspension when the individual is subsequently reinstated. We will consider how future investigations of a similar nature could be carried out without suspending the individual

For all other cases, the case manager will consider the facts and determine whether any improvements can be made.

## Non-recent allegations

Abuse can be reported, no matter how long ago it happened.

We will report any non-recent allegations made by a child to the LADO in line with our local authority's procedures for dealing with non-recent allegations.

Where an adult makes an allegation to the school that they were abused as a child, we will advise the individual to report the allegation to the police.

## Section 2: concerns that do not meet the harm threshold

The section is based on 'Section 2: Concerns that do not meet the harm threshold' in part 4 of Keeping Children Safe in Education 2023.

This section applies to all concerns (including allegations) about members of staff, including supply teachers, volunteers and contractors, which do not meet the harm threshold set out in section 1 above.

Concerns may arise through, for example:

- Suspicion
- Complaint
- Safeguarding concern or allegation from another member of staff
- Disclosure made by a child, parent or other adult within or outside the school
- Pre-employment vetting checks

We recognise the importance of responding to and dealing with any concerns in a timely manner to safeguard the welfare of children.

### Definition of low-level concerns

The term 'low-level' concern is any concern – no matter how small – that an adult working in or on behalf of the school may have acted in a way that:

- Is inconsistent with the staff code of conduct, including inappropriate conduct outside of work, **and**
- Does not meet the allegations threshold or is otherwise not considered serious enough to consider a referral to the designated officer at the local authority

Examples of such behaviour could include, but are not limited to:

- Being overly friendly with children
- Having favourites
- Taking photographs of children on their mobile phone
- Engaging with a child on a one-to-one basis in a secluded area or behind a closed door
- Humiliating pupils

### Sharing low-level concerns

We recognise the importance of creating a culture of openness, trust and transparency to encourage all staff to confidentially share low-level concerns so that they can be addressed appropriately.

We will create this culture by:

- Ensuring staff are clear about what appropriate behaviour is, and are confident in distinguishing expected and appropriate behaviour from concerning, problematic or inappropriate behaviour, in themselves and others.
- Empowering staff to share any low-level concerns as per section 11 of this policy.
- Empowering staff to self-refer.
- Addressing unprofessional behaviour and supporting the individual to correct it at an early stage.
- Providing a responsive, sensitive and proportionate handling of such concerns when they are raised.
- Helping to identify any weakness in the school's safeguarding system.
- Providing an open culture where staff are able to approach senior leaders, confident in the response they will receive and the confidentiality given.

## Responding to low-level concerns

If the concern is raised via a third party, the headteacher will collect evidence where necessary by speaking:

- Directly to the person who raised the concern, unless it has been raised anonymously.
- To the individual involved and any witnesses.

The headteacher will use the information collected to categorise the type of behaviour and determine any further action, in line with the school's Safeguarding Policy and Staff code of conduct. The headteacher will be the ultimate decision-maker in respect of all low-level concerns, though they may wish to collaborate with the DDSL. (HT is the DSL)

## Record keeping

All low-level concerns will be recorded in writing. In addition to details of the concern raised, records will include the context in which the concern arose, any action taken and the rationale for decisions and action taken.

Records will be:

- Kept confidential, held securely and comply with the DPA 2018 and UK GDPR.
- Reviewed so that potential patterns of concerning, problematic or inappropriate behaviour can be identified. Where a pattern of such behaviour is identified, we will decide on a course of action, either through our disciplinary procedures or, where a pattern of behaviour moves from a concern to meeting the harms threshold as described in section 1 of this appendix, we will refer it to the designated officer at the local authority.
- Retained at least until the individual leaves employment at the school.

Where a low-level concern relates to a supply teacher or contractor, we will notify the individual's employer, so any potential patterns of inappropriate behaviour can be identified.

## References

We will not include low-level concerns in references unless:

- The concern (or group of concerns) has met the threshold for referral to the designated officer at the local authority and is found to be substantiated; and/or
- The concern (or group of concerns) relates to issues which would ordinarily be included in a reference, such as misconduct or poor performance

## **APPENDIX.6: Safer recruitment and DBS checks – policy and procedures**

### **Recruitment and selection process**

To make sure we recruit suitable people, we will ensure that those involved in the recruitment and employment of staff to work with children have received appropriate safer recruitment training.

We have put the following steps in place during our recruitment and selection process to ensure we are committed to safeguarding and promoting the welfare of children.

### **Advertising**

When advertising roles, we will make clear:

- Our school's commitment to safeguarding and promoting the welfare of children
- That safeguarding checks will be undertaken
- The safeguarding requirements and responsibilities of the role, such as the extent to which the role will involve contact with children
- Whether or not the role is exempt from the Rehabilitation of Offenders Act 1974 and the amendments to the Exceptions Order 1975, 2013 and 2020. If the role is exempt, certain spent convictions and cautions are 'protected', so they do not need to be disclosed, and if they are disclosed, we cannot take them into account

### **Application forms**

Our application forms will:

- Include a statement saying that it is an offence to apply for the role if an applicant is barred from engaging in regulated activity relevant to children (where the role involves this type of regulated activity)
- Include a copy of, or link to, our child protection and safeguarding policy and our policy on the employment of ex-offenders

At Grangefield School we use the Local Authority application form.

### **Shortlisting**

Our shortlisting process will involve at least 2 people and will:

- Consider any inconsistencies and look for gaps in employment and reasons given for them
- Explore all potential concerns

Once we have shortlisted candidates, we will ask shortlisted candidates to:

- Complete a self-declaration of their criminal record or any information that would make them unsuitable to work with children, so that they have the opportunity to share relevant information and discuss it at interview stage. The information we will ask for includes:
  - If they have a criminal history
  - Whether they are included on the barred list
  - Whether they are prohibited from teaching
  - Information about any criminal offences committed in any country in line with the law as applicable in England and Wales
  - Any relevant overseas information
- Sign a declaration confirming the information they have provided is true

We will also consider carrying out an online search on shortlisted candidates to help identify any incidents or issues that are publicly available online. Candidates will be informed that the school may carry out online checks as part of the due diligence process.

### Seeking references and checking employment history

We will obtain references before interview. Any concerns raised will be explored further with referees and taken up with the candidate at interview.

When seeking references we will:

- Not accept open references
- Liaise directly with referees and verify any information contained within references with the referees
- Ensure any references are from the candidate's current employer and completed by a senior person. Where the referee is school based, we will ask for the reference to be confirmed by the headteacher/principal as accurate in respect to disciplinary investigations
- Obtain verification of the candidate's most recent relevant period of employment if they are not currently employed
- Secure a reference from the relevant employer from the last time the candidate worked with children if they are not currently working with children
- Compare the information on the application form with that in the reference and take up any inconsistencies with the candidate
- Resolve any concerns before any appointment is confirmed

### Interview and selection

When interviewing candidates, we will:

- Probe any gaps in employment, or where the candidate has changed employment or location frequently, and ask candidates to explain this
- Explore any potential areas of concern to determine the candidate's suitability to work with children
- Record all information considered and decisions made
- Where at all possible at least three interviewers will sit on the interview panel. Ideally the interviewers will be involved in all parts of the process: shortlisting, interviewing, selection.
- Typically, a panel would include at least 3 people taken from the SLT and governors, where appropriate, other staff members or governors will be invited. For head teacher appointment a Local Authority advisor may be invited to sit in on the process.
- There must be a governor for senior roles (SLT, SMT, SBM) but it is not essential for other staff positions.
- Other governors / staff / children may be asked to contribute to the interviewing process.
- Selection will only be confirmed when all panel members are in agreement and subject to pre-appointment vetting checks.

### Pre-appointment vetting checks

We will record all information on the checks carried out in the school's single central record (SCR). Copies of these checks, where appropriate, will be held in individuals' personnel files. We follow requirements and best practice in retaining copies of these checks, as set out below.

### New staff

- All offers of appointment will be conditional until satisfactory completion of the necessary pre-employment checks.  
When appointing new staff, we will:
- Verify their identity
- Obtain (via the applicant) an enhanced DBS certificate, including barred list information for those who will be engaging in regulated activity (see definition below). We will obtain the certificate before, or as soon as practicable after, appointment, including when using the DBS update service. We will not keep a copy of the certificate for longer than 6

months, but when the copy is destroyed we may still keep a record of the fact that vetting took place, the result of the check and recruitment decision taken

- Obtain a separate barred list check if they will start work in regulated activity before the DBS certificate is available
- Verify their mental and physical fitness to carry out their work responsibilities
- Verify their right to work in the UK. We will keep a copy of this verification for the duration of the member of staff's employment and for 2 years afterwards
- Verify their professional qualifications, as appropriate
- Ensure they are not subject to a prohibition order if they are employed to be a teacher
- Carry out further additional checks, as appropriate, on candidates who have lived or worked outside of the UK. These could include, where available:
  - For all staff, including teaching positions: [criminal records checks for overseas applicants](#)
  - For teaching positions: obtaining a letter from the professional regulating authority in the country where the applicant has worked, confirming that they have not imposed any sanctions or restrictions on that person, and/or are aware of any reason why that person may be unsuitable to teach
  - We will ensure that appropriate checks are carried out to ensure that individuals are not disqualified under the 2018 Childcare Disqualification Regulations and Childcare Act 2006. Where we take a decision that an individual falls outside of the scope of these regulations and we do not carry out such checks, we will retain a record of our assessment on the individual's personnel file. This will include our evaluation of any risks and control measures put in place, and any advice sought.

**Regulated activity** means a person who will be:

- Responsible, on a regular basis in a school or college, for teaching, training, instructing, caring for or supervising children; or
- Carrying out paid, or unsupervised unpaid, work regularly in a school or college where that work provides an opportunity for contact with children; or
- Engaging in intimate or personal care or overnight activity, even if this happens only once and regardless of whether they are supervised or not

### Existing staff

In certain circumstances we will carry out all the relevant checks on existing staff as if the individual was a new member of staff. These circumstances are when:

- There are concerns about an existing member of staff's suitability to work with children; or
- An individual moves from a post that is not regulated activity to one that is; or
- There has been a break in service of 12 weeks or more

We will refer to the DBS anyone who has harmed, or poses a risk of harm, to a child or vulnerable adult where:

- We believe the individual has engaged in [relevant conduct](#); or
- We believe the individual has received a caution or conviction for a relevant (automatic barring either with or without the right to make representations) offence, under the [Safeguarding Vulnerable Groups Act 2006 \(Prescribed Criteria and Miscellaneous Provisions\) Regulations 2009](#); or
- We believe the 'harm test' is satisfied in respect of the individual (i.e. they may harm a child or vulnerable adult or put them at risk of harm); and
- The individual has been removed from working in regulated activity (paid or unpaid) or would have been removed if they had not left

### **Agency and third-party staff**

We will obtain written notification from any agency or third-party organisation that it has carried out the necessary safer recruitment checks that we would otherwise perform. We will also check that the person presenting themselves for work is the same person on whom the checks have been made.

### **Contractors**

We will ensure that any contractor, or any employee of the contractor, who is to work at the school has had the appropriate level of DBS check (this includes contractors who are provided through a PFI or similar contract). This will be:

- An enhanced DBS check with barred list information for contractors engaging in regulated activity
- An enhanced DBS check, not including barred list information, for all other contractors who are not in regulated activity but whose work provides them with an opportunity for regular contact with children

We will obtain the DBS check for self-employed contractors engaging in regulated activity

We will not keep copies of such checks for longer than 6 months.

Contractors who have not had any checks will not be allowed to work unsupervised or engage in regulated activity under any circumstances.

We will check the identity of all contractors and their staff on arrival at the school.

For self-employed contractors such as music teachers or sports coaches, we will ensure that appropriate checks are carried out to ensure that individuals are not disqualified under the 2018 Childcare Disqualification Regulations and Childcare Act 2006.

Where we decide that an individual falls outside of the scope of these regulations and we do not carry out such checks, we will retain a record of our assessment. This will include our evaluation of any risks and control measures put in place, and any advice sought.

### **Trainee/student teachers**

Where applicants for initial teacher training are salaried by us, we will ensure that all necessary checks are carried out.

Where trainee teachers are fee-funded, we will obtain written confirmation from the training provider that necessary checks have been carried out and that the trainee has been judged by the provider to be suitable to work with children.

In both cases, this includes checks to ensure that individuals are not disqualified under the 2018 Childcare Disqualification Regulations and Childcare Act 2006.

### **Volunteers**

We will:

- Never leave an unchecked volunteer unsupervised or allow them to work in regulated activity
- Obtain an enhanced DBS check with barred list information for all volunteers who are new to working in regulated activity
- Carry out a risk assessment when deciding whether to seek an enhanced DBS check without barred list information for any volunteers not engaging in regulated activity. We will retain a record of this risk assessment (DBS flow chart)
- Ensure that appropriate checks are carried out to ensure that individuals are not disqualified under the 2018 Childcare Disqualification Regulations and Childcare Act 2006. Where we decide that an individual falls outside of the scope of these regulations and we do not carry out such checks, we will retain a record of our assessment. This will include our evaluation of any risks and control measures put in place, and any advice sought

### **Governors**

All governors will have an enhanced DBS check without barred list information.

They will have an enhanced DBS check with barred list information if working in regulated activity.

All governors will also have a section 128 check (as a section 128 direction disqualifies an individual from being a maintained school governor).

#### **Adults who supervise pupils on work experience**

When organising work experience, we will ensure that policies and procedures are in place to protect children from harm.

We will also consider whether it is necessary for barred list checks to be carried out on the individuals who supervise a pupil under 16 on work experience. This will depend on the specific circumstances of the work experience, including the nature of the supervision, the frequency of the activity being supervised, and whether the work is regulated activity.
